

Military Discounts

15 February 2011

Here are 199 stores and services doing their part to make life easier by offering discounts to active, reserve, and retired members of the US Military and their immediate family members. Two important caveats for this list. First, some stores offer discounts only at the owner's discretion and other discounts vary by state. Second, many stores that give a military discount don't advertise it. It is always worth asking a store whether they have one or not and to have your military ID on you.
