

Table of Contents

Chapter 1 Introduction

1.1 Purpose and Scope	1-2
1.2 Reviews and Revisions	1-2
1.3 Applicable Regulations	1-2
1.4 Responsibilities	1-3
1.5 Using the CEU Supplements	1-7

Chapter 2 Setting Up Storage Areas for Hazardous Materials

2.1 Storage Lockers	2-1
2.2 Storage Rooms and Buildings	2-3
2.3 Storage Racks	2-4
2.4 Storage for Compressed Gases	2-6

Chapter 3 Managing Hazardous Materials

3.1 Identify and Inventory Unwanted and Unserviceable HM	3-1
3.2 Obtaining and Cataloging Material Safety Data Sheets	3-2
3.3 Determining Hazardous Material Compatibility	3-2
3.4 Maintaining and Extending Shelf-life	3-14
3.5 Selecting HM Storage Units	3-18
3.6 Stocking a HM Storage Location	3-18
3.7 Maintaining and Tracking Inventory	3-19
3.8 Forms and Instructions	3-20

Chapter 4 Setting Up Waste Accumulation Areas

4.1 Hazardous Waste Accumulation Areas	4-1
4.2 Satellite Accumulation Points	4-3
4.3 Accumulating Other Wastes	4-5

Chapter 5 Managing Waste

5.1 Types of Waste	5-1
5.2 Selecting and Preparing a Container	5-6
5.3 Labeling the Container	5-8
5.4 Adding Waste to the Container	5-11
5.5 Shipboard Waste	5-12

Chapter 6 Turning In Hazardous Materials and Waste

6.1 The Hazardous Material and Hazardous Waste Turn-in Process	6-1
6.2 Turning In Hazardous Material	6-3
6.3 Turning In Hazardous Waste	6-6
6.4 Turning In Universal Waste	6-7
6.5 Turning In Recyclables and Non-Hazardous Waste	6-9
6.6 Turning In Empty Containers	6-9
6.7 Forms and Instructions	6-10

Chapter 7 Training, Inspections, and Recordkeeping

7.1 Required Training	7-1
7.2 RCRA Hazardous Waste Management Training	7-2
7.3 Hazardous Material Training	7-3
7.4 Training Records	7-4
7.5 Inspections	7-4
7.6 Recordkeeping	7-5
7.7 Reporting	7-6
7.8 Forms and Instructions	7-6

Chapter 8
Spill Response Procedures

8.1 Response Equipment	8-1
8.2 Hazardous Waste Generator Spill Contingency Plan	8-2
8.3 Initial Spill-Response Procedures	8-4
8.4 Forms and Instructions	8-5

Chapter 9
Glossary

9-1

Chapter 10
Acronyms

10-1

The United States Coast Guard (USCG) is committed to providing the manpower, equipment, facilities, and materials required by this Hazardous Waste Management Manual (HWMM) for storing and managing hazardous material (HM) and hazardous waste (HW) within the USCG.

By signature, I certify that I have reviewed and authorize the use of this Hazardous Waste Management Manual.

Commandant United States Coast Guard
