

Base Seattle T-GPS Request

For additional questions and concerns, please contact the TGPS Manger

E-mail or (206) 217-6674

NOTE: Personal/home email addresses are requested in the event of emergent or weather issues require after-hours notification.

If requesting a DOD course, additional personal information may be required and will be requested by separate email from the Transition Manager.

NOTE: Pre-separation Counseling and completion of DD Form 2648 is a prerequisite to requesting a Transition GPS seminar and shall be attached to your request. If you have not completed these prerequisites, your request will be rejected and returned with no action taken. To complete Pre-Separation Counseling, print form DD-2648 or DD-2648-1 (Reserves), log into LMS, and search the Course Catalog for "pre-separation counseling". Have your DD form in front of you while you complete the online training, and be prepared to send your signed form and your LMS transcript to the Transition Manager.
