

UNITED STATES COAST GUARD VOLUNTARY RE-ACCESSION ATTESTATION FORM

PRIVACY ACT STATEMENT

Authority: Executive Order 14184, applicable DHS and USCG policies.

Purpose: To document the sworn attestation of former members voluntarily seeking re-accession into the United States Coast Guard.

Routine Use: Used by the Coast Guard to determine eligibility for re-accession under the voluntary return to service policy.

Disclosure: Voluntary; however, failure to provide requested information may result in ineligibility for re-accession.

SECTION I – STATEMENT OF ATTESTATION

I, _____, do hereby affirm and attest that my separation from the United States Coast Guard was voluntary and was based solely on my decision to separate or allow my service contract to lapse rather than comply with the COVID-19 vaccine mandate. I understand that my re-accession under this policy is conditional upon my ability to meet all current retention standards. I further acknowledge that:

1. My return to service does not automatically entitle me to backpay, bonuses, or other compensation beyond standard pay and allowances upon reinstatement. I have the right to apply to the Board for Correction of Military Records if I believe that information in my military record is erroneous or unjust.
2. My reinstatement will be at my last rank and pay grade held at the time of separation.
3. My re-accession requires a minimum four-year service commitment (two years if within two years of retirement at re-accession).
4. I must complete all required administrative and medical screening procedures before my application for re-accession is approved.

I certify that all statements made on this document are true, complete, and correct to the best of my knowledge and belief. I understand that false statements may be grounds for disqualification from re-accession, or for separation if discovered after accession.
