Get advice

- Contact your Personal Financial Manager or Command Financial Specialist through [CG Work-Life](#)
- Get a Financial Coach from [CG SUPRT](#)

Delay payments

- Ask your credit card companies, lenders and mortgage company for a payment plan, skip-a-payment and waived late fees.
- See if your utilities, phone and internet provider is offering temporary relief due to COVID-19.

Seek benefits

- The federal government is allowing states to change their laws to provide unemployment insurance benefits related to the COVID-19. Contact your state's unemployment insurance program.

Pay taxes later

- The federal income tax filing deadline has been pushed back to July 15.
- This extension does not apply to state and local tax returns. Find out the tax filing due dates in your state.

Get a loan

- [Coast Guard Mutual Assistance](#) is offering zero percent interest loans and grants for COVID-19 specific assistance, as are many other military-friendly organizations.
- Keep in mind that taking on too much debt can lead to missed payments, fees and penalties, and a lower credit score.
