Congratulations to a great bunch of guys who drove through the usually heavy Honolulu morning traffic to make all of their games.

Basketball closed on Wednesday, the 21st and featured the MSST Team against NESU. A hard fought battle between the two teams ended with the MSST Team claiming victory by one point, winning 46 to 45. Kenpo Martial Arts Continues!

While often over-looked as a great aerobic and strength-training workout, many adults have already discovered that martial arts training provides a fun and exciting way to burn calories and improve muscle strength. Whether your goal is personal development, self-confidence, self defense, fitness & flexibility or to earn a black belt, Leeward Kenpo Karate will take you there. Martial arts is also great for children of all ages too. It emphasizes developing individual self esteem and self discipline. When students earn their belts it gives them a sense of accomplishment that improves the way they feel about themselves. Classes are being offered every Wednesday from 1800-2000 at the ISC Gym, Raquetball Room. Open to active duty, dependents & DHS/DOD civilians. Cost is \$10 per class.
