**CO's Corner –**

Greetings from Topeka, Kansas where the heat of summer has cooled, the sunflowers are blooming beautifully and the promise of excellent fall weather is right around the corner.

I am continually impressed with our team of dedicated customer service representatives in our Retired and Annuitant Services Branch and their leadership. They provide great service to a customer base of over 50,000 people with a crew of only 23, and do a tremendous job. Please let them know you appreciate their service to you in your next call to them, and be sure to fill out one of our customer service surveys on our web site to tell us about your experience.

I just returned from a meeting with the Veteran's Administration and Defense Finance and Accounting Service and am able to report continued but slow progress in updating our relationship with them. We are making headway on our sharing of data to make proper payments to our joint customers, and very importantly to avoid overpayments to members who may have had a retroactive change to their VA disability status. Another important item to note is that enrollment in the new gray area retiree health program, TRICARE Retired Reserve Select (TRR), will begin on 1 September. Those who enroll in September should be able to start coverage in October. DOD provided a waiver to allow the providers to keep their implementation schedule on track. Retirees who wish to purchase TRR coverage should make sure their eligibility information is correct in the Defense Enrollment Eligibility Reporting System (DEERS) as they transition into the gray area. For more information please go to <http://www.tricare.mil/trr/>.

We have implemented many self service options and are encouraging members to take advantage of electronic alternatives, but rest assured we will always be available by phone and will continue to mail hard copy statements and newsletters to those that may not have ready computer access or are just not comfortable performing transactions on line.

That is all for now. Please enjoy your fall season wherever you may be located, and don't forget to check out our PPC web site <http://www.uscg.mil/ppc/ras/> Thank You!

PPC values are: Customers First; Committed to Employees; Stewardship and Integrity.

## COAST GUARD RETIREES AND FOREIGN EMPLOYMENT

The U.S. Constitution has a provision (the last paragraph of Section 9 of Article I) that prohibits Federal Government officials from receiving compensation from foreign governments without the consent of Congress. It reads:

"And no Person holding any Office of Profit or Trust under them, shall, without the Consent of the Congress, accept of any present, Emolument, Office, or Title, of any kind whatever, from any King, Prince, or foreign State."

This has been interpreted to include retirees and inactive duty reservists of the Uniformed Services that are employed either directly by foreign governments or indirectly by companies, corporations, or other instrumentalities owned or controlled by foreign governments, including work in an overseas corporation or entity that is under contract to a foreign government. Two Federal laws have been passed that grants blanket Congressional approval on the condition that the retiree/reservist get the permission of the Secretary concerned (in the CG's case, SECDHS) and the Secretary of State (DoS). One statute covers civil employment by foreign governments (title 37 USC 908) and another is for foreign military service (title 10 USC 1066). In all cases involving CG retirees we have only worked through the provisions for civil employment by foreign governments. CG-1222/CG-131 exercises the delegated Secretarial authority for COMDT.

The administrative requirement for CG personnel to gain approval for foreign government approval is in PERSMAN Chapters 12.C.18.F and 16.L. Member sends letter to Commandant (CG-1222) (active duty & RET-1 reserve retirees) or Commandant (CG-131) (inactive duty & RET-2 reservists) to request approval to work for a foreign government. The letter must contain the following information:

- Country of Foreign Employment;
- Name of company, and relationship of company to the foreign government;
- Statement whether foreign citizenship is a condition of employment (Is it required? Is it being considered?);
- Statement whether an oath of allegiance to the foreign government required;
- Job title and brief description of duties;
- Anticipated duration of employment;
- Statement whether this employment might discredit USA;
- Rank at, and date of, retirement;
- SSN and DOB.

Upon receipt of letter CG-1222 (CG-131 in case of inactive duty reservist) coordinates review of each request by DCO-I & CG-0944; writes a cover letter, and e-mails scanned request to DoS Foreign Employment Office. DoS, approves or denies the request and CG-1222/CG-131 sends answer back to the member.

