NON-STANDARD DISTRIBUTION:

- b. Removed “Special” OER terminology. The word “Special” was used due to limited space on the OER form. Each occasion of report is now listed and OER’s are categorized as “Regular” and “Non-regular” on all OER forms in accordance with this policy.
- c. Comments with 4, 5, or 6 no longer require written support. This change will allow rating chains the flexibility to comment on significant performance factors during the marking period.
- d. All reported on officers must receive mid-period counseling, which will be documented on the OER form.
- e. All Inactive Duty Promotion List (IDPL) officers who are subject to a retention board must submit an OER.

6. ENVIRONMENTAL ASPECT AND IMPACT CONSIDERATIONS.

- a. The development of this Commandant Change Notice and the general policies contained within it have been thoroughly reviewed by the originating office in conjunction with the Office of Environmental Management, and are categorically excluded (CE) under current USCG CE # 33 from further environmental analysis, in accordance with Section 2.B.2. and Figure 2-1 of the National Environmental Policy Act Implementing Procedures and Policy for Considering Environmental Impacts, COMDTINST M16475.1 (series). Because this Commandant Change Notice contains guidance on, and provisions for, compliance with applicable environmental mandates, Coast Guard categorical exclusion #33 is appropriate.
- b. This Commandant Change Notice will not have any of the following: significant cumulative impacts on the human environment; substantial controversy or substantial change to existing environmental conditions; or inconsistencies with any Federal, State, or local laws or administrative determinations relating to the environment. All future specific actions resulting from the general policies in this Commandant Change Notice must be individually evaluated for compliance with the National Environmental Policy Act (NEPA), Council on Environmental Policy NEPA regulations at 40 CFR Parts 1500-1508, DHS and Coast Guard NEPA policy, and compliance with all other environmental mandates.

## **CHAPTER 1      PROCUREMENTS AND APPOINTMENTS**

---

### **1.A.      Appointing Regular Commissioned Officers**

#### **1.A.1.      General**

- a. Presidential Appointment. The President may appoint permanent commissioned regular Coast Guard officers in the grades of ensign and above according to their qualifications, experience, and length of service as service needs require from these categories:
    - (1) Coast Guard Academy graduates.
    - (2) Regular Coast Guard chief warrant officers and enlisted members.
    - (3) Coast Guard reserve members who have served at least two years on continuous active duty.
    - (4) Licensed United States Merchant Marine officers who have served two or more years aboard a United States vessel as a licensed officer.
  - b. Fitness to Perform. No member can serve as a commissioned officer until their mental, moral, physical, and professional fitness to perform the duties of a commissioned officer has been established under regulations the Secretary prescribes (14 U.S.C. § 211).
- 

#### **1.A.2      Statutory Authority to Appoint U.S. Coast Guard Academy Graduates**

The President may appoint as Coast Guard ensigns all cadets who have graduated from the Academy (14 U.S.C. § 185).

---

#### **1.A.3.      Statutory Authority to Appoint Temporary Officers**

##### **1.A.3.a.      Presidential Appointment**

The President may appoint Coast Guard chief warrant officers, enlisted members, and United States Merchant Marine licensed officers as temporary commissioned regular Coast Guard officers in a grade up to lieutenant according to their qualifications, experience, and length of service as service needs require.

##### **1.A.3.b.      Effect on Permanent Status**

Appointment under this Article does not change these temporary officers' permanent, probationary, or acting status; prejudice their promotion or appointment opportunities; or abridge their rights or benefits. A temporary officer may not lose any rightful pay and

allowances due to their permanent status when appointed.

**1.A.3.c. Vacating an Appointment**

A temporary commissioned officer may request to vacate their temporary appointment at any time, as needs of the service permit. Requests for reversion, along with command endorsement, should be submitted in memo format to Commander (CG PSC-OPM-1). If an officer's appointment is so vacated, they revert to their permanent status (14 U.S.C. § 214).

---

**1.A.4. Appointing Officer Candidate School Graduates**

**1.A.4.a. Qualifications for Appointment as Temporary Officers**

Chief warrant officers and enlisted members who meet the requirements of Article 1.B.5. of this Manual who are selected as candidates for a temporary regular commission and then successfully complete Officer Candidate School (OCS) may be appointed temporary regular commissioned officers. Chief warrant officers may be appointed to the grade of lieutenant (junior grade), and enlisted members may be appointed to the grade of ensign. Upon OCS graduation and original appointment as temporary regular commissioned officers, such officers incur a three-year active duty commissioned service obligation.

**1.A.4.b. Permanent Appointment**

(1) General. Enlisted members and chief warrant officers commissioned as temporary officers after OCS graduation perform duties and enjoy the privileges of regular commissioned officers. They serve in a probationary period of about four years to ensure a fair, accurate appraisal of their capabilities over two or more types of duty. Probation expires about the time they are considered for promotion to lieutenant, and selection under the "best qualified" system amply indicates their qualification for permanent status. Therefore, their dual status as enlisted or chief warrant officer OCS graduates and temporary officers terminates when they are integrated as permanent officers.

(2) Procedure.

(a) PSC Notification. Temporary regular lieutenants (junior grade) selected for promotion to the next higher grade will be contacted by Commander (CG PSC-OPM-1) as outlined in Article 1.A.8.c. of this Manual.

(b) Discharge of Temporary Officers. Temporary officers accepting permanent appointment shall be discharged from their permanent (chief warrant officer or enlisted) status as outlined in Article 3.A.11. of this Manual.

(c) Declining Permanent Appointment. Any temporary officer who declines a permanent appointment shall send a memo to Commander (CG PSC-OPM)

declining the appointment. The Commandant then makes one of the determinations listed below. To enable the Commandant to do so, it is extremely important to send a full, complete report containing a detailed explanation of the member's reason(s) for declining permanent status.

[1] The officer's temporary appointment shall be vacated. The officer will revert to their permanent (chief warrant officer or enlisted) status and be separated.

[2] The officer's temporary appointment shall be vacated. The officer will revert to their permanent (chief warrant officer or enlisted) status and remain on active duty.

[3] The officer remains on active duty in their temporary commissioned status.

---

### **1.A.5. Appointing Licensed U.S. Merchant Marine Officers**

Licensed U.S. Merchant Marine officers may be appointed to U.S. Coast Guard commissioned grades appropriate to their qualifications and experience. See reference (a), Coast Guard Recruiting Manual, COMDTINST M1100.2 (series), for general requirements, grade requirements, and application procedures.

---

### **1.A.6. Appointing the Coast Guard Band Director**

#### **1.A.6.a. Secretary of Homeland Security Designation**

Under the authority of 14 U.S.C. § 336, the Secretary designates the U.S. Coast Guard Band Director from among a pool of candidates who possess the necessary qualifications. Then, by and with the Senate's advice and consent, the President appoints that member to a regular Coast Guard commissioned grade.

#### **1.A.6.b. Initial Appointment**

The band director's initial appointment is to a commissioned grade not to exceed captain.

#### **1.A.6.c. Promotion to the Next Higher Grade**

A member designated and commissioned under this Article is not included on the active duty promotion list. The Commandant prescribes the regulations governing the band director's promotion; however, the grade of the director may not be higher than captain. (See Article 3.A.9. of this Manual.)

#### **1.A.6.d. General Requirements**

Each applicant must:

(1) Be a United States citizen.

- (2) Be of good moral character.
- (3) Meet the physical standards for commissioning listed in reference (b), Coast Guard Medical Manual, COMDTINST M6000.1 (series), Section 3-C.
- (4) Be a versatile musician.
- (5) Have six years of professional musical experience. Military or civilian musical experience may be combined with college-level musical education to meet this requirement.
- (6) Possess the leadership and professional qualities expected of a Coast Guard officer.
- (7) Be able to fulfill time in grade and commission requirements for retirement before mandatory retirement age.

**1.A.6.e. Application Procedures**

As service needs require, a board will be convened to consider applicants for appointment to the position of band director. Commander (CG PSC-OPM) will solicit applications through an ALCGPSC message and other publications deemed necessary to broaden the pool of qualified candidates. All applications received will be processed by Commander (CG PSC-OPM) to ensure each applicant has submitted all required information. The following completed forms and documents constitute the application file.

- (1) A letter of application using standard memo format that includes a comprehensive resume of personal, professional, and military history and experience, giving specific attention to musical education and experience.
- (2) Optional recommendation letters.
- (3) For enlisted members: commanding officer's endorsement, including the average proficiency, leadership, and conduct marks for the 12-month period ending 30 June 1983, the average factor marks after 30 June 1983, the latest set of factor marks awarded, and other Personnel Data Record (PDR) information of interest to the board.
- (4) Record of satisfactory service or discharge from other military service (if any).
- (5) Transcript of scholastic record.

**1.A.6.f. Selection Method**

- (1) On receiving the applications, Commander (CG PSC-OPM) convenes a selection panel to evaluate all qualified applicants. The panel shall consist of a captain as senior member, the incumbent band director, if available, and three additional officers (commanders or higher). To provide supplementary expertise, another service's band

director may replace one of the additional members. Except for the latter, all board members must be regular Coast Guard officers, with at least one recently or currently assigned to Commandant (CG-092). Commander (CG PSC-OPM) may name other appropriate panel members.

- (2) Convening at the Coast Guard Band location, the selection panel acts as follows:
- (a) Evaluates each applicant's professional qualifications, personal characteristics, and other pertinent data within the applicant's CG PSC Electronically Imaged-Personnel Data Record, EI-PDR, and application package to determine whether the applicant is fully qualified.
  - (b) Interviews each applicant to assess personal attributes that must necessarily complement technical qualifications for service as a commissioned Coast Guard officer. For this unique position, the selection panel should focus on the applicant's potential for leadership and management.
  - (c) Rates each applicant's performance in a 15-minute audition, during which they will conduct the Coast Guard Band in a program they prepare. Each applicant will have 30 minutes to rehearse.
  - (d) Evaluates each applicant's performance in rehearsing the band with unfamiliar music as designated by panel members with musical expertise.
  - (e) Nominates in order of preference those applicants considered qualified in all respects for appointment and fully capable of discharging the duties of the Coast Guard Band Director, noting in the record whether qualified and recommended for a commissioned grade, not to exceed captain, based on individual qualifications and experience.
- 

## **1.A.7. Appointing Physician Assistants**

### **1.A.7.a. General**

- (1) Physician Opportunities. To effectively attract and retain qualified physician assistants with education and skills comparable to those in the other uniformed services, the Coast Guard must offer our physician assistant's military rank, responsibility, advanced professional training, and career opportunities commensurate with other services.
- (2) Commissioning and Service Obligation. On completing the prescribed medical training, active duty members normally are commissioned as temporary regular officers in the grade of ensign. These officers incur an active duty obligation of three years of service for each year of training.
- (3) Training Requirement. On commissioning, all active duty physician assistants attend

the next available direct commission officer indoctrination course.

**1.A.7.b. Integration**

- (1) Selection for Integration. Officers selected for promotion by an active duty promotion list best-qualified promotion board will be offered integration under the provisions of Article 1.A.8. of this Manual.
  - (2) Certification Requirements. To maintain a high level of professional qualification, physician assistants must attain professional certification from the National Commission on Certification of Physician Assistants during their first two years of commissioned service. Articles 1.A.11. and 1.A.14. of reference (c), Military Separations, COMDTINST M1000.4 (series) contain provisions to vacate the appointments of temporary commissioned officers and separate regular officers who fail to attain or subsequently maintain this certification.
- 

**1.A.8. Integrating Reserve and Temporary Regular Officers**

**1.A.8.a. General**

- (1) General. When reserve officers, except Reserve Program Administrators, remain on active duty for an extended period to meet routine service needs, they lose identification as trained officers held in reserve for an emergency. Similarly, temporary regular officers, except chief warrant officers appointed as temporary lieutenants, hold a probationary commission for three years while retaining permanent status as enlisted members or warrant officers. Once an active duty promotion list (ADPL) best-qualified promotion board selects reserve and temporary regular officers, the service expects them to possess the potential and skills for long-term active service and they become eligible to integrate as permanent regular officers.
  - (a) Maximum Active Duty Service Upon Integration. Integrating to permanent regular officer status allows a member to remain on active duty for up to 30 years commissioned service (as opposed to 30 years active service) unless:
    - [1] They are twice non-selected by a future promotion board,
    - [2] They reach age 62 prior to completing 30 years commissioned service, or
    - [3] They are separated under some other provision of law.
  - (b) Eligibility to Revert. Once a temporary officer is integrated, they no longer hold a temporary commission and therefore lose the option to revert back to a previously held CWO or enlisted status.
- (2) Integration Policy. The integration policy for reserve officers and temporary regular

officers is as follows:

- (a) Integration Mandatory. Reserve and temporary regular officers appointed from OCS and direct commission reserve officers, who have been selected by a best-qualified ADPL promotion board, must integrate as permanent regular officers.
- (b) Integration Not Mandatory. Temporary regular officers who receive their commission either through the CWO to LT program, a Direct Commission Officer (DCO) program, or the Physician's Assistant (PA) program, have the option to integrate upon selection by a best-qualified ADPL promotion board in their temporary status. For temporary LTs who are permanent CWOs, this does not include selection by an ADPL CWO promotion board. If they do not accept integration, that option will not be available again until they are selected by their next best-qualified ADPL promotion board.
- (3) Notifying PSC of Disqualifying Actions. Notwithstanding any procedure outlined below, between the time the officer is selected by a best-qualified ADPL promotion board and the administration of the oath of office for permanent regular appointment, Commander (CG PSC-OPM) must be advised of any action that would disqualify an applicant for integration.

#### **1.A.8.b. Integration Requirements**

To qualify for integration, a reserve or temporary regular officer must meet these integration requirements. Normally, no waivers will be granted. The officer must:

- (1) Comply with the service's maximum allowable weight standards at the time of the administration of the oath of office for integration.
- (2) At the time of the administration of the oath of office for integration, not be subject of or party to a pending investigation which could result in adverse action against the officer, nor accused pending proceedings under the Uniform Code of Military Justice, nor the subject of a pending administrative board for possible separation.
- (3) Have completed two years' continuous active Coast Guard duty (as of 1 March following selection by the best-qualified promotion board) during the current active duty period.
- (4) Have been selected for promotion by any ADPL board under the best-qualified selection system.

#### **1.A.8.c. Integration Process**

- (1) Commander (CG PSC) Responsibility. Once a reserve or temporary regular officer has been selected by their first best-qualified ADPL selection board as discussed above:

- (a) Request for Appointment Authority. Correspondence requesting appointment authority and Senate confirmation of all officers eligible for permanent status as permanent regular officers will be initiated by Commander (CG PSC); and,
  - (b) Notification of Eligibility to Integrate. A general message will be released advising the officers of their eligibility to integrate. The message will stipulate that officers who are required to integrate but elect not to must notify Commander (CG PSC-OPM) of their intention and these officers should expect release from active commissioned service in accordance with Article 1.A.9. of this Manual.
  - (c) Records Review. After receiving appointment authority and Senate confirmation, Commander (CG PSC-OPM) will conduct an internal records review of materials received about the officers to confirm they have not disqualified themselves since selection for promotion. If record material casting doubt on an officer's qualifications for permanent status is received, Commander (CG PSC-OPM) will convene a special panel to evaluate the officer for continued service.
  - (d) Appointment Letter. Once the review is complete, an appointment letter will be mailed to eligible officers via their immediate chain of command. It will direct the command to administer the oath of office.
- (2) Commanding Officer Responsibility.
- (a) Confirm Eligibility. Before administering the oath of office, commanding officers shall confirm that the officer still meets the requirements of Articles 1.A.8.b.(1) and 1.A.8.b.(2) of this Manual.
  - (b) Actions upon Non-Integration of Officer. If an officer fails to meet the requirements above, or the command determines that the officer does not possess the qualities of a permanent regular officer, or the officer has elected not to integrate, the command will notify Commander (CG PSC-OPM) with an explanation. Further action will be guided by the provisions of Articles 1.A.9. or 1.A.14. of reference (c), Military Separations, COMDTINST M1000.4 (series), as applicable.

**1.A.8.d. Appointment Process**

Article 3.A.11. of this Manual outlines the procedures to appoint reserve and temporary regular officers selected for integration as permanent regular commissioned officers.

**1.A.8.e. Security Investigation**

If the officer has satisfactorily completed a National Agency Check during their current tour of active duty, one is not required for integration.

**1.A.9. Processing Officers Who Do Not Integrate**

	<b>Reserve Officers</b>	<b>Temporary Regular Officers</b>
Officers required to integrate who decline appointment as permanent regular officers	The service releases reserve officers from active duty effective the date their extended active duty agreement or other obligated service expires, as needs of the service allow. This includes officers who receive their appointment from OCS and direct commission reserve officers.	With the exception of officers who received their appointment from OCS, they remain on active duty in their temporary officer status unless separated or integrated at a later date. Officers who received an appointment from OCS are released from active duty six months after they receive notification to integrate.
Failure of selection for promotion on a best-qualified basis the first time	They may apply for an extension in accordance with Article 1.B.2.d. of this Manual which will make them eligible to be seen a second time by the best-qualified promotion board.	They are eligible to be seen a second time by a best-qualified promotion board.
Subject of, or a party to, a pending investigation, accused pending UCMJ proceedings, or the subject of a pending administrative board for possible separation	If they request, the service may grant these officers an administrative extension for up to one year while awaiting the outcome of the pending proceeding, unless previous contractual or obligated service so provides. After the pending action is final, unless otherwise separated, these officers may (EAD officers)/will (all others) (see Article 1.A.8.a. of this Manual) request to integrate if selected by their next best-qualified promotion board. In determining whether proceedings of pending actions are final, the service uses the controlling directives governing the proceeding (for example, reference (d), Manual for Courts-Martial (MCM), for UCMJ proceedings, reference (e), Coast Guard Investigations Manual, COMDTINST M5527.1 (series), for administrative investigations).	They retain their temporary commissioned status while awaiting the outcome of the pending proceeding. After the pending action is final, unless otherwise separated, they may integrate if selected by their next best-qualified promotion board. In determining whether proceedings of pending actions are final, the service uses the controlling directives governing the proceeding (for example, reference (d), Manual for Courts-Martial (MCM), for UCMJ proceedings, reference (e), Coast Guard Investigations Manual, COMDTINST M5527.1 (series) for administrative investigations).

	<b>Reserve Officers</b>	<b>Temporary Regular Officers</b>
Failure to meet weight standards	They may request an administrative extension until the end of the weight loss probationary period unless previous contractual or other obligated service so provides. Administrative procedures for failure to maintain weight standards are addressed in reference (f), Coast Guard Weight and Body Fat Standards Program Manual, COMDTINST M1020.8 (series).	They retain their temporary commissioned status until the end of their weight loss probationary period. Administrative procedures for failure to maintain weight standards are addressed in reference (f), Coast Guard Weight and Body Fat Standards Program Manual, COMDTINST M1020.8 (series).

**1.A.10. Recalling Retired Regular Officers**

**1.A.10.a. General**

If service needs require, the Commandant may recall a retired regular officer to active duty for a specified time in accordance with Articles 1.A.10.b. and 1.A.10.c. below.

**1.A.10.b. In War or National Emergency**

In time of war or national emergency, the Commandant may order any regular officer on the retired list to active duty pursuant to 14 U.S.C. § 331.

**1.A.10.c. Recall with Officer’s Consent**

- (1) Assignment of Retired Regular Officers. The service may assign any retired regular officer, with their consent, to duties they are able to perform pursuant to 14 U.S.C. § 332(a).
- (2) Maximum Allowance of Retired Regular Officers. The number of retired lieutenant commanders, commanders, or captains on active duty shall not exceed two percent of the authorized number of officers on active duty in each grade. This limit does not apply to retired officers in these grades recalled to serve as members of courts, boards, panels, surveys, or special projects for periods as long as one year pursuant to 14 U.S.C. § 332(b).
- (3) Retired Recall Application. The following application procedures will be followed:
  - (a) Letter Request. Officers desiring recall to active duty from retirement should apply by submitting a letter to Commander (CG PSC-OPM-1) via their current

commanding officer or directorate if on active duty, or directly to Commander (CG PSC-OPM-1) if already retired. The request will constitute consent to recall.

- (b) Letter Contents. The letter request should specify:
- [1] The duration of the recall agreement desired,
  - [2] The desired date recall should commence,
  - [3] Whether they are available for worldwide assignment. If not, indicate the specific assignment criteria desired (whether a specific unit, geographic area or job position number),
  - [4] Other useful information or a resume describing such things as qualifications and experience which may meet a service need, and
  - [5] Contact information including mailing address, e-mail address and daytime telephone number.
- (c) Commanding Officer Recommendation. If an officer is on active duty when they apply, the commanding officer's endorsement should provide a specific recommendation concerning how this officer's recall will meet a service need and why the recall is in the best interest of the service.
- (d) Promotion of Retired Officers. Retired officers recalled to active duty are not normally authorized for promotion to the next higher grade except as outlined in Article 3.A.8.a. of this Manual.
- (e) Physical Examination. An approved physical examination is required per reference (b), Coast Guard Medical Manual, COMDTINST M6000.1 (series), Article 3.A.7.g. prior to executing orders for recall to active duty.
- (f) Requests for Early Release from Retired Recall Status. The decision to be recalled to active duty is a serious one as it affects assignment actions which, if reversed, could cause hardship to other officers. Officers accepting recall to active duty incur obligated service for the period of the agreement and should expect to fulfill that service. A hardship arising after a recall agreement has begun which causes an officer to request early release from their agreement will be evaluated on their individual merit.
- (g) Performing Temporary Duty (TDY) in a Retired Recall Status. Personnel in a retired recall status shall not be sent to other commands TDY for longer than five business days without permission from Commander (CG PSC-OPM). The following exceptions apply:
- [1] TDY for training required for the current billet,

[2] TDY that is a normal aspect of the current billet (training teams, inspectors, etc.), and

[3] TDY related to the attendance of professional seminars.

