

Foreign Transcripts

Members who hold a foreign transcript can request an independent evaluation of their completed courses. The evaluation will transcribe courses into standard academic courses for use in the United States. Colleges determine if they will accept the credits, how many credits they will accept, and if they will accept credits from a specific agency. Members should contact their college first to find out what the college policy is before working with a credential agency. For forms and a fee schedule, members should conduct the agency.
