

PROFESSIONAL & PERSONAL DEVELOPMENT DURING COVID-19

Catch up on Mandated Training

You can find "All Hands Mandated Training" on the Training and Education page located on [CG Portal](#). It can be accessed off the USCG network from any computer that has a CAC reader.

Learn Something New

Visit [USCG Skillport](#) to find free IT, engineering, writing, business and productivity courses, videos, audiobooks, and other content via computer, tablet, or mobile device.

Enhance Leadership Skills

Enhance your leadership skills through USCG and DHS Leader Development Programs. Programs available through the [Learning Management System](#).

Read a Book

The USCG has a Professional Development Reading List. This list plus other free books, music, language classes and more are available to members and military dependents through the [Navy Overdrive Program](#).

Get Acquisitions Training

[FAI](#) offers many virtual training opportunities that can help acquisitions professionals with certification requirements remotely, including Contracting Officer Representative (COR) training.

Watch How-To Videos

#CGHowTo [YouTube](#) channel is the go-to place for "field-sourced" how-to videos. It is an additional resource to learn new things while teleworking.

Sign up for Webinars

Microsoft offers Microsoft Office Webinars and the [Office 365 Champion Skill Track](#) for users who seek new and more efficient ways to tackle their everyday tasks.

Watch OPM Webinars

The [Office of Personnel Management](#) sponsors numerous webinars such as Navigating USA Jobs, Writing a Federal Resume, and Interviewing.

STAY INFORMED DURING CORONAVIRUS (COVID-19):