## **1.A.11. Appointing or Re-appointing Regular Officers from the Temporary Disability Retired List**

### **1.A.11.a. General**

Permanent regular commissioned officers and chief warrant officers on the Temporary Disability Retired List (TDRL) subsequently found fit for duty shall be ordered to active duty as retired officers. As soon as possible, they shall be reappointed as commissioned officers or chief warrant officers, as appropriate, with an adjusted date of rank under Article 1.A.11.b. of this Manual pursuant to 10 U.S.C. § 1211.

### **1.A.11.b. Appointment**

Placement on the ADPL and Constructed Date of Rank are as follows:

- (1) Lieutenant (Junior Grade) or Above. Commissioned officers placed on the TDRL in the grade of lieutenant (junior grade) or above not previously selected to the next higher grade and later found fit for duty shall be re-appointed to the same grade they last held on active duty. These officers are assigned a new date of rank on the active duty promotion list (ADPL) which reflects a loss of one month's seniority in their original date of rank for each month served on the TDRL.
- (2) Ensigns. Commissioned officers placed on the TDRL in the grade of ensign not previously selected for lieutenant (junior grade) and subsequently found fit for duty shall be reappointed as ensigns. They will be assigned a new ADPL date of rank reflecting one month's loss of seniority in their original date of rank for each month served on the TDRL. A panel of officers shall consider promoting to lieutenant (junior grade) ensigns whose contemporaries have been considered on a fully-qualified basis for promotion. If that panel selects those ensigns for lieutenant (junior grade), their date of rank is the date they transfer from the TDRL; however, that date cannot be earlier than the date of rank which would have occurred had they remained on continuous active duty.
- (3) Chief Warrant Officers. Chief warrant officers placed on the TDRL not previously selected to the next higher grade and subsequently found fit for duty shall be reappointed to that same grade. They shall be assigned a new date of rank which reflects one month's loss of seniority in their original date of rank for each month they served on the TDRL.
- (4) Officers Selected for Promotion. Commissioned officers and chief warrant officers on a list of selectees for promotion to the next higher grade when placed on the TDRL

and whose promotion date has passed when they return to active duty shall be assigned a date of rank as of the date they return. If they return to active duty before their promotion date, they shall be re-appointed to that grade with the date of rank they last held on active duty and promoted on schedule.

- (5) Officers on the TDRL in a Higher Grade. Regular commissioned officers and chief warrant officers placed on the TDRL in a grade higher than the grade last held on active duty shall be re-appointed to the permanent grade they last held on active duty or, in the discretion of the Commandant, to the next higher permanent grade pursuant to 10 U.S.C. § 1211.
- (6) Temporary Officers. Regular temporary commissioned officers placed on the TDRL in a higher temporary grade shall be re-appointed to the permanent grade they last held on active duty or, in the discretion of the Commandant, to the next higher permanent grade. Re-appointment to the higher temporary grade last held on active duty will be based on needs of the service, as authorized by the President pursuant to 14 U.S.C. § 214.
- 

## **1.A.12. Security Investigations for Officers' Original Appointment**

### **1.A.12.a. Academy Cadets**

U.S. Coast Guard Academy cadets shall have a National Agency Check (NAC) completed by April 30 during the second class year.

### **1.A.12.b. Merchant Marine Officers**

Licensed U.S. Merchant Marine officers shall initiate an NAC before commissioning.

### **1.A.12.c. Officer Candidate School Graduates**

OCS graduates may be commissioned before a satisfactory NAC is complete. If the NAC is incomplete when the candidate graduates from OCS, they must sign the following Statement of Understanding before commissioning:

“I understand a National Agency Check will be conducted to determine my qualification for commissioning as a United States Coast Guard officer. I understand my commission may be revoked and I may be separated in accordance with 10 U.S.C. § 12681 or 14 U.S.C. § 281 if it is determined I am not eligible for a secret security clearance.”

---

## **1.B. Reserve Officers on Active Duty**

---

### **1.B.1. Initial Active Duty and Recall to Active Duty**

#### **1.B.1.a. Officer Candidate School Graduates**

Officer Candidate School (OCS) graduates appointed as ensigns in the Coast Guard Reserve serve an initial active duty period of three years.

#### **1.B.1.b. Direct Commission Officers**

Reserve officers who receive direct commissions for an active duty program serve an initial active duty period as agreed on in the active duty agreement.

#### **1.B.1.c. Recalling Reserve Officers to Extended Active Duty**

(1) Qualifications for Recall. With their consent and as its needs require, the service occasionally recalls to extended active duty inactive duty reserve officers who meet these qualifications:

- (a) They possess unique skills and abilities or professional qualifications in areas where there is a definite service need,
- (b) They are in grades up to lieutenant, and
- (c) They have fewer than 11 years total active service or if they have no previous active service, fewer than 11 years commissioned service as a reserve officer. Waivers for commissioned service length can be approved by Commander (CG PSC-OPM) on a case-by-case basis for officers needed to fill critical skill set vacancies (e.g., CG Aviators). EAD contract durations will be determined by Commander (CG PSC-OPM).

(2) Actions upon Approval of Recall. If the service approves a recall request, Commander (CG PSC-OPM-1) issues orders recalling the reserve officer to extended active duty for at least one to a maximum of five years. Commander (CG PSC-OPM) determines the length of the recall based on the service's and the officer's needs. When practical, the active duty will last long enough to involve the officer in at least one active duty promotion list (ADPL) selection board.

---

### **1.B.2. Retention on Extended Active Duty**

#### **1.B.2.a. General**

Reserve officers presently serving on initial active duty periods (i.e., OCS graduates serving as regular officers) or inactive duty reserve officers fulfilling an active duty agreement

may request new active duty agreements or extensions of their contracts. See Article 1.B.2.e. of this Manual.

#### **1.B.2.b. Authority**

To provide terms of active duty (other than for training) for reserves with their consent, 10 U.S.C. § 12311 authorizes the Secretary to enter into a written, renewable agreement with any reserve member to serve on active duty (other than for training) for at least one and at most five years. The Secretary has delegated this authority to the Commandant under 14 U.S.C. § 631 and Department of Homeland Security Delegation number 0170. In addition, the officer and Coast Guard jointly may agree to extend an active duty agreement written for less than five years for periods of up to 12 months.

#### **1.B.2.c. Orders Issuing Authority**

The authority to approve agreements for active duty periods under the conditions of this Article is delegated to Commander (CG PSC-OPM). This authority may not be further delegated. Commander (CG PSC-OPM-1) will furnish the agreement forms for each reserve officer selected for recall to or retention on active duty.

#### **1.B.2.d. Reserve Officer Retention Standards**

- (1) Extending Active Duty Agreements. Commander (CG PSC) may extend current active duty agreements or grant new ones so an officer has sufficient time to complete the requirements to integrate into the regular Coast Guard or satisfy service needs.
- (2) Successive Active Duty Agreements. In special cases if service needs require, the Commandant may allow reserve officers to continue under successive active duty agreements until they complete up to 11 years' total active service.
- (3) Duration of Extension of Active Duty Agreement. Commander (CG PSC) will not extend a contract for fewer than 12 months except in unusual circumstances or if the service urgently needs the officer's services. If reassigned to another unit, the officer normally must enter a new active duty agreement to cover a full-length tour at the new unit. Commander (CG PSC-OPM-1) may grant interim extensions while official action is pending on either integration into the regular Coast Guard or requests for new active duty agreements.
- (4) Extension of Active Duty Contract after Failed Selection for Promotion. Reserve officers who have once failed selection for promotion may request an extension on active duty. If granted, this extension terminates by the end of the promotion year when a second board will consider the officer for promotion.
- (5) Ineligible for Promotion or Retention on Active Duty. Reserve officers with fewer than 18 years active duty service who twice fail selection for promotion to a given

grade are ineligible for further promotion or retention on active duty. The service discharges or releases them from active duty at the end of the promotion year in which the second failure occurs or when they complete their current active duty agreement, whichever is earlier. The service considers these separations involuntary. Reserve officers with 18 or more years active duty service may remain on active duty until they complete 20 years of service. Extensions beyond 20 years active duty service may be considered based on needs of the service.

- (6) Terminations of Active Duty Contract. All extensions and agreements are subject to termination for changes in service requirements and other factors affecting the retention of reserve officers on active duty (10 U.S.C. § 12313).

#### **1.B.2.e. Submitting Applications to Remain on Active Duty**

Reserve officers serving initial active duty periods or fulfilling active duty agreements may apply to remain on active duty. Amplifying guidance will be released by Commander (CG PSC-OPM) via an ALCGPSC message.

#### **1.B.2.f. Selection**

- (1) Board Actions. Boards normally meet in January and July to recommend reserve officers for new active duty agreements or extensions of their current agreements. Special boards may be convened occasionally to meet service needs. The boards normally recommend officers they consider best-qualified for retention on active duty. As service needs dictate, boards may be convened on a fully-qualified basis or not at all. If no board is convened, Commander (CG PSC-OPM) will consider all extensions and requests for new agreements. When a board is convened to consider officers on a fully-qualified basis, the board shall apply the procedures delineated in Article 6.A.5. of this Manual, with the following exception: In developing the fully qualified standards, the records of officers who hold the same grade as the applicant shall be used. The board's focus should be on reviewing the records for retention of the officers in the current grade, not for promotion purposes.
- (2) Board Considerations. The board considers each officer for retention based on the officer's performance record, special qualifications, educational accomplishments, potential for future development as a regular officer, command endorsement, and service needs.
- (3) Release of Officers Not Selected for Retention. The service releases to inactive duty on their scheduled release date those officers whose agreements expire or whose requests for retention have not been approved.

#### **1.B.2.g. Active Duty Agreements**

- (1) Deadline for Submission of Active Duty Agreement. Officers selected for retention must return active duty agreements to Commander (CG PSC-OPM-1) within five

working days after receipt, unless Commander (CG PSC-OPM-1) specifically approved a delay of return.

- (2) Actions for Officers Not Desiring to Execute the Active Duty Agreement. Officers who do not desire to execute the agreement shall endorse the memo declining appointment per Article 1.A.4.b.2.(c) of this Manual to that effect and return it to Commander (CG PSC-OPM-1) within five working days of receipt. The officer will be RELAD no later than when their agreement expires.

### **1.B.2.h. Pay Entitlements on Involuntary Release from Active Duty**

Reserve officers involuntarily released from active duty may be entitled to separation pay under 10 U.S.C. § 1174 and/or a termination payment for the remaining part of an active duty contract under 10 U.S.C. § 12312. Reference (g), Coast Guard Pay Manual, COMDTINST M7220.29 (series), explains conditions and procedures on separation pay or pay on release without the member's consent before an active duty agreement expires.

## **1.B.3. Appointing Reserve Program Administrators (RPAs)**

### **1.B.3.a. General**

- (1) Authority. Under authority of 10 U.S.C. § 10211 and § 12501, the service assigns certain Coast Guard Reserve officers as Reserve Program Administrators (RPAs) to active duty to organize, administer, recruit, instruct, or train Coast Guard Reserve components.
- (2) Assignment of RPAs. RPAs are commissioned Coast Guard Reserve lieutenants (junior grade) or above assigned in such numbers, grades, and duty assignments in the Reserve Program at Coast Guard Headquarters and other places as the Commandant may determine as necessary to fulfill the Coast Guard Reserve mission.
- (3) Number of RPAs. An appropriate mix of RPAs and ADPL officers is assigned to reserve-funded billets as service needs require. Numbers and distribution in grade is contained in Article 3.A.6.a. of this Manual.

### **1.B.3.b. Assignment**

RPAs are specialists that serve on active duty in essential roles to manage the Coast Guard Reserve Program. They are primarily assigned to full-time support (FTS) positions at Headquarters, areas, districts, and sectors to support and effect reserve force readiness in accordance with 10 U.S.C. §10211 and § 12501. The primary focus is on preparation and administration of policies and regulations to effectively develop, train, instruct, and administer the reserve component. RPAs may be assigned outside their field of specialty to gain additional Coast Guard experience and as service need requires.

**1.B.3.c. Service Requirements**

To qualify for designation as a provisional RPA, an ADPL officer or Inactive Duty Promotion List (IDPL) officer in the grade of lieutenant (junior grade) or above must have no more than two years' commissioned service in the Coast Guard or Coast Guard reserve when the RPA designation board convenes. Lieutenants must have three or fewer years in grade when the board convenes.

**1.B.3.d. RPA Designation Board**

Boards to recommend officers for designation as permanent or provisional RPAs convene in accordance with Article 6.A. of this Manual and reference (h), Schedule of Active Duty Promotion List (ADPL) and Inactive Duty Promotion List (IDPL) Officer Personnel Boards and Panels, PSCNOTE 1401.5 (series). Commander (CG PSC-RPM-1) solicits applications and announces the convening and application deadlines by message. This board may also consider reinstatement of RPAs per Article 1.B.3.e. of this Manual.

**1.B.3.e. Applying for RPA Designation or Reinstatement**

Members desiring designation as a provisional RPA and members seeking reinstatement following a temporary separation under Article 1.F. of reference (c), Military Separation, COMDTINST M1000.4 (series), shall submit an e-Resume as follows:

- (1) E-Resume. Submit e-Resume to Commander (CG PSC-RPM-1) through the chain of command. Members seeking reinstatement must include the following statement: "I request reinstatement to RPA designation for (state reason). My temporary separation start date was \_\_\_\_\_."
- (2) Endorsement. Officers in the chain of command shall state definitely whether the applicant has the potential to serve as an RPA, unless they have no personal knowledge of the applicant's performance of duties, which they shall so state. The applicant shall not solicit or submit as enclosures letters from officers not in the chain of command.
- (3) Deadline. Submit all applications in accordance with reference (h), Schedule of Active Duty Promotion List (ADPL) and Inactive Duty Promotion List (IDPL) Officer Personnel Boards and Panels, PSCNOTE 1401.5 (series).

**1.B.3.f. Number Designated**

Each fiscal year, the board will designate a number of new provisional RPAs based upon the projected strength of the RPA Corps.

**1.B.3.g. Designation as Provisional RPA**

- (1) All officers are initially designated as provisional RPAs.

- (2) ADPL regular officers must resign their Coast Guard commission and accept a commission in the Coast Guard Reserve; they then transfer to the RPA promotion list and immediately begin serving as provisional RPAs on extended active duty.
- (3) The selectees are recalled to extended active duty within the promotion year (PY) for which they were selected.
- (4) Upon assignment as permanent RPA, Commander (CG PSC-OPM) shall assign the RPA competency to the member.
- (5) After selectees complete a two-year probationary extended active duty as provisional RPAs, the next RPA designation board considers them for designation as permanent status and removes the provisional designation.
- (6) Each officer designated as a provisional RPA shall initiate a National Agency Check immediately upon their selection.

**1.B.3.h.      **Withdrawing Designation****

At their discretion, the Commandant may withdraw the offered designation if the selectee has not accepted provisional RPA status within 60 days from the notification date.

**1.B.3.i.      **Removing RPA Designation****

Once an officer has been assigned an RPA or provisional RPA designation, the Commandant may remove it for any of these reasons and release an officer so serving to inactive duty:

- (1) A board of officers convened for that purpose so recommends and the Commandant approves.
- (2) The first board to consider the provisional RPA officer does not select them for designation as RPA.
- (3) On the RPA's request and approval by Commander (CG PSC-OPM).
- (4) On failure of selection for promotion on a fully qualified basis.
- (5) On termination of active duty.

**1.B.3.j.      **Promoting Provisional RPAs****

Provisional RPAs shall be selected for promotion and promoted in accordance with the regulations governing RPAs in Articles 3.A. and 6.A. of this Manual.

## **1.B.4. Reserve Program Administrator's Voluntary Transfer to ADPL**

### **1.B.4.a. General**

- (1) Requests for Transfer from RPA to ADPL. At their request and based on service needs, an RPA serving as commander, lieutenant commander, or lieutenant for a minimum of three years as an RPA may have their RPA designation removed and transfer to the ADPL. The RPA must submit this request to Commander (CG PSC-OPM-1) by 1 March of the promotion year before the officer's running mate is projected to enter an ADPL promotion zone.
- (2) Active Duty Agreement Requirement. Reserve officers who transfer to the ADPL execute an active duty agreement for up to five years to enable them to be considered for selection to the next higher grade.

### **1.B.4.b. Integration**

If an ADPL board selects a former RPA for commander or captain, that officer shall integrate. Those selected to lieutenant commander shall meet all requirements of Article 1.A.8. of this Manual to be eligible for integration.

### **1.B.4.c. Retirement or Release from Active Duty**

Refer to Article 1.C.7. of reference (c), Military Separations, COMDTINST M1000.4 (series), for the retirement or release from active duty of an RPA.

## **1.B.5. Officer Candidate School**

### **1.B.5.a. General**

- (1) General Information. Officer Candidate School (OCS) is a major source of newly commissioned Coast Guard officers. The service selects candidates based on a competitive system. Upon satisfactorily completing 17 weeks of training, graduates are appointed as commissioned Coast Guard ensigns or lieutenants (junior grade) under the provisions of Article 1.A.3. of this Manual or commissioned Coast Guard Reserve ensigns under this Article's provisions. Classes convene according to a schedule published by a general message.
- (2) Board Convening. At least twice annually Commanding Officer (CGRC) convenes boards to select reserve and temporary commission applicants to OCS. A general message announces application deadlines, cutoff dates for eligibility requirements, and any other information of concern to applicants.

**1.B.5.b. Eligibility Requirements**

- (1) Age. Applicants must be between 21 and 26 years of age before the actual class convening date published for each selection period except:

  - (c) Active Duty Members. Any member currently on active duty in an Armed Force, other than the Coast Guard, must include in the application file a statement from their service that it will discharge them if selected to attend OCS. This statement is not necessary if their enlistment expires before the convening date of the first class for which selections are made.
  - (d) Requirement for Temporary Regular Commissions. Applicants for temporary regular commissions must be on active duty in the Coast Guard.
  - (e) Ineligible Members. An applicant who has six or more years of previous active duty creditable service for retirement, other than in the Coast Guard or Coast

Aside from this exception, if otherwise eligible, they may apply for reserve commissions.
  - (b) E-5 and Above. Enlisted members E-5 and above who meet the time in service requirement specified in Article 1.B.5.b.(9) below may be appointed temporary officers only in the grade of ensign. They must have served at least two years of their active duty in the Coast Guard. They may not use active duty for training to fulfill this requirement.
- (10) Dependents. Applicants not on active duty in the Coast Guard may have a maximum of three dependents.
- (11) Flight Training. Applicants are not pre-selected for flight training, but may apply at OCS. They take the Aviation Selection Test and a flight physical examination during the OCS application process to determine their qualifications for flight training, but the board does not consider such information in the OCS selection process. Applicants considering flight training should be aware they must meet the requirements published in reference (j), Performance, Training and Education Manual, COMDTINST M1500.10 (series), including the age requirements. Applicants are not assigned to an earlier OCS class solely to enable them to meet flight training age requirements.

**1.B.5.c. Applications**

### **1.B.8. Interviewing Procedures for Officer Recruiting Programs**

#### **1.B.8.a. General**

OCS and the various direct commission programs are important sources of Coast Guard officers. Various selection boards evaluate applicants' qualifications to determine those best qualified for a particular program. To do so properly, they must have adequate information. An important source is the interview, often the only significant personal contact with the applicant reported by a Coast Guard official. As such, the interview provides important subjective input on the applicant's poise, leadership potential, ability to communicate, motivation for service in the Coast Guard, etc. On the basis of this subjective report and other, more objective measures, the Coast Guard selects candidates. The accuracy of the selection process directly reflects the quality and uniformity of interviews. Consequently, effective interviewing procedures and careful attention to completing the Officer Programs Applicant Assessment, Form CG-5527, are extremely important to both the Coast Guard and the applicant. Article 1.B.9. of this Manual contains guidelines for interviewing for officer programs.

**1.B.8.b. Requirements****(1) Composition of Interview Boards.**

- (a) Commanding officers shall convene interview boards at places within their jurisdiction. Boards shall consist of three officers, except when necessary to interview an applicant at a location geographically remote from a larger Coast Guard facility. In such cases, a two-member board is authorized.
- (b) The board's senior member shall be a lieutenant commander or above. Other members should have the rank of ensign or higher with more than one year of Coast Guard service. Interview board members for chief warrant officer applicants shall be lieutenant commanders or higher. All members must be equal or senior to the grade for which they are considering the applicant.
- (c) Interview boards should be composed with applicant and program in mind. Thus, when interviewing for OCS, the board should contain, if practical, an OCS graduate; for a direct commission program, a specialist in the same field; for a reserve commission, at least one reserve officer. A board interviewing female or minority applicants should contain, if practical, a female or respective minority member. A board considering licensed officers in the Merchant Marine or Maritime Academy graduates should include, if practical, one officer with merchant marine safety experience.
- (d) When practical, two board members should be regular Coast Guard officers. When a two-member board is authorized one must be a regular officer.
- (e) Since an unbiased, independent contribution is essential, officers in direct personal or professional contact with the applicant may not be members of that individual's interview board. Coast Guard members' immediate supervisors and commanding officers may not be board members because they provide input through the commanding officer's endorsement.