\*\*If approval is denied, member irrevocably loses entitlement to Retired Pay & benefits for any period employed by the foreign government for which employment approval was sought. Failure to obtain approval prior to employment by a foreign government also results in irrevocable loss of Retired Pay & benefits for period employed by a foreign government until approval is granted.\*\*

In the future, CWO Joey Brown (202-475-5394) will be the POC for retiree applications for permission to accept foreign civil employment under 37 USC 908 (also foreign military employment under 10 USC 1066).

FOR IMMEDIATE RELEASE

### VETERANS' MEDALLION AVAILABLE FOR ORDER

*New Option for Marking Veterans' Graves in Private Cemeteries*

WASHINGTON – Secretary of Veterans Affairs Eric Shinseki announced today that the Department of Veterans Affairs (VA) is offering bronze medallions to attach to existing, privately purchased headstones or markers, signifying a deceased's status as a Veteran. "For Veterans not buried in a national or state Veterans cemetery, or those without a government grave marker, VA is pleased to offer this option that highlights their service and sacrifices for our country," said Secretary Shinseki.

The new item can be furnished instead of a traditional government headstone or marker for Veterans whose death occurred on or after Nov. 1, 1990, and whose grave in a private cemetery is marked with a privately purchased headstone or marker.

Under federal law, eligible Veterans buried in a private cemetery are entitled to either a government-furnished grave marker or the new medallion, but not both. Veterans buried in a national or state Veterans cemetery will receive a government headstone or marker of the standard design authorized at that cemetery.

The medallion is available in three sizes: 5 inches, 3 inches and 1 ½ inches in width. Each bronze medallion features the image of a folded burial flag adorned with laurels and is inscribed with the word "Veteran" at the top and the branch of service at the bottom.

Next of kin will receive the medallion, along with a kit that will allow the family or the staff of a private cemetery to affix the medallion to a headstone, grave marker, mausoleum or columbarium niche cover.

More information about VA-furnished headstones, markers and medallions can be found at <http://www.cem.va.gov/cem/hm/hmtype.asp>.

VA is currently developing an application form for ordering the medallion. Until it is available, applicants may use the form for ordering government headstones and markers, VA Form 40-1330. Instructions on how to apply for a medallion are found on the VA Web site at [www.cem.va.gov/hm\\_hm.asp](http://www.cem.va.gov/hm_hm.asp).

Veterans with a discharge issued under conditions other than dishonorable, their spouses and eligible dependent children can be buried in a VA national cemetery. Other burial benefits available for all eligible Veterans, regardless of whether they are buried in a national cemetery or a private cemetery, include a burial flag, a Presidential Memorial Certificate and a government headstone or grave marker.

The new medallions will be available only to Veterans buried in private cemeteries without a government headstone or marker. Families of eligible decedents may also order a memorial headstone or marker when remains are not available for interment.

VA operates 131 national cemeteries in 39 states and Puerto Rico and 33 soldiers' lots and monument sites. More than 3 million Americans, including Veterans of every war and conflict -- from the Revolutionary War to the current conflicts in Iraq and Afghanistan -- are buried in VA's national cemeteries on more than 19,000 acres.

Information on VA burial benefits can be obtained from national cemetery offices, from the VA Web site on the Internet at [www.cem.va.gov](http://www.cem.va.gov) or by calling VA regional offices toll-free at 1-800-827-1000.

## TRICARE NEWS

### Federal Rules Published for TRICARE Retired Reserve

August 06, 2010  
10-68

**FALLS CHURCH, Va**—The interim final rule for the TRICARE Retired Reserve (TRR) program has been published. That brings the opportunity for members of the Retired Reserve who are not yet age 60, the so-called “gray-area” retirees, to purchase TRICARE Standard coverage one big step closer to a planned program launch expected as early as September 2010. At that time, instructions about how to qualify for and purchase TRR coverage will become available. If purchased, TRR coverage is expected to go into effect as early as October 1, 2010.

The statute that established TRR requires that qualified retired reservists pay premiums equal to the full cost of the coverage without government subsidy. According to the interim final rule, monthly premium rates for 2010 will be \$388.31 for TRR member-only coverage, or \$976.41 for TRR member and family coverage. Rates will be adjusted annually.

