CONSENT ORDER APPROVING SETTLEMENT AGREEMENT

On September 3, 2025, the Coast Guard filed a Complaint against Skyler Earl Tommila (Respondent) seeking revocation of his Merchant Mariner Credential. On September 11, 2025, the Coast Guard filed a Motion for Approval of Settlement Agreement and Entry of Consent Order, containing the Settlement Agreement to be approved as a settlement of this case under 33 C.F.R. § 20.502.¹

As evidenced by their respective signature, the parties assert that settlement is in the public interest and appropriate based on Respondent's cooperation and good faith efforts towards remediation. The parties also agree the entry of a Consent Order approving this settlement without further litigation is the proper means of resolution in this matter. Accordingly, the parties have expressly waived their right to a hearing and appeal in this matter and I have not conducted a hearing on the merits of this case. I have carefully reviewed the terms of the Settlement Agreement and find that it is fair, reasonable, and in substantial compliance with the requirements of 33 C.F.R. § 20.502.

¹ I note that the Motion for Approval of Settlement Agreement and Entry of Consent Order is dated as September 3, 2025. The Settlement Agreement shows that it was signed by the Coast Guard on September 3, 2025, and signed by Respondent on September 9, 2025, but the documents were not filed with the ALJ Docketing Center until September 11, 2025. Also, the Certificate of Service for Settlement Agreement was not filed with the ALJ Docketing Center until September 16, 2025, days after the Motion and Settlement Agreement were filed. I find the difference in the dates to be a delay in filing and does not affect my granting of the Coast Guard's motion and approval of the Settlement Agreement.

ORDER

IT IS HEREBY ORDERED, the Motion for Approval of Settlement Agreement and Entry of Consent Order is **GRANTED**, and the Settlement Agreement is **APPROVED** in full and incorporated herein by reference. This Consent Order shall constitute full, final, and complete adjudication of this proceeding.
