## COLLEGE DEGREE PROGRAMS FOR MARITIME LAW ENFORCEMENT PERSONNEL

Saint Leo University proudly offers students in the United States Coast Guard the opportunity to earn a regionally accredited, quality education from anywhere around the globe using multiple course delivery methods. We use emerging technologies coupled with traditional methodology to create an optimal learning environment with a 24/7 technical help desk. As one of the largest providers of higher education to the military, we have focused on educational solutions for military personnel for over 36 years. Saint Leo has long seen the need for flexible education that could be completed either locally at over 20 locations, or around the world. Flexibility is the foundation of our online and on-ground programs – instructor flexibility and delivery flexibility.

Saint Leo is committed to providing you with a challenging, contemporary curriculum in criminal justice, whether you are pursuing an Associate of Arts, Bachelor of Arts or Master of Science degree program. Our distinguished faculty are practitioners with extensive experience in the fields that they teach.

Saint Leo University would like to be your partner and assist you in achieving your educational goals. Your USCG College Degree Programs' Advisor can provide you information about how the program works and how your USCG training fits into your degree plan. Your Coast Guard experience and training will provide you credits towards completion of your degree program. In addition, special equivalencies for transferability are available for the following USCG ratings: Boatswain's Mate, Gunner's Mate, Machinery Technician, Marine Science Technician, Operational Specialist and Port Security.
