**Special Payments**  
 If you are authorized a Special Payment, monies will be received off-line. The reason for this Special Payment should appear as an **Entitlement** on the next View Paycheck and LES (i.e. BAH).  
 To account for these monies, a **deduction** for the amount of the Special Payment will also appear on the View Paycheck and LES.  
 This **balances** your account – the correct item paid and the Special Payment accounted for at the same time.

**Service Dates**  
 The Active Duty Base Date, Expected Loss Date and Expected Active Duty Termination Date are shown on the [Self-Service > Employee > View > Member Info](#) page. The Pay Entry Base Date is not currently displayed in Direct Access Self Service.

- Pay Base Date – this determines your longevity for pay.
- AD Base Date – this determines when you are eligible for an Active Duty retirement. For Reserve Personnel: This field might be set to 00 00 00, or contain an invalid date since a Reservist can enter/depart AD frequently. Use your Reserve Points Statement to determine eligibility for retirement upon obtaining 20 Satisfactory years of service.
- Exp Ad Term Date – this shows your current Active Duty contract expiration date.
- Exp Loss Date – this shows the date all contracts expire.