**(2) Interview Board Report.** The interview board completes an Officer Programs Applicant Assessment, Form CG-5527, for each applicant. Board members should prepare this form jointly, with all board members reaching a consensus. Do not show applicants the completed forms from the interview. Submit these sheets with the cover sheet, signed by the senior board member, to the recruiter or educational services officer and provide this information:

- (a) The name of the program,
- (b) The applicant's name,
- (c) The names and duty stations of the interview board members, and

- (d) Date or dates when members interviewed the applicant.
- (3) Applicant Recommendation. The interview board must state the applicant's suitability for commissioning in the program(s) in question in the first sentence of the "Overall Impression of Candidate" box of the Applicant Assessment form in this wording: "(applicant name) is recommended for (program name)," or "(applicant name) is NOT recommended for (program name)," for example: "Mary Jones is recommended for Officer Candidate School;" or "Ralph Jones is NOT recommended for the Direct Commission Aviation program." In addition, include applicable comments in the "Overall Impression of the Candidate" box.
- (4) Other Evaluation. The local recruiter or other persons who process an applicant often are a valuable source of information. When they have sufficient personal contact with an applicant to provide an accurate evaluation, they should complete an Officer Programs Applicant Assessment, Form CG-5527, and attach it to the board report, marking it clearly with the words, "NOT A MEMBER OF THE INTERVIEW BOARD." This supplements the usual interview board requirement; the recruiter should use it only when fully satisfied the appraisal is complete and accurate.

## **1.B.9. Officer Programs Interviewing Guidelines**

### **1.B.9.a. The Objective**

The interview's primary purpose is to evaluate the applicant as a prospective Coast Guard officer. In many cases, the report of interview is the most valuable portion of an application and a determining factor in selections for officer programs. The primary object interviewers must keep in mind is their written evaluation usually is the only evidence of the applicant's personal attributes and thus plays a very important part in the selection process. Therefore, it is essential during the interview for interviewers to obtain adequate information and accurately transpose it on the Officer Programs Applicant Assessment, Form CG-5527. It also is necessary to attain some degree of uniformity in the report of interview since officers of very different backgrounds and experience and varying interviewing proficiency conduct the interviews. An interview board could consist of a captain with marine inspection experience, a Coast Guard Academy lieutenant, and a recent OCS graduate. Their common bond, of course, is all are Coast Guard officers. Consider separately any specialty, such as aviation, although if the board can determine information about that specialty, it certainly is valuable.

### **1.B.9.b. The Interview**

- (1) Environment. The formality of the three officer board may cause the applicant some uneasiness or stress. Their response to that situation is a valuable part of the interview. However, interviewers will be able to get a more accurate view of the applicant's true personality if a "threatening" environment does not exist. Create an environment which will permit the applicant to relax, so they will communicate freely.

- (2) Conversation Flow. Avoid the question and answer approach. Applicants tend to give what they think is the expected answer to a question. Try to conduct the interview as a free-flowing conversation. The member with the most interviewing expertise or experience should direct the interview with a minimum of comments and questions, as appropriate, from the others.
- (3) Chronology. Follow a predetermined interview plan. A chronological sequence, like the one below, is recommended but can be modified as necessary to conform to program requirements and the individual applicant. Included in each section are examples of questions that tend to draw the desired response from the applicant. Do not use the list of questions as a script.
- (a) Introduction. Explain the primary purpose of the interview is to develop some knowledge of the applicant's interest and ideas. Briefly explain the intended sequence, so the applicant understands the major portion of the interview will obtain those facts, ideas, qualifications, and experiences not available in the other application materials submitted. Explain you intend to reserve time at the end to answer any questions.
- (b) Personal Life and Home Environment. Review this aspect of the applicant's life, discussing parental guidance and childhood, to provide insight into present and future situations.
- [1] What are your recreational and leisure-time interests?
  - [2] Do you now belong to any social, civic, or professional clubs and associations?
  - [3] Do you hold office in any of these?
  - [4] If you had more time, in what activities would you like to participate?
  - [5] In general, how would you describe yourself?
  - [6] What do you believe are your outstanding qualities?
  - [7] What do you believe are some of your shortcomings?
  - [8] In which areas would you like to develop yourself?
  - [9] What traits or qualities do you most admire in your immediate supervisor?
  - [10] What has contributed to your career success up to now?
  - [11] What disappointments, setbacks, or failures have you had in your life?

[12] What kinds of situations or circumstances make you feel tense or nervous?

[13] What were some of the major problems or decisions you have had to make up to now?

[14] If you had to do it all over again, what changes would you make in your life and career?

(c) High School. Attempt to determine what the applicant did, and why, during these formative years.

[1] In what types of extra-curricular activities did you participate?

[2] How did you spend your summers while in high school?

[3] Did you hold any class or club offices?

(d) College or Other Advanced Study. Try to find out the reasons the applicant chose a certain major, how they spent extra time, reasons for good or bad grades, and how college experience has contributed to their overall life experience.

[1] Why did you choose the particular college you attended?

[2] What determined your choice of major?

[3] How would you describe your academic achievement?

[4] How did you decide to become [insert career: an accountant, a sales representative, etc.]?

[5] How did you spend your summers while in college? Did you hold any class or club offices?

[6] Have you had any additional training or education since graduating from college?

[7] How do you think college contributed to your development?

(e) Employment. The other portions of the application provide only minimal information about work experience. The interview is the only opportunity to find out why the applicant took a certain job, reasons they quit, and attitudes toward the job, employer, and company.

[1] Can you describe your present responsibilities and duties?

[2] What were some things you particularly enjoyed when you worked for

[insert employer name]?

[3] What did you enjoy less?

[4] Looking back at the time spent with [insert employer name], what do you think you have gained from your association?

[5] What were your reasons for leaving [insert employer name]? How would you describe your [present/past] supervisor?

[6] What were some of the problems you encountered on your job and how did you solve them?

[7] In what way has your present job prepared you for greater responsibilities?

[8] As you see it, what would be some advantages to you if you joined the Coast Guard?

[9] What disadvantages might there be?

(f) Military Experience. This portion may be the most difficult for some applicants, particularly those who are presently in the Coast Guard or who have extensive prior service because this type of person knows the “system” and it is difficult to distinguish one from another. Interview reports of in-service applicants tend to summarize applicants’ assignments and experience, be favorable, and lack information valuable in evaluating the individual. What is desired is a look at why they entered and left their service, why they were able to make rate in such a short time or why it took them so long, why they feel they received their evaluation marks; attitudes about the service, supervisors, and subordinates; ideas on drug and alcohol problems, racial attitudes, etc.; and how past military experience can serve them in the future.

[1] Can you describe your present responsibilities and duties?

[2] In the past, for what things have your supervisors complimented you?

[3] What did you and your superior disagree about?

[4] How has your present job prepared you for greater responsibilities?

(g) Present Situation and Future Ambitions and Goals. What in the applicant’s present situation needs changing and how can they accomplish it in this program? Does the applicant have a plan to achieve a certain goal? If so, what are the reasons for their objectives, and are they realistic? Do not downgrade an applicant only because they are unsure of their future goals. Many can contribute a great deal to the service during one tour of duty. On the other hand, one who

claims to desire a Coast Guard career may say so because they think it is a desired response. Interviewers should not ask, “Do you want to make a career of the Coast Guard?”

- [1] In what way does a job with the Coast Guard meet your career goals and objectives?
- [2] If you joined the Coast Guard, where do you think you could make your best contribution?
- [3] What are your long-term goals and objectives?
- [4] In considering joining the Coast Guard, what are some of the factors you took into account?
- [5] What aspects of a job are important to you?
- [6] What would you want in your next job you are not getting now?
- [7] Are there any additional aspects of your qualifications we have not covered which would be relevant to the position we are discussing?

(4) Pointers. Ask if the applicant has questions or if anything else needs to be added. This is particularly important for civilian applicants to avoid any later misconceptions. Emphasize the Coast Guard’s military posture. While maintaining a favorable image, answer questions honestly and avoid any possibility the applicant might believe selection is assured, assignment will be to a desired area or type of work, etc. Remember applicants sometimes hear only what they want to hear and sometimes are unintentionally misled. Don’t get trapped into being interviewed by the applicant; make them do the talking.

- (a) Don’t ask antagonizing questions.
- (b) Don’t ask questions with one-word or -phrase answers.
- (c) Don’t ask questions that have “right” answers.
- (d) Don’t jump to conclusions on the basis of initial impressions or inadequate information.
- (e) Don’t accept a partial response to a question.
- (f) Don’t go off on a tangent. Stay with your intended interview plan.
- (g) Don’t concentrate on shortcomings.

- (5) Conclusion. After the interview, the board members are to complete an Officer Programs Applicant Assessment, Form CG-5527, in accordance with Article 1.B.8. of this Manual.

## **1.D. Appointment as Warrant Officer**

---

### **1.D.1. General**

#### **1.D.1.a. Definition**

Chief warrant officers (CWOs) are commissioned officers of the Coast Guard who serve in grades established by law and have authority commensurate with this status. CWOs are mature individuals with appropriate education and specialty experience who have shown through demonstrated initiative and past performance they have the potential to assume positions of greater responsibility requiring broader conceptual, management, and leadership skills. While administrative and technical specialty expertise is required in many assignments, CWOs must be capable of performing in a wide variety of assignments that require strong leadership skills. Enlisted and officer experience provide these officers a unique perspective in meeting the Coast Guard's roles and missions.

#### **1.D.1.b. Billet Structure**

Warrant officer billets are issued in the normal budgetary process and are independent of commissioned officer billets. All warrant officer billets are at the W-4 level.

---

### **1.D.2. Eligibility Requirements for Appointment to Warrant Grade**

#### **1.D.2.a. Minimum Eligibility Requirements**

Each applicant for appointment to warrant grade is responsible for completing the eligibility requirements by 1 January of the year in which the chief warrant officer (CWO) Appointment Board (the board) convenes. Reference (h), Schedule of Active Duty Promotion List (ADPL) and Inactive Duty Promotion List (IDPL) Officer Personnel Boards and Panels, PSCNOTE 1401.5 (series), announces the board's convening date.

- (1) Citizenship. Must be a citizen of the United States.
- (2) Clearance. Applicants are no longer required to have a National Agency Check (NAC) completed within five years of the 1 January deadline. However, applicants should review the requirements of reference (k), Personnel Security and Suitability Program, COMDTINST M5520.12 (series), and be prepared in the event an updated background investigation is needed for the initial CWO assignment.
- (3) Service Status. Must be a member of the Coast Guard or Coast Guard Reserve, serving on active duty or an extended active duty contract, with at least four years of service in either component as of 30 June following the 1 January deadline.
- (4) Minimum Active Service. Must have at least eight years total active service in the Armed Forces of the United States. Credit for active duty time will be computed to 30 June following the 1 January deadline. Members returning to active duty under

the Care of Newborn Child or Temporary Separation Policy will be credited for TIS earned prior to separation. Rules for computing active duty separation are contained in Article 1.E. of reference (c), Military Separations, COMDTINST M1000.4 (series). Rules for computing active duty time in service (TIS) are contained in Article 1.D.5. of this Manual.

- (5) Maximum Active Service. Must have no more than 26 years of active service on 1 June of the promotion year.
- (6) Pay Grade. Must be serving in pay grade E-6 or above. Those currently serving as temporary officers are not eligible to apply for appointment to warrant grade. Former temporary officers who were authorized to revert to their permanent enlisted status under Article 1.A.11. of reference (c), Military Separations, COMDTINST M1000.4 (series) provisions must request a waiver to apply for appointment to warrant grade. Waiver requests must be submitted via the chain of command to arrive at Commander (CG PSC-OPM) by 1 September preceding the board. Temporary officers who reverted in accordance with Article 1.A.12.e.(4) of reference (c), Military Separations, COMDTINST M1000.4 (series) do not need a waiver. Additionally, personnel who have previously served as a warrant officer who were authorized to revert to their former enlisted status under the provisions of Article 3.B.6 of this Manual or 1.A.20. of reference (c), Military Separations, COMDTINST M1000.4 (series) are not considered to have the qualities necessary for reappointment to warrant grade and are not eligible to apply.
- (7) E-6. Enlisted members serving in pay grade E-6 must have displayed their technical ability by placing in the top 50 percent on the eligibility list for advancement to E-7 as a result of the Servicewide Examination (SWE) administered in May prior to the 1 January deadline. The following examples apply.
  - (a) If the E-7 advancement eligibility list has 100 members, those at positions one through 50 are eligible to compete for appointment to warrant grade.
  - (b) If the E-7 advancement eligibility list has 101 members, those at positions one through 51 are eligible to compete for appointment to warrant grade.
  - (c) Members removed from published advancement eligibility lists, (e.g., retirements), shall not be used as justification to improve the percentile calculation.
- (8) E-7 and Above. Members serving in pay grade E-7, E-8, or E-9 are considered to have already displayed technical ability in their specialty.
- (9) High Year Tenure. Members who are subject to separation under the High Year Tenure Program are not eligible to apply if their mandatory separation date will occur prior to the effective date of the CWO Appointment Board final eligibility list. Members on a HYT waiver are not eligible to compete.

- (10) Approved Retirement. Members with an approved retirement are not eligible to apply. Members whose request for retirement is approved after being recommended shall be removed from the preboard or final eligibility list as applicable. Commanding officers shall notify Commander (CG PSC-OPM-1) by memorandum so the names of such applicants can be removed from the applicable list.
- (11) Disciplinary. Must have no court-martial, civil conviction, or nonjudicial punishment and have no unsatisfactory mark in conduct for the three years immediately prior to the 1 January deadline and for the entire period from 1 January to appointment. Commanding officers shall submit a memorandum to Commander (CG PSC-OPM-1) to remove from the warrant officer appointment eligibility lists (preboard or final) any member who has received a court-martial or civil conviction, nonjudicial punishment, or unsatisfactory mark in conduct at any time prior to being appointed to warrant grade.
- (12) Previously Declined Appointment. See Article 1.D.10. of this Manual for information about members who previously declined appointment to warrant grade or voluntarily elected to be removed from an eligibility list.
- (13) Requirements Specific to Boatswain and Naval Engineering Specialties. Applicants for the boatswain or naval engineering specialties must have completed at least one year of sea duty as defined by Article 3.A.15. of reference (i), Enlisted Accessions, Evaluations, and Advancements, COMDTINST M1000.2 (series), in pay grade E-6 or above by the 1 January deadline. Surfmen (CXNSJ, CXNSK or CXNSM) who have completed 12 months as a certified surfman in a designated surfman billet, E-6 or above, are considered to have permanently met the sea duty requirement for appointment to warrant. This requirement will not be waived except for members who are presently serving at sea or who are under orders to sea duty and will meet the sea duty requirement by 30 June following the board's convening date. Commanding officers have authority to grant waivers in these cases. Sea Duty waiver requests must be submitted via the chain of command to arrive at Commander (CG PSC-OPM-1) prior to the 1 January deadline. In computing sea duty time, 30 days equal one full month. After totaling all creditable sea duty periods, a remainder of fewer than 30 days shall be dropped.
- (14) Normal Color Perception/Hearing. In addition to the above eligibility requirements, each applicant for appointment to the AVI, BOSN, ELC, INV, MED, WEPS, ENG, ISM, MLES, and OSS warrant specialties must possess normal color perception. Applicants for the INV specialty must also possess normal hearing.
- (15) Commanding Officer's Recommendation. The final eligibility step in the warrant officer appointment process is obtaining the commanding officer's recommendation. After meeting all of the eligibility requirements, members must submit an e-Resume with the command endorsement completed in the e-interview.

In the “job endorsement” page under the “recommendation” drop-down menu, commanding officers should choose “make offer” to positively endorse a candidate’s application to the CWO appointment process. The endorsement in the comment block of the e-Resume should only state “eligible and recommended”. Only commanding officers or officers designated by the commanding officer are authorized to submit the final endorsement. If the commanding officer is not able to endorse the e-Resume during the specified timeframe, a command representative should contact Commander (CG PSC-OPM-1). Members should follow their commanding officer's policy for requesting this recommendation, scheduling a personal interview with the commanding officer, providing documentation attesting to the completion of the minimum eligibility requirements, addressing the suitability issues specified in Article 1.D.3.b.(2), of this Manual, etc. Members must submit their e-Resumes in time to obtain the commanding officer's e-interview recommendation by the deadline set via general message traffic by Commander (CG PSC-OPM-1). Commanding officers are no longer required to submit a letter to their SPO listing those recommended.

- (16) Waivers. Except as noted in Articles 1.D.2.a.6. and 1.D.2.a.12. of this Manual, waivers of eligibility requirements will not normally be granted.
- 

### **1.D.3. Recommendation Procedures**

#### **1.D.3.a. Content of Recommendation**

The commanding officer’s well-considered, affirmative recommendation is the most important eligibility requirement in the warrant officer appointment process. Regardless of how much time in service or time in grade a member may have or the existence of other personal considerations, they must earn the commanding officer’s recommendation. Commanding officers shall base recommendations for appointment to warrant grade first on the member’s qualities of leadership, personal integrity, and potential to perform successfully as a warrant officer. Commanding officers must never permit technical competence and ability to perform in a warrant specialty to overshadow the member's potential to perform successfully as a warrant officer. Appointment as a warrant officer is not another step in the enlisted promotion process and shall not reward enlisted members for faithful or extended service or completion of minimum service requirements. Meeting the minimum standards for advancement as an enlisted member should not be enough to earn members the commanding officer’s recommendation to apply for appointment to warrant grade. A commanding officer shall not recommend a member whose personal conduct or associations constitute reasonable grounds for rejection on the basis of loyalty.

#### **1.D.3.b. Considerations Prior to Recommendation**

In view of Article 1.D.3.a. of this Manual, commanding officers may recommend members for appointment to warrant grade if they meet all the eligibility requirements of Article 1.D.2. of this Manual. In addition to these minimum eligibility requirements,

commanding officers shall consider these factors before recommending a member for appointment to warrant grade:

- (1) Commanding Officer's Recommendation. Commanding officers shall recommend personnel for appointment to warrant grade only if they are fully qualified to hold warrant grade. By making this recommendation, the commanding officer affirms the member recommended can perform the duties of the specialty as defined in Article 1.D.13. of this Manual. Commanding officers shall thoroughly evaluate members seeking their recommendation for appointment to warrant grade to ensure they possess the qualities of character and leadership required of warrant officers. Perfunctory personnel administration in this area may allow poor performers and military offenders to be appointed, which reflects poorly on the command and the service.
- (2) Commanding Officer's Responsibility. The recommendation process used by the commanding officer assists the service in affirming the candidate's mental, moral, physical, and professional qualifications for appointment to commissioned status. Commanding officers shall review the applicant's unit personnel data record prior to making the recommendation. In addition to affirming that the member recommended meets all minimum eligibility requirements as well as the particular requirements for the chief warrant officer specialty defined in Article 1.D.13. of this Manual, the following suitability issues shall be carefully evaluated prior to making a recommendation to allow the member to compete:
  - (a) demonstrations of character inconsistent with Coast Guard core values,
  - (b) substance and/or alcohol abuse,
  - (c) misconduct (civil and military),
  - (d) domestic violence,
  - (e) financial irresponsibility, and
  - (f) sexual harassment or discrimination.

### **1.D.3.c. Coast Guard Personnel Service Center Determination**

If it is determined that certain individuals do not possess the officer-like qualities necessary to serve successfully as a chief warrant officer after being recommended by their commanding officer, Commander (CG PSC-C) may remove their names from competition.

MST	Marine Safety Specialist Deck (MSSD)
MU	Bandmaster (BNDM)
OS	Operations Systems Specialist (OSS)

**1.D.4.b. Exceptions to the Normal Path of Appointment**

- (1) Requirements for Competing for Appointment to a Warrant Specialty Not in the Normal Path of Appointment. Members who desire consideration for appointment to a warrant specialty not in their normal path of appointment are required to complete the following:
  - (a) Resident Training Courses. Must complete all Coast Guard Institute nonresident training courses up through E-6 for a rating in the desired path.
  - (b) Eligibility Requirements for Advancement. Must meet the eligibility requirements in Article 3.A.6. of reference (i), Enlisted Accessions, Evaluations,

and Promotions, COMDTINST M1000.2 (series), for advancement to E-7 in the enlisted rating consistent with the requirement of Article 1.D.2. of this Manual.

