### ABBREVIATION DESCRIPTIONS:

**NPY** Mbr does not have a CG PSC approved aircrew candidate flight physical  
**MED** Medical Hold

**NOTE:** ALCGENL 163/08 requires all Nonrates (including E-3's) to be at their first unit for 4 months before they are eligible to apply for an "A" School. The only exception to this rule is if they apply for one of these ratings:

<b>EM</b> – ALCGENL 003/05	<b>FS</b> – ALCGENL 003/05
<b>ET</b> – ALCGENL 003/05	<b>OS</b> – ALCGENL 163/08

### NEW BUSINESS:

**TDY, PCS/Temduins, and PCS orders** - These are the only 3 ways that a member should be ordered to "A" school. Let me explain the differences because there appears to be some confusion out there.

**TDY (TAD)** - This order is used if a member has dependents and needs to return to their permanent duty station after the completion of "A" school. There will be no entitlements for dependents traveling to "A" school with the member just like any other TDY orders. If the member has no reason to return to the permanent unit after "A" school, then the Command can request PCS/Temduins orders.

**PCS/Temduins** - This order is used for members with no dependents. It is also used for members with dependents but have no reason to return to their permanent duty station after completion of "A" school (as stated in TDY explanation).

**PCS** - This is used for personnel attending ET or IT "A" school. Due to these "A" schools being longer than 20 weeks, PCS orders are authorized. All personnel will be issued PCS orders no matter if you have dependents or not. If you have dependents, you are authorized allowances to have dependents relocate with you to "A" school. This is the only set of orders where dependents are entitled to allowances to travel with the member to "A" school.

If you are still confused, please call us and we can help you. I'd rather you call than to get a set of orders wrong.

**ME "A" School Closure:** As per ALCGENL 190/09, due to the projected wait time exceeding 18 months, effective 2400 on 20NOV2009, the ME "A" school waiting list will be closed. Any member whose name is on ME "A" school list will remain unless they choose to place their name on another list. The list will remain closed until the projected wait time is less than 18 months long.

**CRITICAL SKILLS TRAINING BONUS:** As per ALCOAST 619/09, effective 01 November 2009, the new CSTB's are only authorized for OS "A" school candidates. The authorized maximum bonus amount for the OS rating is \$6,000, payable in lump sum upon graduation from OS "A" school. Those who attend OS "A" school must also agree to obligate a minimum of four years active duty upon graduation from "A" school. CSTB's will be paid in accordance with ALCOAST 352/09 to those members who are enrolled, and graduate from, EM "A" school session 40 with a class convening date of 26OCT2009 or ET "A" school session 130 with a class convening date of 16NOV2009 or, if striking EM, have a signed CSTB agreement properly executed prior to 01NOV2009. CSTB Agreement Form can be found in Chapter 3.F.8 of the Personnel Manual.

**Performance, Training and Education Manual:** The new Performance, Training and Education Manual, COMDTINST M1500.10C has been released. All units are reminded to review this manual.

**PA "A" School Closure:** As per ALCGENL 167/09, due to the projected wait time exceeding 18 months, effective immediately, the PA "A" school waiting list is closed. Any member whose name is currently on the PA "A" school list will remain unless they choose to place their name on another list. The list will remain closed until the projected wait time is less than 12 months long.

**Notice to Members OUTCONUS:** If a member elects to ship his/her vehicle based off of PCS TEMDUINS orders to "A" school for less than 20 weeks, they must be properly counseled and the following statement on their orders issued by PSC-epm-2. "Member serving OCONUS may ship their POV in accordance with JFTR U5440.D, to their Class "A" school; however they must be counseled on possible excess cost. You are authorized to ship one POV from (insert name of OCONUS unit) to your new PDS following completion of Class "A" training under 20 weeks at (insert training center) in accordance with JFTR U5440.D. Your POV shipment entitlement is from the port/VPC serving your OCONUS unit to the port/VPC serving the PDS that will later be identified upon completion of "A" school. Since the next PDS is not identified at this time, you may be subject to excess cost. Should you receive orders back to your previous PDS, another OCONUS PDS, or to an area where the receiving VPC is different from the VPC where the POV was originally shipped, you will be required to pay excess charges." The following must be completed following the counseling of the member of this entitlement: 1. Statement from the PCS AO or the designated representative that the member was advised before the PCS authorization/order was issued that the PCS authorization/order would be issued. 2. Written agreement signed by the member to remit the entire cost of transportation if a PCS authorization/order to authorize transportation is not issued later. 3. Written agreement signed by the applicant to pay any additional costs for transshipment of the POV to another port required because the new PDS named in the authorization/order is different than that named in the statement required in par. U5440.D.1.

**Important Notice to Members and Commands Regarding Weight Standards:** IAW Coast Guard Weight and Body Fat Standards Program Manual, COMDTINST M1020.8G, Chapter 3.5, if a member shows up to "A" School overweight they may potentially be "fault" disenrolled which means they will not eligible to be placed on any "A" school list for a minimum of 1 year. Commands are urged to contact one of the "A" school Assignment Officers as soon as possible if their member is on the verge of or not within weight standards. We kindly ask that in these instances that commands refrain from contacting the schools directly. We will communicate with the "A" School.

**NJP and Alcohol Incidents:** If the member receives a Non-Judicial Punishment (NJP), courts-martial or civil conviction, their name will have to be removed from the "A" School list for a minimum of 6 months. After the 6 month period has ended, the member may reapply to be placed on any "A" School list as long as all prerequisites are met. If the member receives an alcohol incident, they will be placed on an "ADMIN" hold. This hold can only be removed if the member is recommended for advancement on their next set of semi-annual evaluations. Commands are reminded to contact one of the "A" School Assignment Officers as soon as a member has received NJP, courts-martial, civil conviction and/or an Alcohol Incident.

