

NOTICE TO KKH RED HILL HOUSING RESIDENTS

On Friday, 01 October 2004, Army Hawaii Family Housing (AHFH) will be available for their first day of business. AHFH offices will be located in the existing KKH Housing Office on Phase I. The new Community Manager for all Coast Guard residents, both Phase I and Phase II, will be Brenna Poffenbarger - who can be reached at 275-3830. As of 1 October 2004, all resident housing issues should be addressed to Ms. Poffenbarger and AHFH.

On Wednesday, 29 September 2004, the Coast Guard KKH Housing Office will close temporarily to relocate to new offices at the ISC Honolulu Administration building. The housing office will re-open on 01 October 2004. During this period, residents may call the following numbers for housing issues: Ms. Irene Lance, Local Housing Officer, at 347-3427; or the Housing Duty Cell at 286-1767. Effective 01 October 2004 the ISC Honolulu Housing office can be reached at our new telephone number, 541-1523.

Our goal is to continue working in concert with AHFH to ensure a smooth and successful transition for our Coast Guard members and their families. In our new role as your housing advocates, we look forward to servicing you at our new home at ISC Honolulu.
