The information in this brochure is provided by the USVI's government entities that manage these affairs. A high incidence of non-compliance by non-military members is causing unrest with local law enforcement; therefore, **compliance with these procedures is mandatory.**

Picking up your POV

1. Once you arrive on the island, contact the Vehicle Processing Center (VPC) at 787-792-1233 or 800-388-5013 and ask for your booking number.
2. **Contact O'Neale's Trucking & Trailer Transport at 340-778-1111 to advise of your arrival, provide contact information, and check vehicle status.**
3. Once vehicle has arrived, go to O'Neale's office with your ID, driver's license, booking number (provided by VPC), and pick up your Ocean Bill Of Lading (OBL).
4. Go to the Motor Vehicles Bureau (MVB). Active duty military are exempt from paying the road tax; proof of active duty status is required. Provide a copy of your orders, ID card, driver's license, vehicle registration, title (or lien-holder's letter provided to you by your bank), and the OBL. You must provide proof of **local** insurance; the only other acceptable insurance according to MVB is USAA.
5. Once you have been cleared at MVB, you will be provided with a permit to move the vehicle to an inspection station. After the vehicle has passed inspection, return to MVB Window #1 to complete the process.
6. You will receive a USVI title, registration, and license plates for your vehicle (see note on back of this brochure). The cost is between \$70.00 and \$90.00, depending on the type of vehicle you are shipping. Questions may be directed to the Internal Revenue Bureau (IRB) agent located at MVB at 340-713-4268.

Shipping your POV

1. Contact the Vehicle Processing Center (VPC) at 787-792-1233 or 800-388-5013, who will then coordinate vehicle shipment with O'Neale's Trucking & Trailer Transport on the island of ST. Croix.
2. Go to the LT Governor's office on Wednesday prior to the week you desire to ship your vehicle to get a UCC Clearance (address provided on back of this brochure). To get this document, you need to bring the vehicle registration and \$25.00 (no waivers) with you. You will receive it the same day.
3. Take the UCC Clearance, vehicle registration, your driver's license, and title to the Motor Vehicles Bureau (MVB) along with \$10.00 (no-waiver) to obtain an MVB clearance. You will receive This clearance the same day. Provide these documents to the ocean carrier for export (shipping).

NOTE: Vehicles are to be turned in to O'Neale's on Monday in order to ship that week. This means you must begin the clearance process on Wednesday of the previous week; failure to do so will delay you from shipping your vehicle that week.
