CONSENT ORDER APPROVING SETTLEMENT AGREEMENT

On June 11, 2024, the parties in this case submitted a Motion for Approval of Settlement Agreement and Entry of Consent Order to be approved as a settlement of the case under 33 C.F.R. § 20.502.

I have carefully reviewed the terms of the Settlement Agreement and find it is fair and reasonable and in substantial compliance with the requirements of 33 C.F.R. § 20.502. However, I note that the table in paragraph 6 states simply that Respondent’s MMC will be returned upon successful completion. Under long-standing policy, the Respondent’s MMC is considered suspended for the period of deposit. To correct this issue, this order amends the first row of the table contained in paragraph 6 of the agreement to reflect:

If Respondent...	then Respondent’s MMC will be
successfully completes these conditions to the satisfaction of the U.S. Coast Guard,	suspended outright for the period of deposit.

If either party objects to this amendment of the Settlement Agreement they have **10 days** from the date of issuance of this order to file an opposition to the approval and consent of the Settlement Agreement as amended.

ORDER

Upon consideration of the record, it is hereby **ORDERED**, the Settlement Agreement is **APPROVED** in full and incorporated herein by reference, but not before 10 days after the date of issuance of this order. This Consent Order shall constitute full, final, and complete adjudication of this proceeding.

SO ORDERED.
