Oral Argument Scheduled at the Court of Appeals for the Armed Forces

Date & Time of Argument	Case Name	Granted Issue(s)
January 13, 2021 at 0930 Court of Appeals for the Armed Forces 450 E Street, NW Washington, DC 20442-0001	<i>United States v. Justin Steen</i>	MRE 404(b) protects the accused's right to a fair trial by excluding prejudicial propensity evidence. The military judge erroneously admitted propensity evidence and instructed the members to consider evidence for an improper purpose. Did this error prejudice appellant?