This year's premiums are based on the actual costs during 2007 and 2008 for providing TRICARE benefits to people in the same age categories as the retired reserve population. The 2011 premiums will be adjusted based on 2008 and 2009 costs.

Beneficiaries can read the entire interim final rule on line at <http://edocket.access.gpo.gov/2010/pdf/2010-19313.pdf>. A 60-day comment period will allow for public input before the final rule is issued. Those interested may submit comments through the Federal eRulemaking Portal - [www.regulation.gov](http://www.regulation.gov) - or by mail to the Federal Docket Management System Office, 1160 Defense Pentagon, Washington, DC 20301-1160.

Retirees who may want to purchase TRR coverage should make sure their eligibility information is correct in the Defense Enrollment Eligibility Reporting System (DEERS).

To get more information about TRR as it becomes available, visit [www.tricare.mil/subscriptions](http://www.tricare.mil/subscriptions) and sign up for “Benefit Changes” for “Retired National Guard and Reserve Member.”

## New Coast Guard Auxiliary National Commodore Targets Boating Deaths

SCOTTSDALE, Ariz. - Jim Vass of Port O'Connor, Texas; the new Coast Guard Auxiliary National Commodore; charged the Coast Guard Auxiliary, "to reduce deaths on our waterways. We need to recommit ourselves to improving recreational boating safety and making a serious dent in reducing the recreational boating death growth rates", Commodore Vass said.

2009 saw an increase of 3.8% in recreational boating deaths because people fail to wear life jackets, are inattentive, and consume alcohol while operating boats. Nearly 75 percent of the 736 people who died in boating accidents in 2009 drowned, and 84 percent of those victims reportedly were not wearing a life jacket. "Our waterways should be fun, not places where you lose your life" commented Vass.

Commodore Vass began his association with the Coast Guard Auxiliary in 1991 and has served in a host of positions at the local, regional and national levels. Most recently he was the national vice commodore. He holds qualifications as an instructor, vessel examiner, and boat coxswain. His awards include the Coast Guard Auxiliary Medal of Operational Merit, Commendation Medal, Service Award, the Coast Guard Unit Commendation, and Coast Guard Meritorious Team Commendation.

The U.S. Coast Guard Auxiliary created by an Act of Congress in 1939 is the uniformed civilian component of the U.S. Coast Guard supporting the Coast Guard in nearly all its missions.

## NOAA Commissions New Research Ship *Bell M. Shimada*

August 25, 2010

Federal officials today commissioned **[NOAA Ship Bell M. Shimada](#)**, a state-of-the-art research vessel that will study a wide range of marine life and ocean conditions along the West Coast.

"NOAA Ship *Bell M. Shimada* represents a major step forward in NOAA's effort to modernize its fleet of fisheries, oceanographic and hydrographic survey ships," said Rear Adm. Jonathan Bailey, director of the **[NOAA Office of Marine and Aviation Operations](#)** and the **[NOAA Corps](#)**. "This highly capable ship will enable researchers to collect data on sea life and habitats with unprecedented accuracy."

*Bell M. Shimada*'s design allows for quieter operation and movement of the vessel through the water, giving scientists the ability to study fish and marine mammals without significantly altering their behavior.

The vessel is the fourth of a new class of ships designed to meet the **[NOAA Marine Fisheries Service's](#)** specific data collection requirements and the International Council for Exploration of the Seas' standards for a low acoustic signature. The ship's capabilities include a sophisticated sonar system and equipment for deploying buoys and sensor-packed underwater vehicles. In addition to studying fish and marine mammals, researchers will also use the ship to observe marine bird populations.

"NOAA Ship *Bell M. Shimada* will play a vital role in supporting NOAA's mission to protect, restore and manage living marine, coastal and ocean resources," said Steve Murawski, Ph.D., NOAA's chief scientist for fisheries. "Equipped with the latest technology, this new vessel will enhance significantly our ability to conduct research essential to sustaining and rebuilding fisheries."

