5. The Board shall refer to the provisions of Sections 5.A and 14.A of reference (b) and the enclosed Commandant's Guidance to PY12 Officer Selection Boards and Panels in your development of criteria for determining the officers recommended for selection. At the end of your deliberations, all members must be able to say that the officer recommended for promotion is, in the opinion of at least a majority of the members if the board has five members, or in the opinion of at least two-thirds of the members if the board has more than five members, the best-qualified to carry out the duties and responsibilities of the grade for which they are selected.

7. The Board shall submit a report in writing signed by all members of the Board. Except for the report of this Board, the proceedings of the Board shall not be disclosed to any person not a member of the Board. You will direct the members of the Board that their recommendation shall be kept confidential until the Secretary approves the report on behalf of the President, and the name of the officer selected for promotion is released to the Service at large.
