General description of AOR: Auxiliary Station Green Bay's AOR encompasses all the navigable water on Green Bay south of a diagonal line between 044-55.7' N, 087-46.9' W and 044-47.1' N, 087-39.7' W. During the summer SAR season, Auxiliary Station Green Bay has primary SAR response status for their AOR, but defaults to neighboring units in heavy weather or during periods when they are not required to have a ready resource.