- (c) Participation in the SWE. Must demonstrate competence by participating in an E-7 SWE consistent with such nonresident training courses required above. Scoring in the top 50 percent of all E-7 candidates on the appropriate SWE's professional knowledge sections for the desired path is considered adequate demonstration.
  - (d) Written Request. Interested applicants shall submit a written request to Commander (CG PSC-OPM-1) via official channels for authority to participate in the applicable E-7 SWE to be administered during May of the year preceding the 1 January deadline. Such requests shall be submitted in time to arrive at Commander (CG PSC-OPM-1) no later than 1 February of the year the E-7 SWE is desired.
- (2) Change in Rating. Instructions contained in this Article do not constitute authority to change an enlisted rating. Participation in E-7 SWEs as specified in this Article is solely to qualify for appointment to warrant grade.
  - (3) Not Selected for Appointment. Unsuccessful applicants must re compete annually in the appropriate E-7 SWE examination.
  - (4) Competing in Normal Specialty. Members authorized to apply for a warrant specialty outside their normal appointment path cannot compete for their normal specialty.
- 

## **1.D.5. Credit for Time in Grade (TIG) and Active Duty Time in Service (TIS)**

### **1.D.5.a. Computing TIG**

Use the following rules to compute TIG for time served in pay grades E-6, E-7, E-8, and E-9.

- (1) Calculation. Calculate time in grade in years and months to 1 July of the year of the board. Thirty days equal one full month. After totaling all creditable periods of TIG, drop a remainder of fewer than 30 days.
- (2) TIG Creditable. Credit TIG as served in pay grades E-6, E-7, E-8, and E-9 in the Coast Guard or Navy. All Navy service must be supported with a Certificate of Release or Discharge from Active Duty, Form DD-214.
- (3) TIG When Voluntarily Reduced in Grade. Reserve members on active duty who voluntarily accepted a reduction in grade to enlist or reenlist in the regular Coast Guard will not receive TIG held in the higher pay grade regardless of whether the

member subsequently advanced to the formerly held higher pay grade after enlisting or reenlisting in the regular Coast Guard.

- (4) TIG with Continuous Active Service. Previous Coast Guard or Navy TIG in the present or higher grade is creditable only if served under continuous active service conditions (within three months of separation).
- (5) TIG as a Temporary Officer. Credit time served as a prior temporary officer. Enlisted members who were reverted from a temporary officer status will be credited with TIG in their permanent enlisted grade of E-6 and above.
- (6) TIG While on the TDRL. Do not credit time on the TDRL when computing TIG.
- (7) TIG When Reduced in Grade for Disciplinary Reasons. Do not credit time served in a grade from which a member was reduced as a result of non-judicial punishment, court-martial, or incompetence.
- (8) TIG When Reduced in Grade for Change in Rate. Time served in a previous grade is creditable for those members who accepted a reduction in rate for the purpose of a change in rating.

#### **1.D.5.b. Computing TIS**

Use the following rules to compute TIS.

- (1) Calculation. After totaling all creditable periods of TIS, a remainder of fewer than 30 days shall be dropped.
  - (2) Creditable Active Duty. Active duty in any of the Armed Forces is creditable. A correct active duty base date is the basis for this computation.
  - (3) Time Served on the TDRL. Do not credit time served on the TDRL as active service.
  - (4) Terminal Eligibility Date. The terminal eligibility date is 1 July of the year of the board.
- 

### **1.D.6 Preboard Results**

#### **1.D.6.a. Personnel Data Extract (PDE)**

Personal Data Extracts (PDEs) are available through Employee Self Service via the Direct Access website. The PDE is a critical document which notifies all recommended applicants of their preboard scores and the factors used to compute these scores. The PDE confirms that an applicant has been included in the process and is either eligible or not eligible to compete for warrant grade. Non-receipt of a PDE may mean that an applicant's e-Resume was not submitted successfully in Direct Access and may result in

no preboard score computation for the affected applicant. Applicants who cannot view their PDE or whose PDE is incorrect in Direct Access bear the responsibility to notify their commanding officer and SPO immediately so corrective action can be expedited. Likewise, applicants whose PDE indicates they are not eligible for appointment to warrant grade due to insufficient TIS, TIG, sea duty, evaluation marks, etc. bear the responsibility to notify their commanding officer and SPO immediately. Those who do not take immediate action are at serious risk for favorable consideration of a future request for waiver. This exercise of personal responsibility, or lack thereof, further demonstrates the individual's officer-like qualities.

#### **1.D.6.b. Preboard Score**

The preboard score consists of an experience factor and an evaluation factor. The experience factor accounts for 40 percent of the preboard score and is calculated by crediting one point for each full month of active service as E-6 and two points for each full month as E-7, E-8, and E-9. Maximum credit for time as E-6 is 100 points. Total maximum credit for time as E-6 through E-9 is 175 points. The evaluation factor accounts for 60 percent of the preboard score and is computed by Direct Access based on the applicant's performance marks during the four-year period immediately prior to the 1 January deadline. Only E-6 marks will be used for those E-6 applicants with fewer than four years TIG.

#### **1.D.6.c. Preboard Eligibility List**

Based on the estimated number of warrant officer appointments required for the following year, Commander (CG PSC-OPM) will determine the number of candidates to be considered for appointment and establish minimum preboard scores for primary and alternate candidates in each specialty. Commander (CG PSC-OPM-1) will publish, by ALCGPSC message, usually in February, a preboard eligibility list containing the names of those applicants who qualify. The preboard eligibility list will not indicate whether applicants are primary or alternate candidates. Individual applicants must refer to their preboard score on their profile letter to determine their status. The preboard score is used only to determine primary and alternate candidates and is not furnished to the board. All primary candidates will be considered by the board. If primary candidates are removed from consideration prior to the convening of the board or are found not fully qualified by the board, they will be replaced by alternate candidates, in order of highest preboard score. Such alternate candidates are then considered primary candidates. Refer to Article 1.D.8. of this Manual.

---

### **1.D.7. Preparation and Distribution of Recommendation Files and Resume**

#### **1.D.7.a. Submission of Officer Evaluation Reports (OERs)**

Commanding officers shall submit the latest version of the Officer Evaluation Report (OER), Form CG-5310A, for all members of their command whose names appear on the preboard eligibility list. The OERs shall be submitted directly to Commander (CG PSC-

OPM) and shall be prepared using the instructions in Article 1.D.7.b. of this Manual. Do not use OER preparation instructions contained in Article 5.A. of this Manual. Each primary and alternate candidate shall submit a resume prepared in accordance with the instructions in Article 1.D.7.c. of this Manual. The submission deadline date for the OER and resume will be announced in the ALCGPSC message publishing the preboard eligibility list.

**1.D.7.b. Preparation of the OER**

Preparation and distribution of the Officer Evaluation Report (OER), Form CG-5310A.

- (1) Commanding Officer Responsibility. The candidate's current commanding officer must sign as supervisor and reporting officer. OERs completed by former commands, however recent, will not be accepted. The member's "current commanding officer" is determined by considering where the member is permanently attached when the preboard eligibility list is published. If the applicant is in an advanced education program, the program manager is the appropriate signatory. Commanding officers are encouraged to contact prior commands for OER input on recently assigned personnel. Commanding officers who desire to provide input on candidates whom they recommended for appointment to warrant grade for the current cycle, but who are no longer assigned to their command, are encouraged to contact the current commanding officer and may forward an Administrative Remarks, Form CG-3307, documenting the candidate's potential to serve successfully as a CWO. The Administrative Remarks, Form CG-3307, shall be submitted directly to Commander (CG PSC-BOPS-C-MR) for inclusion in the candidate's CG PSC Electronically Imaged-Personnel Data Record, EI-PDR.
- (2) Preparation of the Officer Evaluation Report (OER), Form CG-5310A. Prepare an original Officer Evaluation Report (OER), Form CG-5310A, in accordance with current policy announced via ALCGPSC.
- (3) Distribution of the Officer Evaluation Report (OER), Form CG-5310A. The original of the Officer Evaluation Report (OER), Form CG-5310A, will become part of the candidate's recommendation file which is forwarded directly to Commander (CG PSC-OPM-1). The copy will be retained in the unit file for one year.
- (4) Correction of the Officer Evaluation Report (OER), Form CG-5310A. Changes to the form will not be permitted after submission except when an administrative error in preparation has been made (i.e., typing). Requests for changes due to administrative errors will be made by letter to Commander (CG PSC-OPM-1) explaining the error, the desired correction, and the reason. If the request for correction falls within 15 days of the convening date for the board, the request should be made by message.

**1.D.7.c. Preparation of Candidate Resume**

All primary and alternate candidates whose names appear on the preboard eligibility list

shall submit a resume via the chain of command. The “to” line shall read, “President, CWO Appointment Board”. No enclosures to the resume (other than the OER) are permitted. The resume shall be submitted to "President, CWO Appointment Board", c/o Commander (CG PSC-OPM-1). The resume must be submitted in accordance with The Coast Guard Correspondence Manual, COMDTINST M5216.4 (series) using the memorandum letterhead in the following format:

- (1) Limited to a maximum of two pages, single-sided, single-spaced, 12 point text.
  - (2) Contain a historical summary of units, listing the primary and collateral duties assumed at each. List units in reverse chronological order (i.e., the most recent unit listed first).
  - (3) Contain a summary of major professional accomplishments including medals, awards and academic achievements.
  - (4) Contain a summary of reasons for desiring appointment to warrant grade.
  - (5) Commanding officers shall forward the resume without comment (signature endorsement only) and shall attach the completed OER as enclosure (1). No other enclosures are permitted.
- 

## **1.D.8. The Board Process**

### **1.D.8.a. Convening of Board**

At such times as the needs of the service require, Commander (CG PSC) shall convene a board to recommend eligible candidates for appointment to warrant grade.

### **1.D.8.b. Composition of the Board**

The board shall consist of at least five officers on the active duty promotion list who are serving in or above the grade of chief warrant officer (W-2).

### **1.D.8.c. Oath of Board Members**

Members of the board shall swear or affirm that they will, without prejudice or partiality and having in view both the special fitness of officers and the efficiency of the Coast Guard, perform the duties imposed upon them.

### **1.D.8.d. Information to be Furnished to the Board**

Commander (CG PSC) shall furnish the appointment board with:

- (1) A listing, by specialty, of all primary candidates for appointment to warrant grade.

- (2) The OER and resume of all eligible primary candidates. Refer to Article 1.D.7. of this Manual.
- (3) The CG PSC EI-PDR of all primary candidates.

**1.D.8.e. Method of Selection**

- (1) Board Responsibilities. The board must first determine, by specialty, if all primary candidates are fully qualified to become chief warrant officers based on the information furnished in Article 1.D.8.d. of this Manual and the professional judgment of the board members. After making this determination, the board must then rank order the primary candidates on a best-qualified basis.
- (2) Member Conduct. The board shall not recommend candidates for appointment whose personal conduct and associations are such that reasonable grounds exist for rejection on the basis of loyalty. Although a candidate may have been considered as meeting the minimum requirements, the board may find trends or patterns of conduct, indebtedness, performance, or behavior which it considers disqualifying and therefore may find the candidate not fully qualified for appointment.
- (3) Board Report. The board will submit a report of those recommended for appointment in each specialty to the Secretary of Homeland Security (the Secretary) for appointment authority.

**1.D.8.f. Submission of Reports**

- (1) The Board Report. The board report shall contain:
  - (a) A cover sheet.
  - (b) A listing of membership.
  - (c) A listing of the convening, meeting, and adjourning dates.
  - (d) A listing of the names of candidates recommended for appointment in each specialty.
  - (e) A definite recommendation for all candidates considered, either they are, or are not, qualified for appointment. The recommendation shall not include any restrictions or qualifications.
  - (f) If the board does not recommend a candidate for appointment, the reasons therefore shall be indicated in the board report.
  - (g) A certification that, in the opinion of at least a majority of the members if the board has five members, or in the opinion of at least two-thirds of the members if

the board has more than five members, the candidates recommended are the best qualified for appointment to warrant grade.

- (h) The signature of each member.
  - (i) A copy of the signed precept, appended.
- (2) Commandant Approval. The board shall submit its report to the Commandant for approval, modification, or disapproval. If the board has acted contrary to law or regulation, the Commandant shall return the report for proceedings, revisions, and resubmission.
- (3) Board Disclosure. The deliberations of the board shall not be disclosed to any person not a member of the board.
- 

## **1.D.9 The Postboard Process and Final Eligibility List**

### **1.D.9.a. Publication of Results**

After the Commandant has approved the report and the Secretary has granted appointment authority, the candidates concerned shall be promptly notified of the board results through publication of the final eligibility list by ALCGPSC message. Individual notification will not be made. All primary candidates found not fully qualified by the board will receive a letter from Commander (CG PSC-OPM-1) stating the reason(s) for the finding.

### **1.D.9.b. Method of Appointment**

The final eligibility list establishes the precedence of candidates in each specialty. Commander (CG PSC-OPM) shall establish cutoff points for each specialty based on the maximum number expected to be appointed during the next year to meet service needs. Those above the appointment cutoff whose performance continues to be satisfactory shall be appointed as vacancies occur.

### **1.D.9.c. Eligibility for Further Enlisted Advancement**

Candidates whose names appear at or above the cutoff for appointment to warrant grade or whose names appear below the cutoff but who are subsequently offered appointment to warrant grade are not eligible for advancement to E-7, E-8, or E-9. Recommendation of these members for advancement to E-7, E-8, or E-9 will be invalidated and their names will be removed automatically from established enlisted advancement eligibility lists 60 days after publication of the final eligibility list for appointment to warrant grade unless such members have notified Commander (CG PSC-OPM) and (CG PSC-EPM) of their intention to decline appointment to chief warrant officer.

**1.D.9.d. Separation Prior to Appointment**

The names of candidates who retire or are discharged from active duty prior to appointment will be removed from the final eligibility list. Candidates who subsequently reenlist in the regular Coast Guard in grade E-6 or above within three months after date of discharge and remain qualified in all other respects (See Article 1.D.2.a. of this Manual.), shall be considered in a continuous service status and their names shall be restored to the final eligibility list without loss of position. That position shall be at the top of the list if the candidate became eligible for appointment while not on active duty.

**1.D.9.e. Effective Date of the Final Eligibility List**

The final eligibility list will normally be effective from 1 June through 31 May of the year following the board. However, if service needs dictate, appointments from a specific warrant specialty list may be made prior to 1 June if all candidates from the previous list of the same specialty have been offered appointments. Candidates above the appointment cutoff remaining on an eligibility list at the time a new list is established will be carried over to the top of the new list. Candidates below the appointment cutoff will not be carried over to a new list and should plan to re compete in the next cycle.

---

**1.D.10. Removal from Eligibility Lists (Preboard or Final)**

**1.D.10.a. Procedure for Removal from the Preboard or Final Eligibility List**

(1) Removal from the Preboard Eligibility List. A candidate's name shall be removed from the chief warrant officer preboard eligibility list upon receipt of adverse information by a commanding officer within the candidate's chain of command or Commander (CG PSC-C). Adverse information is factual knowledge that casts doubt on a candidate's moral or professional qualifications for appointment as a chief warrant officer. When adverse information is received that casts doubt on a candidate's moral or professional qualifications for appointment as a chief warrant officer, a candidate's current commanding officer, any commanding officer in the candidate's chain of command, or Commander (CG PSC) has the authority to remove the candidate's name from the preboard eligibility list. Removal occurs by notifying Commander (CG PSC-OPM) to remove the candidate's name from the preboard eligibility list. The removal from the preboard eligibility list may be initiated via memo or message to Commander (CG PSC-OPM). Conviction by a court martial, conviction by a civil court, receipt of non-judicial punishment, or receipt of an unsatisfactory mark in conduct after a candidate has applied for a warrant officer appointment is normally considered adverse information that casts doubt on a candidate's moral or professional qualifications for appointment as a chief warrant officer. The notification to remove a candidate's name from the preboard eligibility list is a final administrative action predicated on the judgment of the removing authority that the information received casts doubt on the candidate's moral or professional qualifications for appointment as a chief warrant officer. There is no procedure for reinstatement on a preboard eligibility list. The candidate may submit a

new request for a chief warrant officer appointment in a subsequent year. The new request shall be submitted in accordance with the provisions of Article 1.D. of this Manual.

- (2) Removal from the Final Eligibility List. A candidate's name shall be removed from the final eligibility list upon receipt of adverse information by a commanding officer within the candidate's chain of command or Commander (CG PSC-C), which casts doubt on a candidate's moral or professional qualifications for appointment as a chief warrant officer. When adverse information is received that casts doubt on a candidate's moral or professional qualifications for appointment as a chief warrant officer, a candidate's current commanding officer, any commanding officer in the candidate's chain of command, or Commander (CG PSC) has the authority to remove the candidate's name from the final eligibility list by notifying Commander (CG PSC-OPM) to remove the candidate's name from the final eligibility list. The removal from the final eligibility list may be initiated via memo or message to Commander (CG PSC-OPM). Conviction by a court martial, conviction by a civil court, receipt of non-judicial punishment, or receipt of an unsatisfactory mark in conduct after the candidate has been recommended by the chief warrant officer appointment board is normally to be considered adverse information which casts doubt on the candidate's moral or professional qualifications for appointment as a chief warrant officer. The memo or message removing a candidate's name from the final eligibility list shall contain the following information:
- (a) Candidate's name.
  - (b) Length of service.
  - (c) Period of time candidate was observed.
  - (d) Reason for recommendation.
  - (e) Specific facts or circumstances relative to performance.
  - (f) Medical reports or opinions, if applicable.
  - (g) Nature of counseling and other steps taken to correct deficiencies.
  - (h) Candidate's response to counseling.
- (3) Initiating a Special Board. Upon receipt of the commanding officer's request to remove the candidate from the final eligibility list or when initiated by Commander (CG PSC-OPM), the candidate's name will be temporarily removed without conducting a special board. The candidate shall have an opportunity to review the recommendation and shall be permitted to make such comments as desired by endorsement to the commanding officer's request. If Commander (CG PSC-C) initiates this action, the candidate shall be advised in writing of the contemplated

actions and the reasons therefore and given the opportunity to provide comments as desired via the chain of command.

- (4) Special Board Review. After the candidate has been temporarily removed from the final eligibility list, the case shall be reviewed at the CG PSC by a special board of senior officers. The special board shall consist of at least three officers in the grade of commander or above. The membership shall include a representative from the Headquarters or Commander (CG PSC-OPM) division having cognizance of the candidate's specialty. After a thorough review of the candidate's EI-PDR and associated documents, the special board shall recommend to the Commandant either that the candidate be reinstated on the final eligibility list or that the candidate not be reinstated on the final eligibility list.
- (5) Reinstatement Authority. The recommendation of the special board to reinstate the candidate's name to the final eligibility list shall be forwarded to the Commandant (CG-1) for approval, modification, or disapproval. Commandant (CG-1) may determine that special circumstances exist which warrant final action be taken by the Commandant. In the event of such a determination by Commandant (CG-1), the recommendation of the special board shall be forwarded to the Commandant for action.
- (6) Candidate Notification. The candidate will be advised of the results of the special board action.
  - (a) If the Commandant approves the special board's recommendation to return the candidate's name to the list and that candidate would already have been appointed, the candidate will be tendered the next available appointment.
  - (b) If the Commandant approves the special board's recommendation to return the candidate's name to the list and the candidate would not yet have been appointed, the candidate's name will be returned to the original position on the list.
  - (c) If the candidate's name is not reinstated on the final eligibility list, the candidate may submit a new request for a chief warrant officer appointment in a subsequent year. The new request shall be submitted in accordance with the provisions of Article 1.D. of this Manual.

**1.D.10.b. Removal as Result of Personnel Security Investigation**

A candidate's name will be removed from an eligibility list if a personnel security investigation casts doubt on the candidate's moral or professional qualifications. Refer to reference (k), Personnel Security and Suitability Program, COMDTINST M5520.12 (series) for processing of investigations.

**1.D.10.c. Declining Appointment or Removal at Own Request**

- (1) Impact on Future Competition. Candidates who elect removal from the preboard eligibility list will be allowed to compete in the next warrant officer appointment process cycle if eligible.
- (2) Requesting Removal from the Final Eligibility List. Upon publication of the final eligibility list, candidates will be given two weeks from the date time group of the ALCGPSC message to request removal from the list with a two-year loss of eligibility. A candidate who declines an appointment to warrant grade, or elects removal from the final eligibility list after the two-week period has elapsed shall be required to wait five years from the anniversary date of that election before being eligible to recompute. At the time the candidate makes either of the above elections, Commander (CG PSC-OPM) and (CG PSC-EPM) shall be notified by expeditious means, and the following Administrative Remarks, Form CG-3307, entry documenting the election, shall be made in the candidate's EI-PDR:

DATE: "I have read and understand Article 1.D.10.c., Officer Accessions, Evaluations, and Promotions, COMDTINST M1000.3 (series). I voluntarily elect to be removed from the eligibility lists for appointment to warrant grade. I understand that I will not be eligible to apply for appointment to warrant grade for (two or five whichever is applicable) years from the anniversary date of this election. I understand that I will be eligible to reapply as a candidate for appointment to warrant grade on or about (date)."

- (3) Declining Appointment Due to Receipt of PCS Orders. Members declining appointments off an eligibility list through an offer of orders by an assignment officer incur a five year penalty. The Administrative Remarks, Form CG-3307, entry made in the candidate's EI-PDR documenting this election shall be initiated by the member's commanding officer. The text of the entry shall be the same as Article 1.D.10.c.(2) of this Manual.
- (4) Exception. The exception to the five-year rule will be for candidates who decline appointment to CWO due to a documented personal hardship. Commander (CG PSC-OPM-1) must be notified of such candidates. Commander (CG PSC-OPM) will make the determination regarding whether the candidate should be exempt from the five-year rule for personal hardship. If an exemption is approved, the candidate will not be allowed to participate until after the hardship is resolved. The following Administrative Remarks, Form CG-3307, shall be entered into the candidates EI-PDR:

DATE: "I have read and understand Article 1.D.10.c., Officer Accessions, Evaluations, and Promotions, COMDTINST M1000.3 (series). I voluntarily elect to be removed from the eligibility lists for appointment to warrant grade. I understand that I will not be eligible to apply for appointment to warrant grade until my personal hardship has been resolved."