*Bell M. Shimada* was named by a team of students from Marina High School in Monterey, Calif., who won a regional NOAA contest to name the vessel. The ship's namesake served with the Bureau of Fisheries and Inter-American Tropical Tuna Commission, and was known for his contributions to the study of tropical Pacific tuna stocks, which were important to the development of West Coast commercial fisheries following World War II. *Bell M. Shimada*'s son, Allen, is a fisheries scientist with NOAA's Fisheries Service.

Launched in September 2008, the 208-ft. *Bell M. Shimada* was built for NOAA by VT Halter Marine Inc., in Moss Point, Miss., as part of the NOAA's fleet replacement strategy to provide world-class platforms for U.S. scientists. The ship will operate primarily in U.S. waters from Washington state to southern California.

The NOAA fleet of ships and aircraft is operated, managed and maintained by the NOAA Office of Marine and Aviation Operations, which includes commissioned officers of the NOAA Corps and civilian wage mariners.

NOAA's mission is to understand and predict changes in the Earth's environment, from the depths of the ocean to the surface of the sun, and to conserve and manage our coastal and marine resources. Visit us on **[Facebook](#)**.

If you have lost a loved one and would like their name printed in Dependent TAPs, please contact [PPC-DG-RAS@uscg.mil](mailto:PPC-DG-RAS@uscg.mil) with their name, date of death, your name and retired rank, and city/state of residence. RAS will make appropriate updates and then forward to The Coast Guard/NOAA Retirees' Newsletter Editor. Or you can send your request in writing and mail to: Commanding Officer (RAS), Pay & Personnel Center, 444 SE Quincy Street, Topeka, KS 66683-3591. You may also fax your request to (785) 339-3770.

## WHEN THE TIME COMES, WILL YOUR SURVIVOR KNOW?

**How to file a death report**

**How to claim final retired pay due**

**How to get the elected survivor annuity started**

**How to claim other federal benefits that may be due such as:**

Department of Veterans Affairs Entitlements

Dependency Indemnity Compensation

Social Security

ID Cards

Burial Flags

After a retiree dies the survivor is faced with applying for many benefits, with little knowledge of the often very confusing processes. All this happens while they are trying to deal with overwhelming grief. To help answer the many questions during that stressful time we have simplified our *Survivor Information Booklet*. By taking the time now to review this booklet, gather the supporting documents that are required and filing them in a location from which they can be readily retrieved, you can help to ease the stress that is experienced during this time. To further assist your survivors, we have initiated an Express Annuity Start system to simplify the processing and expedite payment of benefits. To take advantage of this new system, fill out the Form CG-1884, (found in booklet or on our website at [http://www.uscg.mil/forms/cg/cg\\_1884.pdf](http://www.uscg.mil/forms/cg/cg_1884.pdf)) sign, date and return to us.

**NOTE:** For those requesting by mail, booklets are printed on-demand at this time. After submitting your request please be patient and they will be mailed as soon as available. Although the booklet and the online version were updated in February 2009, mainly to reflect correct phone numbers and to add Web Links, most information in previous editions is correct.

The booklet "Information for Survivors of USCG, USCGR, and NOAA Retirees" is available on our web site:

<http://www.uscg.mil/ppc/survivorguide.pdf>.

**Mail to:** COMMANDING OFFICER (RAS)  
USCG PPC, ATTN: SURVIVOR PKT  
444 SE QUINCY  
TOPEKA, KS 66683-3591

**Fax to:** 785-339-3770

**E-Mail:** [ppc-dg-ras@uscg.mil](mailto:ppc-dg-ras@uscg.mil) (Be sure to include all the information requested above with the exception of the full SSN. Only send the last two digits of your SSN when corresponding with us by electronic mail).

(*Self service cont. from page 1*)

For detailed procedures on using Self Service, please refer to the PPC (RAS) web site at <http://www.uscg.mil/ppc/ras>.