**"A" School Requests:** The official request format has been updated on 28OCT2009 and is located on our web site at <http://www.uscg.mil/psc/epm/AO/NonRate.asp>. A pdf file which contains this format can be accessed and saved to your desktop, is located at <http://www.uscg.mil/psc/epm/docs/A-School-Request.pdf>. Please review the format for the correct information before submitting requests. Email is the preferred method.

**YN Distance Learning:** The published YNA distance learning waiting list can be viewed at [http://www.uscg.mil/psc/epm/docs/YNA\\_DISTANCE\\_COURSE\\_LIST.pdf](http://www.uscg.mil/psc/epm/docs/YNA_DISTANCE_COURSE_LIST.pdf). When submitting a YN "A" school request please state whether the member would also want to be placed on this list as well. Applicants must be in pay grade E-3 or above, meet YN ASVAB requirements, must be fit for full duty, and available for worldwide assignment. More information and the list of 29 units involved can be found at <http://www.uscg.mil/psc/epm/AO/YNEast.asp>.

**Aviation "A" School Reminder:** All members interested in aviation rates should note that the Airman Program begins 4 months prior to the actual class convening date.

**Notice to Commands:** As per the Personnel Manual, non-rated members are not permitted to contact the Assignment Officers to include Non-rate AO and "A" School AO. If a non-rate has a question or concern they are advised to go through their chain of command. If their command cannot answer the question or concern, then the command may contact the Assignment Officer directly. In most cases, questions and concerns can be addressed at the PO1/CPO level.

**Security Clearances** (see your unit security officer for details): The following schools require an SF-86 (security clearance package) be mailed to SECCEN prior to attending "A" School: AET, AMT, AST, ET, GM, IT, ME, OS, & PA. On each application, the command must certify that this package was mailed to SECCEN. This statement must accompany each application: *"This command certifies that mbr is a U.S. citizen and NACL security package mailed to SECCEN on (date)".* If we do not receive this statement, mbr will be added to the list...but will be placed on SEC hold until the command can certify that the package was mailed SECCEN.

**IS "A" School:** Applicants must complete the following security clearance requirements:

1. Schedule an SCI interview with the CG Headquarters Special Security Officer (SSO) at (202) 372-2748. Ops permitting, interviews will be held on Fridays from 0800-1400 EST.
2. If SCI interview results are favorable, submit a request for placement on the IS "A" School Waiting List. Ensure the following statement is included: *"This command certifies that member is a U.S. Citizen. SCI pre-nomination interview conducted on (date.)"* Upon receipt of application, member will be placed on the "A" school Waiting List, however in a Security (SEC) hold status.

When expected wait time for member to attend IS Class "A" School is between 6-8 months, member will be notified by PSC (epm-2) for Active Duty and PSC (rpm) for Reserve to ensure a Single Scope Background Investigation (SSBI) is submitted to the CG Security Center (SECCEN). Upon confirmation that a SSBI is underway by SECCEN, the (SEC) hold will be removed.

**Normal Color Vision:** The following ratings require normal color vision: AET, AMT, AST, BM, EM, ET, GM, HS, IS, IT, ME, MK and OS. On each application, the command must certify that the mbr has been medically screened. This statement must accompany each application: *"This command certifies that mbr has been medically screened on (date) and has normal color perception".* If we do not receive this statement, mbr will be added to the list...but will be placed on MED hold until the command can certify the candidate's vision.

**Normal Hearing:** The following ratings require normal hearing: AST, IS and OS. On each application, the command must certify that the mbr has been medically screened. This statement must accompany each application: *"This command certifies that mbr has been medically screened on (date) and has normal hearing".* If we do not receive this statement, mbr will be added to the list...but will be placed on MED hold until the command can certify the candidate's hearing.

**Citizenship:** Just a reminder that AET, AMT, AST, ET, GM, IS, IT, ME, OS and PA schools require all members to be U.S. Citizens. Make sure that you note this on all your applications for these schools. Also, you cannot have dual citizenship.

**Obligated service:** The following is a listing of obligated service requirements. This period of obligated service will commence on the date of graduation from "A" School. Applicant's not having the necessary active duty obligated service requirement for "A" School remaining on their present contract, must reenlist or sign an Agreement to Extend Enlistment to cover the required period prior to departing their unit for school. Members disenrolled from Class "A" School at their own request, for lack of application, or for misconduct will be required to fulfill their full-obligated service requirement. Personnel disenrolled for academic, humanitarian, or for the good of the Coast Guard may, upon the approval of EPM-1 have their obligated service requirement rescinded or reduced to cover the period of schooling received.

### UPCOMING CLASS "A" SCHOOL CONVENINGS

"A" School orders are issued approximately ten weeks prior to class convening via direct access airport terminal. If the command does not have access to DA, the unit should contact their SPO for the member's orders. Listed below are the next three class convenings for which orders have not been issued. Be aware that changes to the schedule can and do occur. If your name is still on one of the school lists, then you did not receive orders. However, if your name appears near the top of the waiting list, be ready to receive orders at anytime because of possible cancellations. Every attempt is made to fill all quotas up to one week prior to class convening. Member's who are placed on lists with a projected wait time of less than 6 months are eligible to receive orders at any time. Commands are reminded to contact one of the A school assignment officers if there are any questions or concerns regarding this.