- (5) Documentation. The original Administrative Remarks, Form CG-3307, entry shall be forwarded immediately to Commander (CG PSC-BOPS-C-MR). If the five-year period has not expired or the personal hardship has not been resolved at such time as the candidate reenlists, the Administrative Remarks, Form CG-3307, shall be retained in the EI-PDR upon reenlistment.
  - (6) Timeline to Re-compete. A member declining appointment will be allowed to re-compete if their new eligibility date (i.e., two or five year anniversary) ends prior to the day the upcoming board convenes.
- 

## **1.D.11. Procedure for Appointment to Warrant Grade**

### **1.D.11.a. Appointments**

Appointment as chief warrant officer (W-2) will be made by the Secretary from among enlisted personnel of the regular Coast Guard and Coast Guard Reserve who have been placed on an eligibility list as a result of approved action of a Coast Guard appointment board or upon successful completion of a Coast Guard approved physician's assistant program. Letters of appointment and appointment certificates will be transmitted via the chain of command for delivery to the member.

### **1.D.11.b. Oath of Office**

- (1) Executing the Oath of Office. An oath of office is required and will be recorded on an Acceptance and Oath of Office, Form CG-9556, which is attached as an enclosure to the appointment letter. The oath of office shall not be executed prior to the date of rank specified in the appointment letter. The Acceptance and Oath of Office, Form CG-9556, will be executed for the appointee's grade (W-2). After the oath of office forms are completed, they shall be forwarded to Commander (CG PSC-OPM-1) along with a copy of the physical examination as required by Article 1.D.11e. of this Manual.

## **1.E. Appointment as U.S. Coast Guard Cadet**

---

### **1.E.1. General**

#### **1.E.1.a. Statutory Authority**

By regulations appearing under 14 U.S.C. § 631 and Department of Homeland Security Delegation number 0170, the Secretary of the Department of Homeland Security has delegated statutory authority to the Commandant of the U.S. Coast Guard to prescribe regulations on cadet appointments (14 U.S.C. § 182). This section exercises that authority. To facilitate administering the appointment process, the following delegations of authority are made:

- (1) The Superintendent, U.S. Coast Guard Academy, is authorized to tender appointments as Cadet, U.S. Coast Guard; and
- (2) The Superintendent, U.S. Coast Guard Academy, is authorized to appoint a board of Coast Guard officers to be known as the Cadet Candidate Evaluation Board, whose duties are set forth in Article 1.E.4.b. of this Manual.

#### **1.E.1.b. Coast Guard Academy**

Cadets are appointed in the Coast Guard for education and training to prepare them to become commissioned officers in the service. The Coast Guard Academy, located at New London, Connecticut, is maintained by the government for the practical training and theoretical education of young men and women to enable them to enter upon the duties of a junior officer in the U.S. Coast Guard.

#### **1.E.1.c. Appointment as a Cadet**

The Academy tenders appointments solely on the basis of an annual nationwide competition. There are no congressional appointments or quotas for any state, district, or special category. The competition for appointment as a cadet is based on the candidate's high school rank, performance on either the College Board Scholastic Aptitude Test (SAT I) or the American College Testing Assessment (ACT), and leadership potential as demonstrated by participating in high school extracurricular activities, community affairs, or part-time employment. Any man or woman, civilian or military, who meets the requirements set forth in Article 1.E.2. of this Manual is eligible to apply for appointment as cadet, U.S. Coast Guard. No eligibility requirements may be waived, except as noted.

---

### **1.E.2. Eligibility Requirements**

#### **1.E.2.a. Age**

Must have reached the age of 17 but must not have reached the age of 23 by 1 July of the year admitted as a cadet.

**1.E.2.b. Citizenship**

Must be a United States citizen at the time of entry to the Academy. (Citizens of foreign countries authorized by law and nominated by mutual agreement between the United States and their native country are exempt from this requirement.)

**1.E.2.c. Marital Status**

Must be unmarried and have no legal obligations resulting from any previous marriage.

**1.E.2.d. Character**

Personal background must demonstrate positive evidence of good moral character, responsibility, trustworthiness, and emotional stability.

**1.E.2.e. Height and Weight Requirement**

Must be between five feet and six feet six inches with weight suitable to physique. Maximum height is waivable to six feet eight inches by the Commandant.

**1.E.2.f. Physical Aptitude**

- (1) Fitness Standards. Life as a Coast Guard cadet and later as an officer is physically demanding. It requires physical fitness and stamina that lead to a healthy lifestyle. To ensure that cadets meet fitness standards, they take the physical fitness examination (PFE) each semester. Cadets should prepare for this challenging aspect of Academy life.
- (2) Physical Fitness Examination (PFE). The PFE is a 500 point test with a minimum passing score of 250. It consists of five elements worth 100 points each:
  - (a) Pull-ups for men and women or incline pull-ups for women,
  - (b) Two minute curl-ups or sit-ups,
  - (c) Standing long jump,
  - (d) 300 yard shuttle run, and
  - (e) 1.5 mile run.

Note: Pull-ups, curl-ups, long jump, and 300 yard shuttle run must be administered in order with a maximum of five minutes rest period between events. The 1.5 mile run must be performed no sooner than one day and no longer than seven days after the first four events.

- (3) Actions upon Failing the PFE. Cadets reporting to the Coast Guard Academy will take the PFE during their first week and during the academic semester. At the first administration, any cadet who receives a score of less than 200 points will be recommended for immediate disenrollment. Cadets who initially score between 200 and 249 points will be assigned to a physical fitness advisor and be issued a specific developmental exercise prescription. If they do not pass the PFE by the beginning of their second academic term, they will be recommended for disenrollment. Later, cadets who fail two consecutive PFEs; i.e., score below 250 points, will also be recommended for disenrollment.

**1.E.2.g. Scholastic Requirements**

Must be a high school graduate or senior assured of graduation from an accredited high school, preparatory school, or college. Except for courses completed by correspondence for which an accredited school has granted a certificate, correspondence schools do not meet this paragraph's requirements and their certificates will not be accepted. Fifteen units of study are required.

- (1) Mandatory Courses. The courses listed below, comprised of six units, are mandatory:
  - (a) Three mathematics courses, including algebra and plane or coordinate geometry, or their equivalent, and
  - (b) Three courses in English (I, II, and III).
- (2) Course Credit. Both high school and college credits may be submitted. Because of the great variation in academic standards and credit requirements among the schools, the Superintendent reserves the right to evaluate each academic record submitted on its individual merits. In general, college credits and high school credits from accredited institutions will be given the same weights for the same amount of work, and in no case will one semester of college work be considered equivalent to more than one unit of high school work. The Superintendent reserves the right to reject any applicant whose assigned grades create doubt as to ability to successfully pursue the Academy course.

**1.E.2.h. Medical Requirements**

- (1) Service Academy Medical Examination. Candidates must pass a Service Academy Medical Examination before receiving an appointment. Medical examinations will be authorized by the Academy to candidates as their records become more complete. The Coast Guard Academy Medical Examination satisfies the requirement for all Service Academies and four-year ROTC Scholarships. Medical examinations are scheduled and coordinated by the Department of Defense Medical Examination Review Board (DODMERB). The medical requirements or appointment as a cadet are published in reference (b), Coast Guard Medical Manual, COMDTINST M6000.1 (series).

- (2) Waivers. No waivers of medical requirements are granted to applicants. Should there be any questions regarding cause for disqualification, this information may be obtained by writing to DODMERB, 8034 Edgerton Dr. Ste 132, USAF Academy, CO 80840-2200, Attn: USCG Representative. A cadet must pass a second medical examination upon reporting to the Academy.
- 

### **1.E.3. Application**

#### **1.E.3.a. Application for Testing**

All candidates for admission to the Coast Guard Academy must take either the College Board Scholastic Aptitude Test (SAT I) or the American College Testing Assessment (ACT) and bear all expenses.

- (1) Use of the SAT. To register for the SAT, obtain a current copy of the College Board Admissions Testing Program either at PO Box 592, Princeton, NJ 08542-0592, or PO Box 1025, Berkeley, CA 94701-1025. The SAT must be taken prior to or including the December test date of the year in which application is made for the Academy. Registration for the December SAT closes in late October of each year. The Coast Guard Academy must be named as one of the colleges to receive the test scores. The Academy's code number for College Board is 5807.
- (2) Use of the ACT. If an applicant desires to use the ACT, a registration packet should be obtained from the Registration Department, American College Testing Program, PO Box 168, Iowa City, IA 52243-0168. The ACT must be taken prior to or including the December test date of the year in which application is made to the Coast Guard Academy. Registration for the last acceptable ACT test closes in late October of each year. The Coast Guard Academy must be named as one of the colleges to receive the test scores. The Academy's ACT code is 0600.
- (3) Registration Timeline. Applicants must register prior to the deadline established by either the College Board or American College Testing Assessment for the last acceptable test administration. The scores from tests subsequent to the December administration will not be accepted.

#### **1.E.3.b. Application for Appointment**

- (1) Formal Application. Formal application must be made to the Coast Guard Academy. Obtain the initial application for appointment by writing directly to Director of Admissions, U.S. Coast Guard Academy, 31 Mohegan Avenue, New London, CT 06320- 8103, Commander (CG PSC), or Commanding Officer (CGRC). The complete application must be postmarked by 15 December to receive consideration for the class entering the following summer.
- (2) Supplemental Forms. The Academy will mail these seven supplemental forms to

applicants in September; applicants must complete and return the forms to the Director of Admissions, U.S. Coast Guard Academy, by 15 January:

- (a) High school transcript,
  - (b) Candidate activities,
  - (c) English instructor evaluation,
  - (d) Mathematics instructor evaluation,
  - (e) Physical education instructor or coach evaluation,
  - (f) Background information, and
  - (g) Essay questions.
- 

#### **1.E.4. Selection**

##### **1.E.4.a. Purpose, Scope, and Form**

- (1) Admissions Division's Guiding Principals. In meeting the Academy's goal of producing a graduating class which, taken as a whole, meets the program, diversity, and quality objectives of the Coast Guard, the Admissions Division follows procedural and philosophical directives in recruiting and admitting candidates to the Academy.
- (2) Characteristics Desired in Selection of Candidates. The Academy ultimately is responsible for selecting and developing commissioned officers to serve in the U.S. Coast Guard. In pursuing this mission, the Academy seeks applicants with a wide variety of desired characteristics, including the motivation and potential to complete the challenging four-year program. From the applicant pool, the Academy appoints well-rounded candidates who demonstrate the many qualities of successful cadets and officers. These appointees are also individuals who will enrich campus life with a variety of differing perspectives and backgrounds reflecting the diverse aspects of American society.
- (3) Academy Environment. Once enrolled, the cadet's intellectual and professional development is supported and enhanced in an environment that stimulates a high level of integrity, commitment, respect, discipline, and camaraderie. They will experience a sound undergraduate education along with professional development that enables a graduate to assume duties immediately as a junior officer afloat.
- (4) Scope of Selection. The Academy's broad program of intellectual, professional, physical, and character development prepares the Coast Guard's and America's future leaders. Thus, the Academy seeks to enroll students of high moral character with a

well-rounded background of academic, leadership, extra-curricular, and athletic preparation.

- (5) Admissions Process. The admissions process uses both objective and subjective criteria. Objective criteria include an applicant's high school rank (HSR) and standardized test scores (SAT I or ACT). The subjective component is a score determined by the Cadet Candidate Evaluation Board (CCEB). Unlike the other military academies, Congressional nominations or appointments are not required.
- (6) Composition and Considerations of the CCEB. The CCEB is comprised of panels that include three Academy faculty and staff members. These panels individually evaluate a candidate's total record, paying particular attention to strength of transcript, essays, demonstrated leadership, extracurricular activities, employment, community service, special talents, awards, recommendations, etc.
- (7) Candidate's Principal Score. The combination of HSR, standardized test scores, and CCEB scores results in the candidate's principal score (CPS).
- (8) Principle Appointment Score. Candidates who are medically qualified and meet or exceed the principal appointment score (PAS) receive an appointment. The PAS is a cut-off established each November by counting many variables, including historical data, societal trends, number of applications expected, size of entering class based on graduation projections, etc. If openings exist after the principal appointment list is exhausted, the CCEB considers candidates from the list of highly qualified alternates (those with scores within 250 points of the PAS).
- (9) Recompeting upon Failure to Receive an Appointment. U.S. Coast Guard Cadet appointments are offered to candidates who meet or exceed the PAS established for that year's entering class. A candidate who fails to receive an appointment may compete in subsequent years without prejudice, provided they meet age and physical qualifications. The Commandant annually re-evaluates the number of appointments tendered and adjusts it in accordance with service needs.
- (10) The Candidate's Principal Score (CPS) and Its Function.
  - (a) Purpose of the CPS. It is difficult to compare individuals effectively, particularly in a highly selective environment, without some measurement capability. Designed to represent a wide variety of a candidate's aspects, including standardized test scores, the CPS is carefully calculated to provide the best numerical representation of an applicant.
  - (b) Composition of the CPS. The CPS is comprised of the CCEB score, representing 40%; the HSR, 30%; the SAT I or ACT mathematics portion, 20%; and the verbal portion, the final 10%. To establish an accurate numerical composite of scores, the CCEB evaluation converts HSR (adjusted if needed depending on class size, school competitiveness, and strength of the student's

curriculum) and the ACT score to a numerical score corresponding to the SAT I scale (200 to 800 points). Only the highest SAT I or ACT score is used for candidate evaluation. The CCEB evaluation allows subjectivity to balance the objectivity of the HSR and test scores; the latter cannot accurately measure a candidate’s motivation, maturity, determination, and other objective qualities.

(c) Minimum Academic Qualifications. To be evaluated by the CCEB, a candidate must meet minimum academic qualifications, i.e., they must have a combined HSR and standardized test score minimum of 3350 points. A candidate who meets or exceeds this standard is deemed a finalist.

(d) Sample Candidate: HSR = 5th out of 100 = 675 points; SAT scores: 670 Mathematics and 600 Verbal

$$\begin{array}{rcl}
 30\% \text{ HSR} & = & 3 \times 675 = 2025 \\
 20\% \text{ Mathematics} & = & 2 \times 670 = 1340 \\
 10\% \text{ Verbal} & = & 1 \times 600 = \underline{600} \\
 \text{Total} & = & 3965
 \end{array}$$

This score qualifies the candidate as a finalist.

CCEB scores: 700, 650, 600  
 $40\% \text{ CCEB} = 4 \times (700 + 650 + 600)/3 = 2600$

Finalist Score + CCEB Score = 6565, the candidate’s Principal Score.

If the Principal Appointment Score is set at 6550, for example, the Academy would offer this candidate a full appointment.

A candidate scoring between 6300 and 6550, would place on the alternate list.

(e) Determining Potential Beyond the CCEB. It is important to note CCEB scores are relatively subjective and the admissions process, though heavily numerical, is not an exact science. Determining an individual’s potential capacity to perform and become a leader is a most difficult responsibility. Therefore, highly dedicated, experienced members using carefully chosen criteria determine which candidates likely will best serve and meet the Coast Guard’s needs. The admissions criteria are re-examined annually and compared with available cadet performance and retention data as well as post-graduation performance.

**1.E.4.b. Selection Process**

The selection process consists of these three parts:

(1) Academic Evaluation. The academic evaluation portion of the competition,

representing 60 percent of a candidate's total score, is determined by combining high school rank converted to a standard score with either the SAT or ACT scores using the following weighting factors:

If SAT Scores Are Higher:	If ACT Scores Are Higher:
SAT Verbal x 1	ACT English x 1
SAT Mathematics x 2	ACT Natural Science x 2
High School Class Rank Converted Score x 3	ACT Mathematics x 3
	High School Class Rank Converted Score x 4

The Academy accepts the best of either the SAT or ACT scores of any test taken before or including the December test date of the year in which applying for the Academy. Applicants with the highest scores in the academic evaluation are considered "finalists" in the competition and notified of their status in February. Each finalist's complete file is submitted to the CCEB.

(2) Cadet Candidate Evaluation Board.

(a) Board Considerations. The Academy Superintendent designates a board of Coast Guard officers who assign an evaluation mark to each candidate satisfying the minimum score requirements in the competitive examination. The evaluation includes all the factors known to influence success as a cadet and officer. The marks are based on the candidates' relative merit as shown by tests, questionnaires, and documents in Article 1.E.3. of this Manual. The board's decision is based on this factual objective information:

- [1] The candidates' attitude toward assigned tasks and willingness to work as shown by the consistency and pattern of previous school work,
- [2] The candidates' previous extracurricular and athletic interests and experience with particular attention to evidence of leadership and teamwork,
- [3] The candidates' personal qualities as shown by their reference questionnaire, evaluations, and comments by their high school counselor, principal, teachers, and similar officials, and
- [4] The candidates' score on one or more tests of emotional stability, social adjustment, vocational interest, study habits, background, and personality characteristics as may be administered for the purpose.

(b) Board Duties and Considerations. The board has the duty to obtain the best

possible cadets and officers for the Coast Guard. It is therefore in a candidate's interest to cooperate fully in supplying the board with all relevant information on the factors listed in this paragraph. The board's judgment is final and subject to review only by the Commandant's order. To establish a list of eligible candidates and eliminate those markedly deficient in one or more phases of the examination, the board will not consider candidates who fail to meet the minimum test requirements. Candidates whose standard scores on required tests and measures fall below the prescribed individual and/or combined test level are eliminated from further consideration.

- (c) Computing the Final Mark. Each candidate's final mark is computed by averaging the standard weighted scores provided through the test marks and the CCEB rating.
  - (d) Waivers. NO WAIVERS OF EDUCATIONAL OR PHYSICAL REQUIREMENTS ARE GRANTED TO APPLICANTS.
- (3) Medical Examination. A Service Academy Medical Examination is required before receiving an appointment. (See Article 1.E.2.h. of this Manual.)

**1.E.4.c Required Deposit**

On appointment, each candidate may be required to pay an entrance fee to offset the cost of initial clothing, books and school supplies, computers, and equipment. Payment of some, or all, this amount may be deferred in cases of extreme need.

**1.E.4.d. Subsequent Appointments**

All former cadets who request readmission, except those who voluntarily resigned due to hardship, must compete for admission in the same manner as those candidates who have not attended the Coast Guard Academy.

**1.E.4.e. Hardship Readmission**

Former cadets who resigned due to unavoidable hardship which subsequently is resolved may be granted readmission. The Superintendent, Coast Guard Academy shall prescribe readmission requirements and procedures.

**1.E.4.f. Service Obligation (14 U.S.C. 182)**

**(1) Service Agreement.**

- (a) All cadets are required to sign a Service Obligation Agreement in accordance with 14 U.S.C. 182. Minors will sign only with the consent of their parent or guardian.**

- (b) Upon signing a Service Obligation Agreement a cadet commits to accepting an appointment, if tendered, as a commissioned officer in the Coast Guard and serving at least five years of Active Duty immediately after their appointment.
  - (c) Cadets who do not complete this obligation are subject to repayment of advanced education benefits in accordance with Recoupment of Advanced Education Costs in the Event of Separation Before Completion of Obligated Service, COMDTINST 1560.3 (series).
- (2) **Cadets Who Turn Down a Regular Commission When Tendered.** If a cadet with no prior armed forces obligation completes their course of instruction at the Academy but declines to accept an appointment as a Regular commissioned officer that has been tendered by the Coast Guard, they are subject to repayment of advanced education benefits in accordance with Recoupment of Advanced Education Costs in the Event of Separation Before Completion of Obligated Service, COMDTINST 1560.3 (series). Repayment may include enlistment in the Coast Guard Reserve and receiving orders to active duty for four years.
- (3) **Exception to Obligation Based on Needs of the Service (14 U.S.C. 182 (b) (3)).**
- (a) If a Regular commission is not tendered to a cadet who completes their course of instruction at the Academy, the cadet will accept a Reserve commission, if tendered.
  - (b) If a cadet accepts a Regular commission but is permitted to resign before completion of the commissioned service obligation; the cadet will accept an appointment as a commissioned officer in the Coast Guard Reserve, if tendered.

**1.E.4.g. Voluntary Resignation of Appointment**

The Superintendent, Coast Guard Academy may accept the voluntary resignation of a cadet's appointment.

**1.E.4.h. Involuntary Termination of Cadet Appointment and Appeal Authority**

The Superintendent, Coast Guard Academy has the authority to terminate a cadet's appointment on the recommendation of an Executive Board, the Dean of Academics, or the Commandant of Cadets. The decision by the Superintendent, Coast Guard Academy to dismiss a cadet may be appealed to Commandant (CG-1). The Superintendent, Coast Guard Academy shall prescribe the appeal procedures.

**1.E.4.i. After Terminating a Cadet Appointment**

When a cadet is disenrolled from the Academy, either by voluntary resignation or by involuntary termination of appointment, one of the following actions normally will be completed depending on the cadet's status before accepting an appointment and the length of time they held an appointment.

