Notes:

Renewal Mariners currently holding STCW endorsed with UFIV may continue to renew with current BT. The UFIV will continue to be endorsed as a limitation to the OICNW and the BT will be listed as a separate capacity.

In order to remove the UFIV limitation, mariner must meet full STCW requirements as applicable for the tonnage held (II/3- less than 500 GT, II/1- greater than 3000 GT).

If mariner holds National deck officer endorsement with corresponding STCW not limited to UFIV and the tonnage is higher than the tonnage limitation of the UFIV, issue the Deck Officer Endorsement without the UFIV limitation on the STCW.

Original applications for UFIV requested to be endorsed on a STCW cannot be issued.
