Notice of Availability for Policy Letter on Revised Passenger Weight Standards Published

The Coast Guard has made available on its Homeport website a policy letter relating to Implementation of Revised Passenger Weight Standards for Existing Passenger Vessels. This policy letter provides guidance on how the Coast Guard will amend Certificates of Inspection prior to a change in the assumed average weight per person standard that will become effective in December 2011. The Coast Guard has also published a Notice of Availability in the Federal Register.

The Notice of Availability and policy letter may be reviewed at <http://www.regulations.gov> docket number: USCG-2007-0030.

For more information, please contact LCDR David Webb, Office of Vessel Activities (CG-543), U.S. Coast Guard, at (202) 372-1216.