- (1) **Fourth and Third Class Cadets with no Prior Armed Forces Obligation.** A fourth or third class cadet with no prior armed forces obligation who is disenrolled will have no active duty obligation and is exempt from recoupment of advanced education expenses in accordance with Recoupment of Advanced Education Costs in the Event of Separation Before Completion of Obligated Service, COMDTINST 1560.3 (series).
- (2) **Second or First Class Cadets with no Prior Armed Forces Obligation.**
  - (a) Second or first class cadets disenrolling after commencement of the second class year, but before completing the course of instruction, are subject to repayment of advanced education benefits in accordance with Recoupment of Advanced Education Costs in the Event of Separation Before Completion of Obligated Service, COMDTINST 1560.3 (series) which may include transfer to the Coast Guard Reserve in an enlisted status. (See Article 1.E.4.j of this Manual.)
  - (b) Any second or first class cadet with no prior armed forces obligation who is disenrolled because they are determined to have breached the service obligation agreement and who is not recommended or is disqualified for enlisted Military Service, is subject to repayment of advanced education benefits in accordance with Recoupment of Advanced Education Costs in the Event of Separation Before Completion of Obligated Service, COMDTINST 1560.3 (series).
- (3) **Second Class Cadets Awaiting Disenrollment.** A second class cadet, regardless of prior obligation, who is disenrolled for cause resulting from actions that occurred before the start of the second class year – which is considered to commence on the first day following graduation day – will be discharged as if they were a fourth or third class cadet.
- (4) **Cadets with Prior Service Obligation (10 U.S.C. §516).**
  - (a) Except as described in (b) or (c), any cadet who enters the Academy from the Regular or Reserve Coast Guard or from another armed force of the United States but does not complete the course of instruction will revert to their prior status and branch of service and complete the remainder of their duty obligation. All time served in a cadet status is counted as service under any preexisting enlistment or service obligation. Those individuals with less than one year remaining in their original enlistment contract may be discharged on approval of Commander, CG PSC.

- (b) Any cadet with a prior service obligation to the Coast Guard who is disenrolled because they are determined to have breached the service obligation agreement and who is disqualified for return to enlisted Military Service, may be denied re-enlistment at the discretion of Commander, CG PSC. Officers displaced from the top of the list shall retain their previous precedence immediately below those officers reordered and inserted at the top of the promotion list pursuant to 14 U.S.C. § 259.
- (2) Percentage That May be Reordered. The number of officers that a board may recommend to be placed at the top of the list of selectees may not exceed the percentages set forth in subsection (b) of 14 U.S.C. § 259 unless such a percentage is a number less than one, in which case the board may recommend one officer for such placement.
- (3) Majority Recommendation. No officer may be recommended to be placed at the top of the list of selectees unless they receive the recommendation of at least a majority of the members of a board composed of five members, or at least two-thirds of the members of a board composed of more than five members.
- (4) Reordering is Optional. Promotion boards are under no obligation to select officers for in-zone reordering. The tool will only be made available for use at the discretion of the board. Officers above zone, in zone, and below zone are all eligible for reordering if selected for promotion.
- (5) Placement on Selection List. In order of original seniority, ADPL members that are reordered within their respective promotion zone assume a position above the senior-most selected member.
- (6) Reordering and Placement of Reserve Program Administrators (RPAs). In order of original seniority, RPAs reordered within their respective promotion zone are assigned running mates equal to the most junior of the ADPL members that were in-zone reordered during the same year. In the event no ADPL members were reordered during the associated selection board, the senior most selected member on the ADPL will be assigned as a running mate.

**3.A.4.f. Communicating with the Selection Board**

- (1) Background and Authority. Each officer eligible for consideration by a selection board may communicate with the board through the officer's chain of command by letter, inviting attention to any matter in their Coast Guard record that will be before the selection board. A letter sent under this paragraph may not criticize any officer or reflect on any officer's character, conduct, or motive. (See 14 U.S.C. § 253(b).) The letter must arrive prior to the commencement of the board.
- (2) Enclosures and Attachments. One OER chain endorsement is optional. Enclosures or attachments are limited to copies of official records and materials allowed to be submitted with Officer Evaluation Reports (OER), Form CG-5310 (series), under Article 5.A.4.c.3. of this Manual. Letters from other officers will not be solicited or submitted as enclosures. Officers requesting acknowledgement of receipt must provide an e-mail address in their communication.
- (3) Endorsements. Endorsements to letters submitted to selection boards shall not include opinions whether an officer should be selected for promotion or opinions on selection boards and their methods.

**3.A.4.g. Failure of Selection for Promotion**

- (1) Commander and Below. Officers in the grade of commander and below in the promotion zone established under Article 3.A.4.c. of this Manual fail selection for promotion if they do not appear on the list of selectees recommended by the board considering them or if the President subsequently removes them from the list of selectees in the board's report (14 U.S.C. § 262(a)).
- (2) Administrative Error. Officers do not fail selection if a selection board did not consider them because of administrative error. If selected by the next succeeding selection board, they receive the date of rank and position on the ADPL in the grade to which selected they would have held had the first selection board recommended them (14 U.S.C. § 262(b)).

**3.A.4.h. Promotions**

- (1) List of Selectees. When the President approves a report of a board convened to recommend officers for promotion, the Commandant will place the names of all officers selected and approved on a list of selectees in the order of their seniority on the ADPL (14 U.S.C. § 271(a)).
- (2) Date of Promotion. Officers on the list of selectees may be promoted by appointment to the next higher grade after officers on any previous list of selectees for that grade have been promoted provided the maximum strength for that grade is not exceeded as defined by Article 3.A.3. of this Manual. Officers will be promoted in the order they appear on the list of selectees. The date of rank of an officer promoted under this

paragraph is the date of appointment in that grade (14 U.S.C. § 271(b)).

- (3) Promotions to Lieutenant Commander and Above. Officers selected for promotion to lieutenant commander and above may be promoted to fill vacancies (14 U.S.C. § 271(b)).
- (4) Promotions of Lieutenant. Promotions for officers selected for lieutenant will be effected as follows:
  - (a) After Selection by First Board. A lieutenant (junior grade) eligible for promotion may be promoted to the grade of lieutenant without regard to vacancies on the day after completing 30 months of service in grade.
  - (b) After Selection by First Board from Below the Zone. Any lieutenant (junior grade) eligible for promotion selected from below the established promotion zone shall be placed on the new list of selectees prepared by the board in order of existing seniority. They shall be tendered appointment to lieutenant on the same date as the most junior lieutenant (junior grade) on the list of selectees who was in the published promotion zone.
  - (c) After Selection by Second Board. Any lieutenant (junior grade) selected for promotion to lieutenant by the second board to consider them shall be placed at the top of the new list of selectees prepared by the board in order of existing seniority. They shall be tendered appointment to lieutenant on the same date as the most senior lieutenant (junior grade) on the approved list of selectees who has not previously failed of selection to the grade or whose record has not been corrected by the Personnel Records Review Board or Board for Correction of Military Records to remove a previous non-selected status to that grade.

#### **3.A.4.i. Removing Officer from List of Selectees for Promotion**

- (1) Presidential Authority. The President may remove any officer from a list of selectees established under Article 3.A.4.g. of this Manual.
- (2) Senatorial Authority. If the Senate does not consent to appoint an officer whose name is on a list of selectees established under Article 3.A.4.g. of this Manual, that officer's name shall be removed from this list.
- (3) Eligibility for Further Consideration. An officer whose name is removed from a list under this Article remains eligible for consideration for promotion. If promoted as a result of selection by the next selection board, they hold the date of rank and position on the ADPL in the grade to which promoted which they would have held if their name had not been removed. If the next selection board does not select the officer or if their name again is removed from the list of selectees, the officer shall be considered for all purposes as having twice failed of selection for promotion (14 U.S.C. § 272).

- (4) Removal from Selection List. The name of an officer who declines a promotion shall be removed from the list of selectees, as provided in Article 3.A.4.i.(3) above.
- 

### **3.A.5. Selecting and Promoting Ensigns to Lieutenant (Junior Grade)**

#### **3.A.5.a. Eligibility for Promotion**

An ensign on the ADPL is eligible for promotion to lieutenant (junior grade) after:

- (1) Completing 12 months of active service as defined in 10 U.S.C. § 101, computed from date of rank as an ensign on the ADPL,
- (2) A board recommends them as fully qualified for promotion, and
- (3) The Commandant has approved the board's recommendation.

#### **3.A.5.b. Selection Boards**

Selection boards to recommend ensigns for promotion to lieutenant (junior grade) shall be convened as Article 6.A. of this Manual describes.

#### **3.A.5.c. Communicating with the Selection Board**

Each officer eligible for consideration by a selection board may communicate directly with the board as prescribed in Article 3.A.4.e. of this Manual.

#### **3.A.5.d. Failure of Selection for Promotion**

- (1) Out of Line of Promotion. Ensigns whom a board does not recommend and whose commissions are not revoked under Article 3.A.5.d.(2) of this Manual shall be placed out of the line of promotion for at least nine months, beginning on the date the board report, which did not recommend them for promotion, is approved. The out-of-line period provides these officers with the opportunity to improve their performance before a second board considers them for promotion.
- (2) Finding of Unsatisfactory in Grade. In accordance with 14 U.S.C. § 214(c) or 14 U.S.C. § 281, as applicable, the Commandant may revoke the commissions or vacate the temporary appointments of ensigns who, in their first five years of commissioned service, fail selection for promotion to lieutenant (junior grade) and whom the selection board determines are performing unsatisfactorily in grade, irrespective of Articles 1.A.8. and 1.A.10. of reference (c), Military Separations, COMDTINST M1000.4 (series).
- (3) Consideration by Second Board. A second board convened as described in Article 6.A. shall consider an ensign placed out of line of promotion.

- (4) Failure of Selection by Second Board. If a second board finds an ensign is not fully qualified, the Commandant will revoke their regular or reserve commission or vacate their temporary appointment irrespective of Articles 1.A.8. and 1.A.10. of reference (c), Military Separations, COMDTINST M1000.4 (series).

**3.A.5.e. Non-Consideration Due to Administrative Error**

An ensign does not fail selection for promotion if a board does not consider them because of administrative error. If the next succeeding board considering ensigns for promotion recommends that ensign for promotion, they hold the date of rank and position on the ADPL as a lieutenant (junior grade) which they would have held had the first board recommended them.

**3.A.5.f. Promotion**

- (1) After Selection by First Board. An ensign eligible for promotion may be promoted to lieutenant (junior grade) without regard to vacancies on the day after they complete 18 months of active service.
- (2) After Selection by Second Board. The board shall place ensigns found fully qualified for promotion at the top of the new list in order of existing seniority. They shall be tendered appointment to lieutenant (junior grade) without regard to vacancies on the day the board report is approved, as long as they have completed 18 months of active commissioned service. An ensign whose record only appeared before a second board due to an administrative error will be assigned a date of rank based upon time in grade and prior seniority in the register of officers. Such an ensign will not be considered the “most senior ensign on the approved list of selectees” for the purpose of ranking others in precedence order.

**3.A.5.g. Separations**

Effective not later than three months from the date the selection board report is approved but not later than the day before the three-year anniversary of commissioned service, ensigns whose commissions are revoked or vacated shall be honorably discharged.

**3.A.6. Selecting and Promoting U.S. Coast Guard Reserve Officers on Active Duty as Reserve Program Administrators (RPAs)**

**3.A.6.a. Number and Distribution in Grade**

- (1) Background. Because of their small numbers and uneven distribution by year groups, Reserve Program Administrators’ (RPAs) grade distribution will not be regulated to conform to the grade distribution percentages used on the ADPL.
- (2) Overall RPA. The total number of permanent RPAs shall be maintained at 1.3 times the number of RPA coded billets, rounding to the nearest integer. The authorized

reserve funded general detail billets of lieutenant (junior grade) and above shall be included in computing the total number of authorized RPAs.

- (3) RPAs Authorized in Grade of Captain. The maximum number of RPA captains should be maintained at 1.5 times the number of RPA captain billets, rounding to the nearest integer.
- (4) Continuation Board. A continuation board shall be convened under Article 6.B.11. of this Manual to cause attrition and provide needed vacancies to meet the strength limitations of RPA captains under this Article.
- (5) Exception to RPAs Authorized in Grade of Captain. Without further action, the number of RPA captains authorized will be increased temporarily to the extent necessary to permit:
  - (a) Retaining those RPA captains not recommended for continuation but not yet eligible for retirement under 10 U.S.C. § 6323.
  - (b) Promoting all RPAs on the selection list to captain on the dates their running mates are promoted.
  - (c) The temporary increase provided above is authorized only for as long as is necessary to reduce through normal attrition the number of RPA captains to that otherwise prescribed.

**3.A.6.b. Running Mates**

Each RPA shall be assigned a running mate as prescribed in 14 U.S.C. § 726.

**3.A.6.c. Eligibility for Selection for Promotion**

An RPA is eligible for consideration for selection for promotion when their running mate first enters a promotion zone and remains eligible as long as they:

- (1) Continue on active duty, and
- (2) Are not promoted to that grade (14 U.S.C. § 257).

**3.A.6.d. RPA Promotion Zone**

The size of the promotion zone for each grade of lieutenant and above equals the number of officers eligible for selection for promotion as described in Article 3.A.6.c. of this Manual.

**3.A.6.e. Opportunity of Selection**

When feasible a best-qualified selection process shall be used to promote RPAs to the next higher grade. The opportunity of selection at each grade will compare to that grade's opportunity during the most recent ADPL selection board. The computed opportunity of selection for each grade, lieutenant and above, shall be determined as follows:

- (1) If RPAs going before the selection board include only first-time candidates for the grade being considered, the percentage will be the total number of ADPL officers who were selected for promotion, divided by the total number of ADPL officers considered for promotion to that grade in the ADPL zone. Fractions of a percentage shall be rounded to the next higher number.
- (2) If RPAs going before the selection board include only first-time candidates and those who once failed selection for promotion to the grade being considered, the percentage is the total number of ADPL officers selected for promotion, divided by the total number of ADPL officers considered for promotion to that grade in the ADPL zone plus the number of officers above the ADPL zone who have been once not selected. Fractions of a percentage shall be rounded to the next higher number.
- (3) If RPAs going before the selection board include candidates who twice or more have failed selection for promotion to the grade being considered, the percentage will be the total number of ADPL officers selected for promotion, divided by the total number of ADPL officers considered for promotion to that grade in and above the ADPL zone. Fractions of a percentage shall be rounded to the next higher number.

**3.A.6.f. Number Selected for Promotion**

Before convening a board to recommend RPAs for promotion to any grade, the Commandant will determine the total number of RPAs who may be selected for that grade by multiplying the computed opportunity of selection by the number of RPAs in the promotion zone. In applying the computed percentage, a fraction of five-tenths or greater shall be counted as a whole number. If the number of officers to be selected equals the number of officers in the promotion zone, a fully qualified promotion board shall be convened to select officers on a fully-qualified basis using the criteria established in Article 6.B.3. of this Manual.

**3.A.6.g. Selection Boards**

Selection boards to recommend RPAs for promotion to all grades of captain and below shall be convened as Article 6.B.3. of this Manual describes.

**3.A.6.h. Communicating with the Selection Board**

RPAs may communicate with a selection board in the same manner as described in

Article 3.A.4.f. of this Manual.

### **3.A.6.i. Failure of Selection for Continuation or Promotion**

The following officers shall be released to inactive duty, continued on active duty, or retired in accordance with Article 1.C.7. of reference (c), Military Separations, COMDTINST M1000.4 (series):

- (1) An RPA captain not recommended for continuation, and
- (2) Any RPA who has failed selection for promotion to the next higher grade.
  - (a) Other than one serving as captain, an officer fails selection if the board that considered them did not select that officer for promotion or, if the Commandant later removes the officer's name from the board's report or the list of selectees after the board recommended them for promotion.
  - (b) An officer does not fail selection if a board does not consider them due to administrative error. If the next succeeding board selects them and they are promoted, the officer holds the date of rank and precedence they would have held if the first selection board recommended them.

### **3.A.6.j. Promotions**

- (1) List of Selectees. When the Commandant has approved the promotion board's report, all RPAs selected and approved will appear in the order of their current relative seniority.
  - (2) Promotion. An RPA on the list of selectees shall be promoted effective on the date their running mate is promoted and assigned the same date of rank as their running mate under the procedures of Article 3.A.12. of this Manual. (14 U.S.C. § 276)
  - (3) Delay of Promotion. The promotion of any RPA may be delayed if they have disqualified themselves under the conditions set forth in Article 3.A.12. of this Manual.
  - (4) Removal of Name by Commandant. Subject to the Secretary's approval, the Commandant may remove any officer recommended for promotion from the report of the board convened under Article 6.B.3. of this Manual.
- 

## **3.A.7. Promotion of Officers on the Permanent Commissioned Teaching Staff (PCTS) of the Coast Guard Academy**

### **3.A.7.a. Running Mates**

- (1) Assignment of Rank, Date of Rank, and Running Mate of Member Upon Completion

of Probationary Period. An officer selected for PCTS, after successful completion of the probationary period discussed in Article 6.B.12.j. of this Manual, shall be sworn into the PCTS and assigned a running mate on the ADPL. If an officer has successfully served at the Coast Guard Academy for two years or more, the Superintendent may recommend that the probationary period be waived. In such a case the officer will be assigned a running mate on the ADPL immediately following appointment. If the officer is appointed directly from the ADPL, the running mate shall be the officer of the same grade who was one person senior on the lineal list as of the date of permanent appointment to the PCTS. If the PCTS appointee happens to be the most senior officer of that grade, then the officer one person junior on the ADPL becomes the running mate.

- (2) Assignment of Rank, Date of Rank, and Running Mate of Member in a Probationary Status. When an individual is appointed to the PCTS in probationary status from a source other than active duty Coast Guard commissioned officer status, a rank and date of rank are assigned on the basis of their educational qualifications and professional experience. If the appointee is already a commissioned officer in good standing in the Coast Guard inactive reserve or in another service component, the current equivalent rank and date of rank will normally be retained. When such an appointee subsequently receives a permanent appointment to the PCTS, then the junior officer of the same grade and date of rank on the ADPL becomes the running mate. In case there is no one on the ADPL with the same date of rank, then the next senior officer of the same grade becomes the running mate.
- (3) Running Mate Changes. If a PCTS officer's running mate is removed from the ADPL or changes position, then the new running mate is the officer next most senior on the list.
- (4) Assigning a New Running Mate Upon Non-Selection for Promotion. A member of the PCTS who fails selection for promotion for the first time shall be assigned as a new running mate the first ADPL officer who meets one of the following criteria (to be taken in order):
  - (a) The officer of the same grade on the ADPL who has also failed selection for the first time and is one person senior;
  - (b) The senior officer of that grade who has failed selection;
  - (c) The senior officer of that grade who has not previously been in the primary promotion zone. If the current running mate is selected for promotion or promoted while the PCTS member is out of line of promotion, a new running mate shall be assigned in accordance with the procedure described in this paragraph.
- (5) Assigning a New Running Mate Upon Selection for Promotion. If a member of the PCTS is selected for promotion but their running mate was not, then the new running

mate is the officer one person senior on the lineal ADPL list who was selected.

### **3.A.7.b. Eligibility for Promotion**

- (1) Members of the PCTS shall not be promoted to a grade above that of captain.
- (2) A member of the PCTS who is serving in a grade below captain becomes eligible for consideration for promotion when their running mate is in the promotion zone established for that grade.

### **3.A.7.c. Selection Boards**

Selection boards to recommend members of the PCTS for promotion to the next higher grade shall be convened as described in Article 6.A. of this Manual.

### **3.A.7.d. Promotion**

- (1) List of Selectees. When the report of a board convened to recommend members of the PCTS for promotion has been approved, the names of those recommended shall be placed on a list of selectees in the order of their present seniority.
- (2) Appointment. The appointment of a member of the PCTS to a higher grade shall be made in the same manner as an appointment of a regular officer on the active duty promotion list. (See Article 3.A.12. of this Manual.)
- (3) Promotion. A member of the PCTS recommended for promotion shall be promoted on the date their running mate is promoted or as soon thereafter as the Senate confirms the appointment. The procedures outlined in Article 3.A.12. of this Manual apply.
- (4) Removal from List of Selectees for Promotion. The name of a member of the PCTS may be removed from a list of selectees by the Secretary in the same manner as the President may remove the name of an officer on the active duty promotion list and the effect upon their status and continued eligibility for promotion shall be the same. (See Article 3.A.4.g. of this Manual.)
- (5) Member of PCTS Appointed as Dean of Academics. A member of the PCTS who is appointed to the position of Dean of Academics at the Coast Guard Academy shall be appointed in the grade of captain without regard to Articles 3.A.7.c. and 3.A.7.d. of this Manual. If the individual is not already serving in the grade of captain, the date of rank will normally be the effective date of the appointment as Dean. In such a case, the running mate will be the junior ADPL captain with the same or earlier date of rank. If there is no officer who meets this criterion, then the next senior ADPL captain will be the running mate.

