1. PURPOSE. The purposes of this Note are to:
 - a. Publish convening dates for ADPL and IDPL officer personnel boards and panels for promotion year (PY) 2014, **which occurs from 01 July 2013 to 30 June 2014**.
 - b. Provide guidance to officers eligible for consideration by a selection/retention board or panel.
2. ACTION. All Coast Guard unit commanders, commanding officers, officers-in-charge, deputy/assistant commandants, and chiefs of headquarters staff elements shall comply with the provisions of this Note. Internet release is authorized.
3. DIRECTIVES AFFECTED. Promotion Year 2013 Schedule of ADPL and IDPL Officer Personnel Boards and Panels, PSCNOTE 1401 is canceled on 30 June 2013.
4. RELATED DIRECTIVES.
 - a. Chapters 1, 3, and 6 of reference (a) contain regulations governing the various officer personnel boards and panels.
 - b. Chapter 2.A of reference (b) contains regulations specific to reserve officer personnel boards.
5. GENERAL GUIDANCE FOR ALL OFFICERS.
 - a. Submitting Performance Evaluations. Submit Officer Evaluation Reports (OERs) in accordance with Chapter 5 of reference (a) to ensure selection boards and panels have complete, up-to-date information. Under no circumstances will those officers above the zone, or who are projected to

be in the zone for promotion, delay their regular annual or semiannual OER past the scheduled due date. For this purpose, estimated zones were announced in reference (c). The schedule of boards and panels was developed to correspond as closely as possible with the OER submission schedule.

- b. Commanding Officers of Reserve Active Status Officers. Commanding Officers of officers serving in the Selected Reserve (SELRES), Individual Ready Reserve (IRR), and Standby Reserve Active Status List (ASL) must:
 - (1) Ensure that all active status officers are aware of the contents of this Note.
 - (2) Provide a copy of the All Coast Guard Reserve (ALCGRSV) message announcing selection zones to each officer being considered by a selection or retention board.
- c. Review of Records. All officers under consideration by upcoming boards and panels are encouraged to review their official electronic imaged personnel data record (EI-PDR) maintained by the CG Personnel Service Center (PSC) Military Records Branch (PSD-MR). The complete EI-PDR can be obtained by sending a signed memo request as a PDF e-mail attachment to PSC-PSD-MR. Please view <http://www.uscg.mil/psc/adm/adm3/default.asp> for additional instructions and contact information regarding officer records.
- d. Communications to Selection Boards. As stated in Section 253(b) for ADPL and Section 730 for IDPL of reference (d), any officer eligible for consideration by a selection board may send a communication to the board. The purpose of the communication is to invite attention to any matter in the member's Coast Guard record that will appear before the selection board as outlined in reference (e). The letter must be in standard Coast Guard memo format, must restrict itself to addressing only matters of record, and must arrive at PSC-OPM-4 (ADPL officers) or PSC-RPM-1 (IDPL officers) before the board convenes. A communication to a board may not criticize any officer or civilian government employee or reflect on his or her character, conduct, or motive. All communications must be sent through the officer's chain of command to the commanding officer or office chief, and must be annotated with at least a signature line endorsement. Endorsements cannot include opinions whether a board should select an officer, and they cannot reflect on the officer's performance, abilities, or potential. The endorsement must be confined to the matter of record indicated in the communication. Each communication is limited to one detailed endorsement (i.e., supervisor, reporting officer, or reviewer). Letters from other members cannot be submitted as enclosures. Enclosures or attachments are limited to copies of official records and materials allowed to be submitted with OERs. See Chapter 3.A.4.f and Chapter 5.A.3.a.4 of reference (a) for additional guidance.
- e. Communications to Assignment and Screening Panels. An officer under consideration by an assignment or screening panel may write to the panel President, in care of PSC-OPM-4 (for ADPL officers) or PSC-RPM-1 (for IDPL officers), via his or her chain of command. The purpose of the communication is to invite attention to any matter of record that will appear before the assignment or screening panel. For screening panels, matters of record include those sections of a member's CG record visible to selection boards per reference (e), and any additional information indicated in solicitation messages. For assignment panels, matters of record also include information contained in Direct Access (DA) applicable to assignments (e.g.,

