SUBJECT: May 2012 IMS Seminar Schedule

The Treasury Department in partnership with the Institute for Management Studies presents these monthly seminars for all managers to support their individual continuous learning and management development. Each full-day seminar also includes 30 day free access to IMS Quick Coach – an online library of 1,400 short lessons ( 2 to 4 minute video clips) on specific management issues. The cost of each seminar is \$ 385.

To register for a seminar and to read more about a specific seminar go to [www.ims-online.com](http://www.ims-online.com) .