**3.A.7.e. Failure of Recommendation for Promotion**

- (1) Placed Out of Line of Promotion. A PCTS member not recommended for promotion is out of line for promotion for one year from the date the Secretary approves the board.
  - (2) Consideration by Second Board. A second board convened as described in Article 6.A. of this Manual considers a PCTS member out of line for promotion.
  - (3) Promotion after Selection by Second Board. A member of the PCTS who has once failed selection and is recommended for promotion by a subsequent board shall be promoted on the same day as the new running mate defined in Article 3.A.7.a. of this Manual.
  - (4) Members of the PCTS who Fail Selection for Promotion Two Times. A member of the PCTS who fails selection for promotion two times shall fall under the guidelines of ADPL officers who fail selection for promotion two times as described in Article 1.A.12. of reference (c), Military Separations, COMDTINST M1000.4 (series).
- 

**3.A.8. Selecting and Promoting Retired Officers Recalled to Active Duty**

**3.A.8.a. Eligibility for Selection for Promotion**

- (1) Exceptions for Promoting Retired Recalled Officers. Except in extraordinary circumstances, such as wartime recall or urgent service need, retired officers recalled to active duty normally are not eligible for promotion to the next higher grade, an exclusion the recall order will note.
- (2) Maximum Grade to Which Retired Recalled Officers Can Be Promoted. In all cases the highest grade to which retired officers recalled to active duty are eligible for promotion is captain.
- (3) Promotion of Retired Recalled Officer Twice Non-Selected for Promotion Prior to Retirement. A retired officer who at retirement had once or twice failed selection for promotion to the next higher grade is not eligible for promotion if recalled to active duty.
- (4) Date of Eligibility of Promotion of a Retired Recalled Officer. If a retired officer recalled to active duty is eligible for promotion, they are eligible when their running mate is in the promotion zone established for the next higher grade.

**3.A.8.b. Running Mates**

- (1) Assigning a Running Mate for a Retired Recalled Officer on the ADPL at Time of Retirement. Each retired, recalled officer who at retirement was on the active duty promotion list (ADPL) is assigned as a running mate an officer on the ADPL,

excluding extra numbers, who occupies the same relative position in grade the retired officer did when they retired. The running mate is determined as follows:

- (a) At retirement, count down from the most senior officer in their grade, excluding extra numbers, to and including the retiring officer. The number so determined is the relative position in grade.
  - (b) At recall to active duty, from the most senior officer in the same grade the recalled officer held at retirement, count down the same number of officers, excluding extra numbers, as determined in Article 3.A.8.b.(1)(a) above. The officer so located is the assigned running mate.
- (2) Assigning a Running Mate for a Retired Recalled Officer Not on the ADPL at Time of Retirement. Each recalled, retired officer who was not included on the ADPL at retirement is assigned as a running mate an officer on the ADPL, excluding extra numbers, who occupies the same relative position in grade the retired officer's running mate did when they retired. The running mate is determined in this manner:
- (a) At retirement, from the most senior officer in their grade, excluding extra numbers, countdown to and including the retiring officer's running mate. The number so determined is the relative position in grade.
  - (b) At recall to active duty, from the most senior officer in the same grade the recalled officer held at retirement, count down the same number of officers, excluding extra numbers, as determined in Article 3.A.8.b.(2)(a) above. The officer so located is the assigned running mate.
- (3) Assigning a New Running Mate. A recalled, retired officer whose running mate changes their relative position or is removed from the active duty promotion list for any reason is assigned as a new running mate the ADPL officer next senior to the old running mate; however, if the former running mate was the senior officer in their grade, the new running mate is that grade's new senior officer.
- (4) Assigning a New Running Mate Upon Non-Selection for Promotion. A recalled, retired officer who fails selection for promotion the first time is assigned as a new running mate the next senior officer in the same grade on the ADPL who failed selection for promotion to the next higher grade the first time. If no officer senior to them has failed selection for the first time, they are assigned as a running mate that grade's senior officer on the ADPL who has so failed; if no officer in that grade has failed selection for the first time, the recalled officer takes as a running mate that grade's senior officer on the ADPL who has not previously been in a Promotion zone until an officer fails selection for the first time. If their current running mate also has failed selection for the first time, a recalled, retired officer who fails selection for the first time retains that officer as running mate. If their current running mate is selected promoted while a recalled, retired officer is out of the line of promotion, they are assigned a new running mate under the procedure described here.

- (5) Assigning a New Running Mate Upon Selection for Promotion by a Second Board. A recalled, retired officer who fails selection once and whom a second board recommends for promotion on being promoted under Article 3.A.8.e. of this Manual is assigned a new running mate who is that grade's junior officer on the ADPL on the promotion date.

**3.A.8.c. Selection Boards**

Article 6.A. of this Manual describes the convening process for selection boards to recommend recalled, retired officers for promotion to the next higher grade.

**3.A.8.d. Failure of Recommendation for Promotion**

- (1) Out of Line of Promotion. A recalled, retired officer not recommended for promotion is out of the line of promotion for one year from the date the Secretary approves the board report.
- (2) Second Board's Consideration. A second board, convened as Article 6.A. of this Manual describes, shall consider recalled, retired officers placed out of line of promotion.
- (3) Failure of Selection by Second Board. A recalled, retired officer whom a second board does not recommend for promotion then has failed selection twice, is not thereafter eligible for promotion, and returns to retired status not later than 30 June of the promotion year in which their second failure of selection occurs.

**3.A.8.e. Promotion**

- (1) List of selectees. When the report of a board convened to recommend recalled, retired officers for promotion has been approved, the officers so selected shall be placed on a list of selectees in the order of their seniority.
  - (2) After Selection by First Board. A recalled, retired regular officer recommended for promotion is promoted on the date their running mate is promoted or as soon after as the Senate consents to their appointment under the procedures of Article 3.A.12. of this Manual.
  - (3) After Selection by Second Board. One year after the Secretary approves the first board that considered them, a recalled, retired officer whom a second board recommends for promotion shall be promoted to the next higher grade, or, if a retired regular officer, as soon after as the Senate consents to their appointment.
  - (4) Removal from List of Selectees. The Secretary may remove a recalled, retired officer from a list of selectees in the same manner as the President may remove an officer on the ADPL; the effect on their status and continued eligibility for promotion is the same. (See Article 3.A.4. of this Manual.)
-

### **3.A.9. Selecting and Promoting the Coast Guard Band Director**

#### **3.A.9.a. Running Mate**

The Director of the Coast Guard Band shall be assigned a running mate similarly as prescribed in 14 U.S.C. § 726 for reserve officers.

#### **3.A.9.b. Eligibility for Promotion**

The highest grade to which the band director can be promoted is captain (14 U.S.C. § 336). The band director is eligible for selection for promotion to the next higher grade when their running mate is in that grade's established promotion zone.

#### **3.A.9.c. Selection Board**

A selection board to recommend the band director for promotion to the next higher grade shall be convened as Article 6.B.7. of this Manual describes.

#### **3.A.9.e. Failing Recommendation for Promotion**

- (1) Not Recommended for Promotion by First Board. If the board does not recommend the band director for promotion, they are out of line of promotion for one year from the date the Commandant approves the board.
  - (2) Convening a Second Board. A second board convened, as Article 6.A. of this Manual describes, will consider the band director for promotion.
  - (3) Recommended for Promotion by Second Board. If the second board recommends the band director for promotion and the Commandant approves the board, they shall be promoted to the next higher grade one year from the date of approval of their first board or as soon after as the Senate consents to their appointment.
- 

### **3.A.10. Wartime Temporary Service Promotions**

#### **3.A.10.a. Presidential Suspension**

In time of war or national emergency declared by the President or Congress, the President may suspend any provision in this Article governing selecting and promoting officers. Such a suspension may continue up to six months after the war or national emergency concludes.

**3.A.10.b. Presidential Authority**

If any provisions on selecting and promoting officers are so suspended and service needs require, the President may prescribe regulations and under them promote to a higher grade any active duty Coast Guard officer serving as ensign or higher.

**3.A.10.c. Promotion to Lieutenant Commander and Above**

A promotion under this Article to lieutenant commander and above may be made only on the recommendation of a board of officers convened for that purpose.

**3.A.10.d. Scope of Presidential Authority**

Any promotion under this Article is an appointment for temporary service. Under this Article, the President, by and with the advice and consent of the Senate, makes any appointment to a grade above captain. Any other appointments under this Article shall be made by the President alone.

**3.A.10.e. Terms of Acceptance**

Unless expressly declined, an appointment under this Article is regarded as accepted and the officer so promoted entitled to the appointed grade's pay and allowances on the date the Secretary specifies as the appointment date.

**3.A.10.f. Scope of Appointment**

An appointment under this Article does not terminate any other appointment an officer holds under any other provisions of 14 U.S.C. The President may terminate temporary appointments made under this Article at any time. An appointment made under this Article is effective for as long as the President determines. However, the appointment may not be effective later than six months after the war or national emergency ends. When the officer's temporary appointment under this Article is terminated or expires, they revert to their former grade.

**3.A.10.g. Reestablishing the Active Duty Promotion List**

Within six months after the war or national emergency ends, the President shall prescribe regulations to reestablish the ADPL with adjustments and additions appropriate to the conditions of original appointment and wartime service of all officers included on it. By and with the Senate's advice and consent, the President may appoint officers on the reestablished ADPL to fill vacancies in each grade's authorized active duty strength. Such appointments shall be considered to have been made under Article 3.A.4. of this Manual. (14 U.S.C. § 275).

### **3.A.11. Procedures to Permanently Appoint Reserve and Temporary Officers**

#### **3.A.11.a. Appointments**

With the advice and consent of the Senate, the President shall appoint temporary officers (except those appointed under the chief warrant officer to lieutenant program) and reserve officers selected for integration as permanent regular officers. Commander (CG PSC-OPM-1) will transmit appointment letters via the chain of command for delivery to the officer concerned (14 U.S.C. § 211).

#### **3.A.11.b. Acceptance**

An appointment as a permanent commissioned officer becomes effective only when the officer concerned accepts the appointment by completing the Acceptance and Oath of Office, Form CG-9556, to indicate acceptance; an additional letter is not required.

#### **3.A.11.c. Oath of Office**

An oath of office is required; for this purpose, Commander (CG PSC-OPM-1) transmits the Acceptance and Oath of Office, Form CG-9556, with the appointment letter. The officer shall not execute the oath of office before the date of rank specified in the appointment letter. After completing the oath, the officer forwards the original to their Administration Office and one copy to Commander (CG PSC-OPM-1).

#### **3.A.11.d. Pay and Allowances**

The pay and allowances of officers appointed under this Article remain unchanged since the appointments are in the grade in which the officers are serving or a lower grade.

#### **3.A.11.e. Physical Examination**

A physical examination is not required for officers serving on active duty.

#### **3.A.11.f. Delaying Appointment**

An officer's records, available at Commander (CG PSC-BOPS-C-MR), are complete only up to the date of the latest officer evaluation report; more than six months may elapse between that date and when an appointment letter is issued. Therefore, each officer in the chain of command is responsible for delaying an appointment letter if, in their knowledge, the appointee has disqualified themselves in the elapsed interval. Delaying an appointment letter consists of returning it to Commander (CG PSC-OPM-1) together with a succinct explanation of the circumstances which prompted the action. A disqualification here means any circumstance which casts serious doubt on the moral or professional qualifications of the officer concerned for appointment as a permanent Coast Guard officer.

**3.A.11.g. Discharge from Warrant, Enlisted, or Reserve Status**

Members holding chief warrant officer, enlisted, or reserve status who accept permanent appointment are discharged from their permanent status on accepting the appointment effective as of the day preceding that on which they execute the oath of office. See Article 1.A.2. of reference (c), Military Separations, COMDTINST M1000.4 (series).

---

**3.A.12. Procedures to Promote Officers**

**3.A.12.a. Promotions**

Under this Article, the President, by and with the advice of the Senate, promotes all regular officers to the grades of lieutenant commander and above and all integrated reserve officers to the grades of commander and above. The President alone promotes regular officers to lieutenant and below and integrated reserve officers to lieutenant commander and below. Promotions are authorized in this manner. Commander (CG PSC-OPM-1) publishes the Officer Promotion Authorization Listing (OPAL) monthly by general message. The OPAL authorizes commanding officers or officers exercising administrative control to promote commissioned officers, ensign through captain, and chief warrant officers to the next higher grade. A letter from the Commandant authorizes flag officer promotions; the OPAL announces them. In all cases, either a copy of the OPAL or the letter authorizing the promotion shall be delivered to the officer concerned.

**3.A.12.b. Acceptance**

Unless they expressly decline the promotion within five days after receipt, an officer promoted under this Article is considered to have accepted the promotion on its effective date.

**3.A.12.c. Oath of Office**

An officer who has served continuously since they subscribed to the oath of office prescribed in 5 U.S.C. § 3331 is not required to take a new oath on promotion to a higher grade (14 U.S.C. 273).

**3.A.12.d. Pay and Allowances**

An officer promoted under this Article is entitled to the pay and allowances of the grade to which promoted as of the effective date listed in a promotion letter or the OPAL (14 U.S.C. § 274).

**3.A.12.e. Physical Examination**

A physical examination is not required in promoting an officer to the next higher commissioned grade.

**3.A.12.f. Delaying Promotion**

Each officer in the chain of command or Commander (CG PSC-OPM) is responsible for delaying a promotion if they know the appointee has disqualified themselves after being placed on a promotion list. Disqualification here means any circumstance which casts doubt on the moral or professional qualifications of the officer concerned, including pending action by a board of officers, courts-martial, or investigative proceedings (14 U.S.C. § 271(f)). The following actions will take place in this event:

- (1) Reporting Requirement. A complete report of the circumstances recommending removing the selectee from the promotion list under Article 3.A.4. of this Manual shall be sent to Commander (CG PSC-OPM). If the promotion letter is used for notification, include it if received; a copy of the OPAL need not be included. The selectee shall be furnished a copy of the report and required to acknowledge receipt. Attach a signed copy of the acknowledgment as an enclosure to the report.
  - (2) Notification Requirement if Initiated by CG PSC. If Commander (CG PSC-OPM) initiates delaying a promotion, they shall advise the officer concerned in writing of the reasons for so doing and require acknowledgment of receipt.
  - (3) Board of Officers. The Commandant shall refer the case to a board of officers to recommend to the President whether to remove the selectee from the promotion list. The officer concerned will be afforded 10 calendar days notice of the proceedings, and may communicate by memorandum to the board via Commander (CG PSC-OPM-1) in accordance with Article 3.A.6.h. of this Manual.
  - (4) Board Findings and Subsequent Actions. The president of the board will forward a report of the board proceedings containing a recommendation to the Commandant on whether or not the officer should be promoted, along with reasons for the recommendation. If the Commandant finds removal from the promotion list appropriate, they will forward the report with endorsements to the Secretary of Homeland Security (acting as the alter ego of the president), who is the final reviewing authority. If the Commandant determines that removal is inappropriate, the case is closed, and the promotion delay cancelled.
- 

**3.A.13. Frocking Officers Selected for the Next Higher Grade****3.A.13.a. Conditions for Frocking**

Under the authority of 10 U.S.C. § 777, the Commandant may frock Coast Guard officers; i.e., authorize a brevet to the grade to which selected but not yet promoted. These officers may be considered for "frocking" under these circumstances:

- (1) Assignment to Another Agency or Service. The higher grade is necessary to clearly establish the officer's position when they report to another agency or service for duty.

- (2) To Attain Government Quarters. The higher grade is necessary to ensure the officer is assigned government quarters commensurate with the grade in which they will serve.
- (3) To Maintain Coast Guard Image. In selected instances in which the officer is ordered to a command billet of the higher grade for which they have been selected and the higher grade is desired to maintain the Coast Guard's image in an area where they are the senior Coast Guard officer.
- (4) Essential to Carrying Out Duties. In selected instances when the higher rank is a significant factor in establishing the officer's stature and enhances their ability to successfully carry out their duties.

**3.A.13.b. Commands Authorized to Request Frocking**

Flag officers, SESs, and commanding officers of Headquarters units may request authority from Commander (CG PSC-OPM) or (CG PSC-RPM) to frock officers under their cognizance who meet any one of these requirements.

**3.A.13.c. Frocking Procedure**

Captain and commander assignment panels recommend to Commander (CG PSC) those officers who, in the panel's opinion, should be frocked to the next higher grade in conjunction with their future assignments. The general message announcing the panel results will note frockings approved in conjunction with assignment panels. Approved frockings generally are effective when the officer detaches from their current assignment; however, the official transfer orders issued by Commander (CG PSC-OPM-2) or (CG PSC-RPM-2) will contain actual authority.

**3.A.13.d. Effective Dates**

Officers selected for promotion who will be entitled to dates of rank earlier than the date the particular board is approved, either due to action of the Board for Correction of Military Records or to correct administrative error (14 U.S.C. § 262), will be frocked to the grade for which selected effective 10 days after Commander (CG PSC-OPM) or (CG PSC-RPM), as applicable, receives Senate confirmation (lieutenant commander and above) or Presidential appointment authority (below lieutenant commander). Also, regular ensigns selected to lieutenant (junior grade) will be frocked, if required, when they complete the necessary time in grade. Commander (CG PSC-OPM-1) will perform these actions; they need not be separately requested.

**3.A.13.e. Benefits**

- (1) General. Frocked officers are authorized to:
  - (a) Assume the title and wear the insignia of the grade to which frocked.

- (b) Housing commensurate with the grade to which frocked.
  - (c) A new Armed Forces Identification Card, , to reflect the higher grade, as outlined in Personnel and Pay Procedures Manual, PPCINST M1000.2 (series).
  - (2) Pay, Allowances, and Travel Entitlements. Pay, allowances, and travel entitlements accrue at the lower permanent grade. The higher grade's pay and allowances accrue from the effective date listed in the promotion letter or the OPAL as outlined in Article 3.A.12. of this Manual.
  - (3) Officer Evaluation Reports (OER). Officer evaluation reports continue to be submitted in the lower permanent grade as outlined in Article 5.A. of this Manual.
  - (4) Disciplinary Powers. Frocking does not authorize increased disciplinary powers under Article 15, Uniform Code of Military Justice (UCMJ).
  - (5) Time in Grade. Time in grade for determining retirement eligibility is computed from the appointment date, not the frocking date.
-

### **3.B. Promoting Chief Warrant Officers**

---

#### **3.B.1 General**

##### **3.B.1.a. Definition**

Chief warrant officers (CWOs) are commissioned Coast Guard officers who serve in those grades as established by law and have authority commensurate with this status. CWOs are mature individuals with appropriate education and/or specialty experience whose demonstrated initiative and past performance show they have the potential to assume positions of greater responsibility requiring broader conceptual, management, and leadership skills. While administrative and technical expertise is required in many assignments, CWOs must be capable of performing in a wide variety of assignments that require strong leadership skills. Enlisted and officer experience provides these officers a unique perspective in meeting the Coast Guard's roles and missions.

##### **3.B.1.b. Billet Structure**

Warrant officer billets are issued in the normal budgetary process and are independent of commissioned officer billets. All warrant officer billets are at the W-4 level. The Commandant shall maintain a list of all active duty chief warrant officers other than those described in Title 10 U.S.C. § 582.

---

#### **3.B.2 Warrant Officer Utilization**

##### **3.B.2.a Connection between Enlisted and Officer Corps**

Coast Guard warrant officers are part of the officer corps. As such, they hold a unique organizational position. Warrant officers "fill the gap" between the enlisted corps and higher grade commissioned officers. They are able to fully understand and communicate with the enlisted technician. Through understanding the requirements and problems of the enlisted technician, and the management requirements of the general line officer, warrant officers form an essential communications link between higher grade officers and enlisted. This communication, both up and down the chain, significantly contributes to the efficiency and effectiveness of the service.

##### **3.B.2.b. Warrant Officer Assignments**

Warrant officers are assigned responsibilities and have authority commensurate with their experience including assignments as commanding officer, executive officer, engineering officer, division/section officers, and department heads aboard many kinds of units. The service has a number of small units requiring the authority of a commissioned officer acting as commanding officer, but also requiring senior management to have strong technical knowledge. Warrant officers uniquely fill both service needs. Therefore, using warrant officers deploys scarce resources more effectively.

---

### **3.B.3 Selection Process**

#### **3.B.3.a Original Appointments**

- (1) All initial appointments to warrant grade shall be as W-2.
- (2) The CWO Indoctrination Course is mandatory for all newly appointed chief warrant officers. Refer to the Chief Warrant Officer Indoctrination Course, COMDTINST 1500.1 (series) for further information.

#### **3.B.3.b. Promotion Zone (10 U.S.C. § 574)**

The promotion zone for the next higher grade will include all warrant officers who will have completed three years time in grade by the date the selection board convenes. Commander (CG PSC) will announce promotion zones via message.

#### **3.B.3.c. Communication with Selection Boards (10 U.S.C. § 573(f))**

- (1) General. Individuals eligible for consideration by a selection board may communicate directly with the board by letter arriving by the date the board convenes, inviting attention to any matter in their Armed Forces record. A letter sent under this paragraph may not criticize any officer or reflect on any officer's character, conduct, or motive (10 U.S.C. § 573(f)).
- (2) Correspondence Contents. Correspondence to the board shall be in care of Commander (CG PSC-OPM-1). Chain of command endorsements are optional. The only enclosures or attachments permitted are copies of official records and materials allowed to be submitted with officer evaluation reports under Article 5.A.4.c.(3) of this Manual. Do not solicit or submit as enclosures letters from other officers. To receive an acknowledgment, submit a completed, self-addressed Interim Response, Form CG-4217, with the letter.
- (3) Composition of Endorsements. Endorsements to letters submitted to selection boards shall not include opinions whether an individual should be selected for promotion or opinions on selection boards and their methods.

