

Tips:

- The #1 reason for delays is inaccurate and / or incomplete information. To get the most out of your visit, please ensure you are prepared and meet the “ready for evaluation” standards. In most cases, original documents are required (i.e. Physical, Drug Test, etc.)
- Make personal copies of your application and associated documents for your files.
- If you are renewing your CG-credential, **apply early!** The law allows you to make application for renewal up to one-year prior to the expiration for your CG-credentials.
- The REC is busy; to avoid crowds and long wait times, show up early in the morning and early in the work-week to beat the crowds!
- If you have questions prior to your visit, call the Mariner Information Help Desk at 1-888-IASKNMC for assistance.
