**\*\*\*SECURE FROM DRILL\*\*\***

Our port remains at MARSEC 1 and HSAS remains at Yellow.

I want to thank the port community for your participation and diligent responses. This exercise allowed us to test our communications capabilities, operate our Port Coordination Centers for the first time, and improve our port coordination processes in the event that we need to increase security to MARSEC 3.

We will be conducting a drill hot wash from 0900 to 1200 on Friday, June 18 at the West Gulf Maritime Association located at 1717 East Loop, Suite 200, Houston, TX 77029. If you are unable to attend the hot wash, please direct comments regarding this drill to LT Leon McClain, Jr at (713) 671-5120 or Marine Science Technician Third Class Shawna Poor at (713) 671-5133. They may also be reached via e-mail at: [LMcClain@msohouston.uscg.mil](mailto:LMcClain@msohouston.uscg.mil) or [SPoor@msohouston.uscg.mil](mailto:SPoor@msohouston.uscg.mil).
