

THE COMMANDANT OF THE UNITED STATES COAST GUARD  
Washington, DC 20593

## U.S. COAST GUARD AUXILIARY POLICY STATEMENT

The U.S. Coast Guard Auxiliary is the uniformed volunteer component of our Service. The Coast Guard's guiding principles of SERVICE TO NATION, DUTY TO PEOPLE and COMMITMENT TO EXCELLENCE are only achievable through the combined efforts of all Coast Guard forces. The Coast Guard Auxiliary is a valuable, dedicated and indispensable part of the Coast Guard team.

Established by Congress on June 23, 1939, as the Volunteer Reserve, the Auxiliary conducted many of the Coast Guard's domestic missions while the Active Duty and Reserve components were forward deployed during World War II. The Auxiliary has continued its great service to our Nation ever since.

The spirit of volunteerism and patriotism that called the first Auxiliarists to duty continues today in the more than 30,000 professional men and women who faithfully execute assigned Auxiliary missions throughout our Nation, its territories, and in foreign countries where U.S. engagement is enhanced by Auxiliary services. Upon enrollment, Auxiliarists pledge to support the Coast Guard Auxiliary and to faithfully execute assigned duties, and to abide by the governing policies established by the Commandant. They are a crucial force multiplier for the Coast Guard's sustained mission excellence.

Auxiliarists enthusiastically provide experience, talent, and platforms for a wide range of activities, including, Maritime Safety Outreach, Search and Rescue, Safety and Security Patrols, Disaster Response, Pollution Response and recruiting. These activities enable the Coast Guard to successfully execute all its mission, and they do it without compensation!

The Auxiliary missions are:

- To promote and improve Recreational Boating Safety;
- To provide a diverse array of specialized skills, trained crews, and capable facilities to augment the Coast Guard and enhance safety and security of our ports, waterways and coastal regions;
- To support Coast Guard operational, administrative and logistical requirements.

I charge all Commanders, Commanding Officers and Officers in Charge to continually strive to include the Auxiliary in mission execution and support so that we can maximize sustained excellence across all mission areas.