Customers now have the capability to make the following changes through the Self Service application:

- ◆ Change Direct Deposit information.
- ◆ Update mailing address, e-mail address(es), and phone numbers.
- ◆ Opt in/out of receiving the Retiree Newsletter and Pay Slip by mail.
- ◆ View and print Pay Slips and IRS Forms 1099R.

PPC plans to add the following functionality to the Self Service application in the future:

- ◆ Change federal tax withholding.
- ◆ Change state tax withholding (retirees only).
- ◆ Start, stop, & change allotments (retirees only).
- ◆ Review/verify final pay beneficiaries.
- ◆ Submit Certificates of Eligibility & Reports of Existence.

**Editor's notes****KEEPING RETIREE & ANNUNITANT SERVICES INFORMED**

All retirees are reminded to inform PPC (RAS) as soon as possible following changes of marital status (divorce, death, annulment, marriage, just to mention some), death of a designated SBP beneficiary, or any other changes which could impact retired pay. Additionally, when you make a change with DEERS it **does not** constitute a change to your Retired Pay account since DEERS is a totally different system from RAS.

**STATE TAX REMINDER:** As a reminder when moving from one state to another and updating your home mailing address, don't forget to change your state tax withholdings. The retiree must request a change for state tax as an address change does not automatically change or stop the state information that the tax is being paid to.

**Send your reunion or other notices to:**

The Coast Guard/NOAA Retirees' Newsletter  
Commanding Officer (P&D)  
U.S. Coast Guard Pay & Personnel Center  
444 SE Quincy Street  
Topeka, KS 66683-3591

E-mail: [PPC-DG-RASNewsletter@uscg.mil](mailto:PPC-DG-RASNewsletter@uscg.mil)  
Phone: (toll free, U.S. only) 1-800-772-8724 or  
(785) 339-2236

**Coast Guard/NOAA Retiree Personnel Locator:** If you are searching for a Coast Guard/NOAA retired individual, we can help. Place your personal correspondence to that individual in a sealed envelope, making sure to include how they can get in touch with you. On the outside of that envelope, address it to them with their full name and rank/rate (for military). Please write your return address and attach a stamp on the envelope. Then, place that envelope in a larger envelope and address it to:

**Commanding Officer (RAS)**  
**USCG Pay & Personnel Center**  
**444 SE Quincy Street**  
**Topeka, KS 66683-3591**

RAS will complete the person's address and place it in the mail.

**Need a corrected DD-214?**

If your DD-214 is incorrect and you want a corrected form (DD-215), you need to send your request in writing to:

Commander (ADM-3)  
Personnel Service Center  
US Coast Guard Stop 7200  
4200 Wilson Blvd, Ste 1100  
Arlington, VA 20598-7200

Please include your name, rank/rate, SSN/Employee ID, and date of retirement.

**More DD-214 information**

Great news for veterans—the National Personnel Records Center (NPRC) has provided the following website for veterans to gain access to their DD-214 online: <http://vetrecs.archives.gov/>. This will cut the waiting time veterans have had in the past waiting for copies of their DD-214s. **Note:** This website does not allow you to see or print a copy of your DD-214 but does allow you to print the request form needed to mail or fax to NPRC for obtaining a copy of your DD-214.

**VA compensation payments and federal income taxes**

If you retired from the USCG or NOAA based on years of service and are later given a retroactive service connected disability rating by the VA, your retirement pay for the retroactive period is excluded from income up to the amount of VA disability benefits that you would have been entitled to receive. The form 1099R reports the entire distribution because the income, when paid, was taxable under the law.

**A corrected form 1099R which could support the decrease in taxable income will not be issued by PPC.** This policy is contained in the DOD Financial Management Regulations, VOL 7B and also is stated in the IRS instructions for form 1099R, which directs that the entire income distribution will be reported if a part is taxable and a part is not taxable.

Retirees who are affected by this policy should consult a tax preparer for assistance. The retiree should provide copies of the Form 1099R and the VA Award Letter to claim a refund of taxes paid on the excludable amount.

You may also claim a refund of any taxes paid on an excludable amount in previous years by filing an amended return on Form 1040X, subject to Statute of Limitations.
