"COFRS ISSUED TO MAJOR FOREIGN OWNED INDEPENDENT FLEET"

The Coast Guard's National Pollution Funds Center announced today the issuance of 35 Certificates of Financial Responsibility for the fleet operated by A.P. Moeller. The fleet which received their certificates consists of 32 self propelled tankers and three non tankers. Mr. D.F. Sheehan, Director of the National Pollution Funds Center, indicated that this brings the total number of COFRs issued to tank vessels to 215. He indicated that the number is steadily increasing on a daily basis and that the issuance of certificates to major foreign owned independent tank vessel owners and operators is a significant step in the process and commended them for their responsible actions.