special needs status, co-location status, e-resumes). The letter must be in standard Coast Guard memo format, restrict itself to addressing only matters of record that will be available to the panel members, and arrive at PSC-OPM-4 (ADPL officers) or PSC-RPM-1 (IDPL officers) two weeks before the panel convenes. A communication to a panel may not criticize any officer or civilian government employee or reflect on his or her character, conduct, or motive. Only signature endorsements from the chain of command are allowed unless specifically authorized in the solicitation message. The electronic resume (e-resume) is not appropriate correspondence to an assignment/screening panel unless specifically indicated in the solicitation message.

- f. Employee Summary Sheet (ESS). With the creation of a consolidated view of employee human resources data captured in DA, boards and panels are able to view these career summaries in addition to the EI-PDR. Officers are encouraged to review and update the data in DA to ensure the summaries are correct well in advance of convening boards and panels. Updating DA information requires appropriate documentation and is coordinated through the unit's Servicing Personnel Office (SPO). It is acknowledged that some ESS elements cannot be modified (i.e. assignment history) and boards/panels are notified of this issue.
6. ADPL & IDPL PROMOTION BOARD ZONES AND CONVENING DATES. This Note, which is further amplified by appropriate message traffic, serves as the official notification required by Section 253 of reference (d). Future messages may announce changes to enclosures (1) and (2). The PSC Commander is authorized to delay or reschedule the listed boards and panels as Service needs dictate.
7. ADPL COMMAND SCREENING PANEL INFORMATION.
- a. Screening.
- (1) Three active duty officer command screening panels will be used:
 - i. Senior Command Screening Panel (SCSP)
 - ii. Junior Command Screening Panel (JCSP)
 - iii. CWO Command Screening Panel (CWOCSP)
 - (2) Senior commands encompass those units commanded at the O-6 or O-5 rank. Junior commands span O-4 and below led units.
 - (3) All officers who meet the eligibility requirements listed in this section and enclosure (3) may request to be screened for specific commands. Specific instructions will be promulgated via separate correspondence. If there are not a sufficient number of eligible officers who request to screen, then PSC-OPM is authorized to shift to a mandatory screening process which will be announced via message.
 - (4) The screening panels will select the best qualified candidates based on Service needs and with due consideration to assignment flexibility.
- b. Eligibility. Officers requesting to screen must meet the following general eligibility parameters:
- (1) Tour complete in 2014;

- (2) Captains that will have completed at least two years in their current assignment by 15 September 2014 may request to screen with Flag officer concurrence;
- (3) Officers must meet the experience and recency requirements outlined in enclosure (3) for the specific commands for which they request to screen.
- (4) Have not previously held command at the current rank, except for:
 - (a) Chief Warrant Officers
 - (b) Candidates for SILC, SFLC, C4ITSC command
 - (c) Prior PATFORSWA Commanding Officers
- (5) Officers included on a PY13 promotion list, or above/in-zone for promotion during PY14, may request to screen for commands at the next higher rank.
- (6) Temporary Separation (TEMPSEP) program participants are not eligible to compete for command screening until they return to a commissioned status.
- (7) Members who have been selected for flight school are not eligible to compete for command screening.
- (8) Members who are serving in a Duty Under Instruction (DUINS) program (advanced education/Senior Service School/Senior Education Fellowship) are eligible to compete for command screening, but will normally be expected to fulfill obligated service in a follow-on assignment within their specialty/program. If selected, these officers will be designated as alternates on the command screening results.

c. Applications.

