

# The BudList

A place for one stop shopping and selling

Have furniture you would like to sell? Moving and you know you don't want to bring those old baby clothes that you will never need again? What are you going to do with them?

Why don't you put them on the BudList!

If you would like to submit items for resale please submit to [ombudasac@hotmail.com](mailto:ombudasac@hotmail.com) by the last Tuesday of each month. If you also have an "At Home" business that you would like to promote send me that information.

## Household Items

### 2 Antique White 3-in-1 Cribs

This includes two crib mattresses and two bed rails for converting the cribs to toddler beds, plus the manufacturer kits for immobilizing the dropside feature. They are Million Dollar Baby Annabelle 3-in-1 cribs in antique white. I don't have a picture because they are currently disassembled in our basement, but the link to the manufacturer's picture is:

Selling two matching cribs in very good condition for \$200. We would be willing to sell each one separately for \$150 apiece.
