CONSENT ORDER APPROVING SETTLEMENT AGREEMENT

On April 16, 2024, the parties in this case submitted a Motion for Approval of Settlement Agreement and Entry of Consent Order to be approved as a settlement of the case under 33 C.F.R. § 20.502. In a Notice to the Parties Regarding the Motion for Approval of the Settlement Agreement issued on June 18, 2024, I informed the parties of inconsistencies found in the Settlement Agreement during my review. In that notice I proposed amendments to the Settlement Agreement in order to achieve consistency throughout the agreement. The Coast Guard replied to the notice and provided that the outright suspension in paragraph 2 of the agreement should read four months.

Therefore, in light of Coast Guard's communication and desired amendment to the Settlement Agreement I find it is fair and reasonable and in substantial compliance with the requirements of 33 C.F.R. § 20.502. Thus, the approval of the Settlement Agreement and incorporation by reference in this order amends the agreement to reflect:

1. The mitigated sanction in Paragraph 2 is amended to 4 months outright suspension followed by 12 months' probation.
2. The table in Paragraph 6 is amended to:

If Respondent...	then the Respondent's Credentials and Endorsements will be
Fails to satisfactorily complete the conditions of 3.a through 3.j.	Suspended outright for 12 months.
Satisfactorily completes the conditions of 3.a through 3.i.	Suspended outright for 4 months.
When suspension starts violates the conditions of Probation identified in 2.a.	Suspended outright for an additional 6 months.

If either party objects to this amendment of the Settlement Agreement they have **10 days** from the date of issuance of this order to file an opposition to the approval and consent of the Settlement Agreement as amended.

ORDER

Upon consideration of the record, it is hereby **ORDERED**, the Settlement Agreement is **APPROVED** in full and incorporated herein by reference, but not before 10 days after the date of issuance of this order. This Consent Order shall constitute full, final, and complete adjudication of this proceeding.

SO ORDERED.