- (1) PSC-OPM will announce the application procedures via All Coast Guard Officer (ALCGOFF) message approximately 60 days prior to the panel convening date.
 - (2) Approximately 30 days prior to the panel, another ALCGOFF message will list members who appear to meet specific eligibility criteria. Any member whose name does not appear on this message and who believes that he or she qualifies for screening for a particular position due to special circumstances or unique qualifications, or believes his or her name was inadvertently omitted, should notify PSC-OPM-2. PSC-OPM will then evaluate each request and make an eligibility determination based on the merits of each case. Officers will be advised of their status once the case review has been completed.
 - (3) Approximately seven days prior to the panel convening date, a final candidate ALCGOFF message will list those officers whose records will appear before the Screening Panel.
8. ADPL SENIOR EDUCATION AND FELLOWSHIP PANEL (SEFP). The SEFP will select candidates for senior fellowships, Senior Service Schools (SSS), and senior advanced education programs. This Panel will be divided into two phases: Phase I will select officers for the O-6

fellowships (CNO-SSG; CFR), while Phase II will cover the O-5 programs. In PY2016 (SEFP held in 2015), Commanders that are in zone for O-6 selection will be excluded from the SSS candidate pool.

- a. Chief of Naval Operations (CNO) Strategic Studies Group (SSG). All Captains meeting the following criteria will be automatically screened:
 - (1) DOR 01 Jan 2010 or earlier
 - (2) O-6 operational command experience
 - (3) Tour complete in 2014
 - (4) Non-tour complete Captains that will have completed at least two years in their current assignment by 15 September 2014 and otherwise meeting the eligibility requirements may request to screen via e-resume with Flag officer concurrence.
 - (5) JPME Level 1 completion is preferred.

 - b. Council on Foreign Relations (CFR) Fellowship. All Captains meeting the following criteria will be automatically screened:
 - (1) DOR 01 Jan 2010 or earlier
 - (2) O-6 operational command experience
 - (3) Tour complete in 2014
 - (4) Non-tour complete Captains that will have completed at least two years in their current assignment by 15 September 2014 and otherwise meeting the eligibility requirements may request to screen via e-resume with Flag officer concurrence.
 - (5) Candidates selected by the SEFP for CFR will go through additional screening as well as a rigorous interview process.

 - c. SSS, Sloan Fellowship and MIT-SDM. The SEFP Phase II will consider tour complete O-5 and O-5 selects who request consideration for selection. An ALCGOFF will be released by PSC-OPM outlining the specific criteria by which officers will be considered for the respective War Colleges and Fellowship opportunities. E-resumes requesting consideration will be required in accordance with the respective ALCGOFF message(s).
9. IDPL COMMAND SCREENING PANEL INFORMATION. The Reserve Senior Command Screening Panel (RSCSP) will screen eligible officers for assignment as commanding officers of Coast Guard Reserve Units (CGRU) that augment Combatant Commands (COCOMs) and Port Security Units (PSUs). Eligibility criteria are listed in enclosure (3). Projected vacancies and amplifying guidance on screening criteria and procedures will be provided in future message traffic. Members who desire a command assignment may submit an e-resume requesting to be screened. If there are not a sufficient number of eligible officers who request to screen, then PSC-RPM is authorized to shift to a mandatory screening process which will be announced via message. Any communications to the panel should be prepared as outlined in paragraph 5.e.

 10. IDPL PROMOTION BOARD PROCEDURES. Chapter 7, Subchapter A of reference (b) contains procedures applicable to the promotion of reserve officers on the IDPL. These laws provide for the selection of reserve officers on a best-qualified basis to the grade of lieutenant and above, and on a fully qualified basis to the grade of lieutenant (junior grade). They further provide for the convening of retention boards to ensure a steady promotion flow. Reserve warrant officers on inactive duty are

promoted pursuant to regulations promulgated under the authority stated in Section 12242 of reference (f). Enclosure (2) is the PY14 schedule for inactive duty reserve officer boards and panels.

- a. Reserve officers under consideration by an IDPL selection board may submit communications to the board president as outlined in paragraph 5.d. The Reserve Officer Personal Resume (CG-5481) will no longer be accepted as a form of communication. All information from the CG-5481 should be reflected in a member's ESS.
- b. The names of reserve officers recalled to active duty under Title 10 and Active Duty for Operational Support (ADOS) will remain on the IDPL and be considered by reserve boards and panels if otherwise eligible.
- c. Reserve officers serving on Extended Active Duty (EAD) are listed on the ADPL and compete for promotion with all other ADPL officers.
- d. Reserve officer selection board announcements are published in ALCGRSV messages. Reserve officer promotion/assignment board results are published in All Coast Guard Personnel Service Center (ALCGPSC) messages. Any reserve officer can look up his or her own OER history through Direct Access located at: Home > Self Service > Employee > View > Employee Review Summary.

11. MOBILIZATION AND DISPOSITION (MOB) BOARD. This Board will convene under the authority of 10 USC 12642 and 12683 annually to screen officers on Inactive Status List (ISL), and Standby Reserve. The mobilization Board recommends separation or transfer to the Retired Reserve for officers who have been in an inactive status for more than three years and have limited potential for mobilization, or in an inactive status for one year following weight probation failure.

12. REGULAR TO RESERVE PANEL. The Panel will convene as needed to consider members with regular commissions who are released from active duty, or who are within one year of discharge for a reserve commission in accordance with Chapter 1.G of reference (a). To be eligible for a commission in the Coast Guard Reserve, applicants may be:

- a. Former regular officers of the Coast Guard or Navy. If more than one year has passed since the effective date of resignation, then Section 1.C. of reference (a) applies.
- b. Coast Guard officers that have obligated service or who are on an approved TEMPSEP Program. These personnel will be recommended for a reserve commission by the panel.
- c. Regular officers who were twice non-selected on the ADPL are eligible for consideration by the Panel. These officers may either be not recommended for a reserve commission, or, if offered a commission, may be recommended for a lower grade upon commissioning.

13. IDPL DESIGNATION PANEL. The Panel will convene annually, or as often as needed, to consider officers holding reserve commissions who are twice non-selected on the ADPL who request placement on the IDPL and affiliation with the Ready Reserve in lieu of separation. Reserve officers who have documented negative performance may request consideration by the Panel. Such officers may either be not recommended for placement on the IDPL, or may be recommended for placement on the IDPL at a lower grade.

14. ENVIRONMENTAL ASPECT AND IMPACT CONSIDERATIONS. The development of this directive and the general policies contained within it have been thoroughly reviewed by the originating office and are categorically excluded under current USCG categorical exclusion (CE) [1] from further environmental analysis, in accordance with Section 2.B.2 and Figure 2-1 of the National Environmental Policy Act Implementing Procedures and Policy for Considering Environmental Impacts, COMDTINST M16475.1 (series).
15. FORMS/REPORTS. The forms referenced in this Note are available in USCG Electronic Forms on the Standard Workstation or on the Internet: <http://www.uscg.mil/forms/>; CG Portal at <https://cgportal.uscg.mil/delivery/Satellite/uscg/References>; and Intranet at <http://cgweb.comdt.uscg.mil/CGFORMS>.

Note 1		Operational Units: Include cutters, air stations, deployable specialized forces (including Maritime Safety and Security Team (MSST), Tactical Law Enforcement Team (TACLET), and strike teams), or sectors and any sub-units (including MFPU/MSU).
Note 2		Combined Sector/Air Station: Designated aviators desiring assignment to combined sector/air station command must meet the eligibility criteria for both sector and air station commands. Qualified aviators must concurrently screen for O-6 aviation and sector commands.
Note 3		Mission Support Billet: Defined as "any DCMS billet, and any billet at a non-DCMS unit in which the primary focus is providing services to operations on a regional basis". This includes sector logistics, facilities engineers (who provide housing, CDC's, industrial and other support services beyond their unit), and HSWL/clinic FOs. It would not include Airsta EOs, Cutter EOs, and others that are focused on a single unit, more typically as a "receiver" rather than "provider" of product line services.