#### **3.B.3.d. Convening of Selection Boards (10 U.S.C. § 573)**

When service needs dictate, the Commandant shall convene a selection board to recommend eligible active duty warrant officers for promotion. The schedule of board convening dates shall be published annually in reference (h), Schedule of Active Duty Promotion List (ADPL) and Inactive Duty Promotion List (IDPL) Officer Personnel Boards and Panels, PSCNOTE 1401.5 (series).

**3.B.3.e. Composition of Boards (10 U.S.C. § 573)**

The board shall consist of at least five officers on the active duty promotion list above the permanent grade of lieutenant commander. Warrant officers, senior in grade to those under consideration, may be assigned as additional members of the selection board. No officer may serve on two consecutive boards if the second board considers any warrant officer who was considered by the first board. When reserve warrant officers are to be considered by the selection board, the membership of the board shall, if feasible, include at least one reserve officer.

**3.B.3.f. Oath of Members of the Board (10 U.S.C. § 573)**

Members of the selection board shall swear that they will, without prejudice or partiality and having in view both the special fitness of officers and the efficiency of the Coast Guard, perform the duties imposed upon them.

**3.B.3.g. Information to be Furnished to Boards (10 U.S.C. § 576)**

Commander (CG PSC) shall furnish the selection board with a precept containing:

- (1) The maximum number of officers that the board may recommend for promotion to the next higher grade,
- (2) The names and records of all chief warrant officers who are eligible for consideration for promotion to the grade to which the board will recommend chief warrant officers for promotion, and
- (3) Such information and guidelines relating to the needs of the Coast Guard for chief warrant officers having particular skills.

**3.B.3.h. Number to be Selected (10 U.S.C. § 576)**

- (1) The maximum number of warrant officers who may be selected for promotion to W-3 or W-4 shall be prescribed by the Commandant.
- (2) If a board is unable to select the number of warrant officers established by the Commandant because an insufficient number are determined to be fully qualified, only those officers who are found fully qualified for promotion may be recommended for promotion.

**3.B.3.i. Finding Unfit or Unsatisfactory Performance (10 U.S.C. § 576)**

The selection board shall report the names of those chief warrant officers considered by it, whose records and reports establish, in its opinion, their unfitness or unsatisfactory performance in their permanent regular grade. The selection board will fulfill the requirements of a special board as outlined in Article 1.A.20.b. of reference (c), Military

Separations, COMDTINST M1000.4 (series). Warrant officers found unfit or unsatisfactory in their performance of duty by the selection board shall be referred to an evaluation board convened under the guidelines of Article 1.A.20.c. of reference (c), Military Separations, COMDTINST M1000.4 (series).

**3.B.3.j. Procedures for Boards Considering Chief Warrant Officers on Both a Fully Qualified and a Best Qualified Basis (10 U.S.C. § 575)**

- (1) Board Guidance. Boards convened to consider chief warrant officers on a fully and best qualified basis for promotion shall refer to the guidelines in Article 6.A.7. of this Manual and may not recommend more than the number specified in the precept.
- (2) Findings of Not Fully-Qualified. In addition to the names and reasons for those found unsatisfactory pursuant to Article 3.B.3.i. of this Manual, the names of those officers found not fully-qualified, as well as the reasons for the findings, shall be included if less than the number specified in the precept are selected. In arriving at these recommendations, the criteria in Article 6.A.7. of this Manual shall be followed.
- (3) Board Report. The board shall submit a report as provided in Article 6.A.7. of this Manual.

**3.B.3.k. Selection Board Reports**

- (1) Commandant's Authority. The Commandant may approve or disapprove all or part of the report. The Commandant shall determine whether the board acted contrary to law or regulation. If the Commandant determines that the board acted contrary to law or regulation, the Commandant shall return the report to the board for further proceedings, together with a written explanation of the determination. The selection board shall then conduct such proceedings as may be necessary to comply with the law and regulations, and shall submit a revised report to the Commandant (10 U.S.C. § 576).
- (2) Appointment Process. When the Commandant approves the selection board report, the Commandant shall place the names of the chief warrant officers approved for promotion on a single promotion list for each grade in order of their seniority and submit the list to the Secretary for their appointment by the President (10 U.S.C. § 578).

**3.B.3.l. Failure of Selection (10 U.S.C. § 577)**

A warrant officer who is not recommended for promotion is considered to have failed of selection. The date of failure of selection for promotion is the date the Commandant approves the report of a selection board not recommending the promotion or the date the name of the officer concerned is removed from a promotion list.

**3.B.3.m. Effective Date of Promotion**

Except in the case of a previous failure of selection for promotion, the date of appointment and the date of rank for promotion to W-3 or W-4 is as follows:

- (1) W-2 to W-3. Four years from date of appointment as W-2. For example, a W-2 appointed on 1 June 2001 would be promoted to W-3 on 1 June 2005.
- (2) W-3 to W-4. Four years from date of appointment as W-3. For example, a W-3 appointed on 1 June 2004 would be promoted to W-4 on 1 June 2008.

Note: Determining the date of rank of a chief warrant officer who has previously failed selection is outlined in Article 3.B.4. of this Manual.

---

**3.B.4. Consideration by the Next Annual Selection Board**

**3.B.4.a. General (10 U.S.C. § 577)**

Warrant officers who once fail of selection shall be considered by each later selection board that considers chief warrant officers in their grade until they are retired, separated, or selected for promotion. Unless retained under the provisions of 10 U.S.C. § 580(a) or 10 U.S.C. § 580(e), a warrant officer who twice fails selection for promotion is not eligible for further consideration for promotion.

**3.B.4.b. Selection by Subsequent Board (10 U.S.C. § 578)**

The name of each warrant officer who failed selection while in the zone, and who is selected by a subsequent selection board, shall be placed on the new list prepared by the current board in order of existing seniority. Officers in this category shall be tendered appointment either one year after the date they would have been appointed had they been selected by the board immediately preceding the current board or the earliest date on which any warrant officer who has not failed selection and whose name follows theirs on the approved promotion list is promoted to the higher grade, whichever is earlier. The member's date of rank shall be the date of their promotion to the higher grade. A warrant officer not in the zone who is considered in accordance with Article 1.A.2.b. of reference (c), Military Separations, COMDTINST M1000.4 (series) shall not lose numbers until they enter the zone.

**3.B.4.c. Failure of Selection by Subsequent Board (10 U.S.C. § 580)**

- (1) Retirement Eligible. Unless continued, retired, or separated under some other provisions of law, a retirement eligible chief warrant officer who has twice failed selection for promotion to the next higher chief warrant officer grade shall be retired not later than the first day of the seventh month after approval of the findings of the board. Mandatory retirement will be effected under the provisions of 10 U.S.C. § 580, unless the officer concerned requests voluntary retirement under 10 U.S.C. §

1293. At the request of the member, the Commandant may defer the retirement of a warrant officer who twice fails selection for promotion to the next higher grade if the officer is serving in a temporary grade above chief warrant officer. When the warrant officer is retired or separated, the officer's commission in the temporary grade above chief warrant officer shall be terminated on the date the officer is retired or separated. In accordance with the provisions of 14 U.S.C. § 334, the officer shall be retired with the highest commissioned grade above chief warrant officer, W-4, held by them for not less than six months in which, as determined by the Coast Guard, the officer's performance of duty was satisfactory.

- (2) 18 Years Service. Unless continued, retired, promoted, or separated under another provision of law, a regular chief warrant officer who twice fails selection for promotion to the next higher grade and who has 18 years of service:
  - (a) On the date the Secretary approves the report of the board that did not select the officer for promotion to the next higher grade a second time,
  - (b) The date the officer's name is removed from the list of officers recommended for promotion by the selection board,
  - (c) The date the officer's name is removed from the promotion list, or
  - (d) Pursuant to 10 U.S.C. § 580(a)(4)(C), the date on which the officer would otherwise be separated 10 U.S.C. § 580(a)(4)(A), shall be retired on the first day of the month immediately following the month in which the officer completes 20 years of active service creditable for retirement. Such a warrant officer remains eligible to be considered for promotion by subsequent selection boards, and shall not be retired if the officer is selected for promotion prior to the retirement date.
- (3) Fewer Than 18 Years Service. Unless promoted, continued, discharged, or retired under another provision of law, a warrant officer who has fewer than 18 years service creditable for retirement, shall be discharged for twice failing of selection to the next higher grade on the first day of the seventh month following the date on which the report of the board is approved, the date on which the officer's name is removed from the recommended list of selectees, or the date on which the officer's name is removed from the promotion list, whichever applies.
- (4) Selected for Continuation. A regular warrant officer who twice fails selection for promotion may be continued on active duty if selected for continuation by a selection board. The Commandant will determine whether a service need exists for warrant officers who twice fail of selection for promotion, and provide authority for their retention in the precept convening a selection board. The precept shall fix the maximum number of such officers that may be recommended for retention, and the period of retention. Officers continued on active duty pursuant to the recommendation of a selection board continue to be eligible for consideration for promotion. If not sooner retired or discharged under another provision of law, an

officer who is continued shall be discharged, or retired if eligible, upon the expiration of the period of continued service, unless promoted, on an approved list of selectees for promotion, continued pursuant to the recommendation of a subsequent selection board approved by the Commandant, or is within two years of qualifying for retirement under 10 U.S.C. § 1293.

---

### **3.B.5. Removal from a Promotion List**

#### **3.B.5.a. General (10 U.S.C. § 576(d))**

When information of an adverse nature is received concerning a warrant officer subsequent to having been recommended for promotion by a selection board, but before an appointment letter has been tendered, or when an appointment letter is returned by an officer in the chain of command who deems the officer unqualified for the appointment, the name of the warrant officer shall be referred to a board in accordance with Article 1.A.20.b. of reference (c), Military Separations, COMDTINST M1000.4 (series). If the officer is found unfit or unsatisfactory, the warrant officer's name will also be referred to an evaluation board in accordance with Article 1.A.20.c. of reference (c), Military Separations, COMDTINST M1000.4 (series) unless the officer has fewer than three years as a commissioned warrant officer, then Article 1.A.19. of reference (c), Military Separations, COMDTINST M1000.4 (series) applies.

#### **3.B.5.b. Consideration by the Next Board (10 U.S.C. § 579)**

A warrant officer whose name has been removed from the list of selectees pursuant to Article 3.B.5.a. of this Manual shall be considered for promotion by the next regularly scheduled selection board. If selected by this board, the warrant officer's name shall be replaced without prejudice on the list from which it was removed. The date of rank is the date it would have been had the member's name not been removed; pay and allowances accrue from the date of rank. If the warrant officer is not selected for promotion by this board, the officer shall be considered to have twice failed selection for promotion, and shall be retired or separated as outlined in Article 3.B.4. of this Manual.

---

### **3.B.6. Procedures for Effecting Promotion of Warrant Officers**

#### **3.B.6.a. Promotions**

The Officer Promotion Authorization Listing (OPAL) will be used to promote chief warrant officers to the next higher permanent grade (W-3 and W-4).

#### **3.B.6.b. Withholding Promotion**

It is the responsibility of each officer in the chain of command or Commander (CG PSC), to withhold the promotion of a chief warrant officer if there is knowledge that they have disqualified themselves after being placed on a promotion list. Disqualification, as used herein, is deemed to be any circumstance which casts doubt on the moral or professional

qualifications of the warrant officer concerned. This includes pending action by a board of officers, courts-martial, or investigative proceedings. The withholding of a promotion by the command shall consist of the following action:

- (1) Contact Commander (CG PSC-OPM-1) by the most rapid means available to execute the appropriate pay action.
- (2) Return the appointment letter to Commander (CG PSC-OPM-1).
- (3) Provide a complete written report of the reason for withholding the promotion to Commander (CG PSC-OPM-1). The warrant officer concerned shall be furnished a copy of the report and shall be required to acknowledge receipt. A signed copy of the acknowledgment shall be attached as an enclosure to the report.

Note: If Commander (CG PSC) initiates withholding a promotion, the chief warrant officer shall be notified in writing of the reason(s) thereof and be required to acknowledge receipt. Upon completion of the notification action, the board action outlined in Article 3.B.5. of this Manual will be initiated.

#### **3.B.6.c. Acceptance**

Acceptance of promotion to the next higher grade is considered accomplished unless specifically declined within five days after receipt. A new oath shall not be administered.

#### **3.B.6.d. Physical Examinations**

A physical examination is not required for promotion of chief warrant officers serving on active duty.

---

### **3.B.7. Selection and Promoting Retired Warrant Officers Recalled to Active Duty**

#### **3.B.7.a. Eligibility for Selection for Promotion**

- (1) Exceptions for Promoting Retired Recalled Warrant Officers. Except in circumstances such as wartime recall or cases of urgent service need, retired warrant officers recalled to active duty shall not normally be eligible for promotion to the next higher grade. This exclusion will be noted in the recall order.
- (2) Promotion of Retired Recalled Warrant Officer who was Twice Non-Selected for Promotion Prior to Retirement. A retired warrant officer who at the time of retirement had once or twice failed selection for promotion to the next higher grade shall in no case be eligible for promotion if recalled to active duty.

**3.B.7.b. Selection**

Under the circumstances noted above, when a board is convened, eligible retired warrant officers recalled to active duty will be considered for promotion by the warrant selection board consisting of five or more officers in the grade of commander or above convened for that purpose. Warrant officers, senior in grade to those under consideration, may be assigned as additional members of the selection board. Consideration for promotion will be on a fully qualified basis.

**3.B.7.c. Failure of Selection**

Any retired warrant officer recalled to active duty who fails selection for promotion shall be returned to the retired list not later than the first day of the seventh month after the date the selection board is approved by the Commandant.

**3.B.7.d. Promotion**

Promotion of retired warrant officers will be per the provisions of Article 3.B.6. of this Manual.

---

**3.B.8. Selective Early Retirement Boards (SERB)**

**3.B.8.a. Selective Retirement Zone (10 U.S.C. § 581)**

Before convening a board to consider warrant officers for retirement, the Commandant shall establish a list which shall include each warrant officer on the active duty list, other than those warrant officers serving in a higher temporary grade who have not been previously considered by a SERB and who will complete at least seven years in the grade of W-4 as of 1 July following the board. Warrant officers with approved voluntary retirements and officers who are scheduled for mandatory retirement during the fiscal year in which the board convenes or the subsequent fiscal year, are excluded from consideration for selective retirement by the board. Requests for voluntary retirement from officers whom the SERB otherwise would consider will be considered if they are received no later than 30 days prior to the convening date of the SERB.

**3.B.8.b. Convening of Boards (10 U.S.C. § 581)**

The Commandant may, whenever the needs of the service dictate, convene a board to recommend for retirement those warrant officers whose names are not on a list of warrant officers recommended for promotion and who are retirement eligible under any provision of law.

**3.B.8.c. Communicating with the Selective Early Retirement Board**

(1) Guidance. Refer to Article 3.B.3.c. of this Manual for guidance on communicating with Warrant Officer Selection Boards.

- (2) Submission of Communication. Communications to the selective early retirement board should be sent to: President, Chief Warrant Officer Selective Early Retirement Board, c/o Commander (CG PSC-OPM-1). Communications received will be acknowledged when a completed, self-addressed Interim Response Card, Form CG-4217, is submitted with the letter.

**3.B.8.d. Composition of Boards**

The board shall consist of at least five officers on the active duty promotion list above the permanent grade of lieutenant commander. Warrant officers senior to those under consideration may be assigned as additional members of the board.

**3.B.8.e. Oath of Members of the Board (10 U.S.C. § 581(d)(1))**

Members of the selective early retirement board shall swear that they will, without prejudice or partiality and having in view both the special fitness of officers and the efficiency of the Coast Guard, perform the duties imposed upon them.

**3.B.8.f. Number to be Recommended for Early Retirement (10 U.S.C. § 581(a))**

The Commandant shall prescribe the maximum number of warrant officers who may be selected for early retirement.

**3.B.8.g. Submission of Report**

The board shall submit a report of its proceedings as outlined below:

- (1) A cover sheet,
- (2) A listing of membership,
- (3) A listing of the convening, meeting, and adjourning dates,
- (4) A listing of the names of chief warrant officers recommended for early retirement,
- (5) A certification that, in the opinion of at least a majority of the members of the board, the officers recommended should be retired,

**3.B.8.h. Warrant Officers Recommended for Retirement (10 U.S.C. § 581)**

- (1) Date Retirement is Authorized. A warrant officer who is recommended for retirement and whose retirement is approved by the Commandant shall be retired, under any provision of law under which the officer is eligible to retire, on the date requested and approved by the Commandant. This date shall not be later than the first day of the seventh month beginning after the month in which the Commandant approves the report of the board which recommended the warrant officer for retirement.
  - (2) Classification as Involuntary Retirement. The retirement of a warrant officer pursuant to this section shall be an involuntary retirement for purposes of any other provision of law.
- 

**3.B.9. Lateral Change in Warrant Specialty**

A request for lateral change in warrant officer specialty will be considered on its own merits, and a lateral change in specialty will be authorized only in those unique cases where it is clearly in the best interests of the service to do so.

---

**3.B.10. Appointing Chief Warrant Officers as Temporary Officers (14 U.S.C. § 214)**

**3.B.10.a. General**

The primary objective of this program is to improve the inventory of officers in the middle grades in certain occupational fields where the special skills and experience of warrant officers are needed to round out the experience of the total officer population. A secondary objective is to provide a limited opportunity for upward mobility for deserving senior members of the warrant officer corps.

- (1) Appointments Based on Needs of the Service. The program will be responsive to the needs of the service, limited in scope, and highly selective. Appointments will not necessarily be apportioned among all warrant officer specialties. The exact numbers and specialties will be determined annually based on projected service needs and after considering the impact on critical enlisted ratings, officer promotion rates, and Officer Candidate School inputs.
- (2) Temporary Appointment. Selected applicants will be offered appointments as temporary regular officers and placed on the active duty promotion list in accordance with the provisions of Article 3.A.2. of this Manual. Permanent appointments will not be tendered to officers appointed under this program until the officer is selected by their first best-qualified promotion board and subsequently requests integration in

accordance with Article 1.A.8. of this manual. Selectees who do not integrate will continue to be eligible for promotion in their permanent warrant officer grade as set forth in Article 3.B.3. of this Manual.

**3.B.10.b. Obligated Service**

Appointees are obligated by acceptance of the appointment to serve as temporary officers for three years from date of appointment.

**3.B.10.c. Assignments**

Officers appointed as temporary lieutenants will be assigned to duty within the primary occupational field for which they were selected and will not normally be rotated out of such duty.

**3.B.10.d. Reversion**

Requests to revert from a temporary grade to a permanent warrant grade will normally be disapproved unless unique needs of the service support the reversion. Warrant officers who accept temporary appointments to lieutenant may revert to their warrant grade if twice non-selected for promotion; however, those officers approved for reversion to their former warrant officer grade, who were appointed to a higher warrant grade subsequent to their appointment to lieutenant, must serve two years time in grade as required by Article 1.C.9. of reference (c), Military Separations, COMDTINST M1000.4 (series).

**3.B.10.e. Retirement**

- (1) Upon 30 Years Service. Upon completion of 30 years service, officers appointed under this program who do not integrate, as outlined in Article 1.A.8.a. of this Manual, shall be retired pursuant to 10 U.S.C. § 1305, in the highest grade satisfactorily held as outlined in 14 U.S.C. § 334 and 10 U.S.C. § 1371.
- (2) Twice Fail Selection. Lieutenants who twice fail selection for lieutenant commander will be retired, or if they request, reverted to their chief warrant officer grade.

**3.B.10.f. Original Appointment of Temporary Officers (14 U.S.C. § 214)**

At such times as the needs of the service dictate, the Commandant shall convene an appointment board to recommend eligible warrant officers for appointment to temporary lieutenant. Reference (h), Schedule of Active Duty Promotion List (ADPL) and Inactive Duty Promotion List (IDPL) Officer Personnel Boards and Panels, PSCNOTE 1401.5 (series), will publish the convening date of the board. The occupational fields and specialties needed for that promotion year will be announced by message.

**3.B.10.g. Eligibility**

Applications will be considered from chief warrant officers, W-3, W-4, or W-2, who will be considered by the W-3 selection board in the same promotion year. However, appointments of chief warrant officers W-2 to lieutenant, shall be offered only to those whose name appears on a promotion list to W-3. All applicants must have completed at least 13 years but not more than 26 years of active duty for retirement, computed to 30 June following the board. In addition to this active duty service requirement, applicants must possess normal color perception, a requirement for all commissioned officers. In addition, applicants for the MMS (Deck) and MMS (Engineering) specialties must hold qualification (hull inspector and/or machinery inspector) for the specific occupational field(s) requested. Qualification letters must be appended to the application/resume.

**3.B.10.h. Application**

Applications may be made for only the occupational field which is related to the warrant officer specialty listed in Article 3.B.10.h.(3) of this Manual. If the applicant is serving in a warrant specialty which is related to more than one of the occupational fields offered, the officer may request consideration for more than one; however, the officer must specify the order of preference (i.e., first and second choice).

(1) Form and Content. Candidates shall apply via Direct Access e-Resume requesting consideration by the CWO to LT selection board. The e-Resume is used to populate Direct Access which informs Commander (CG PSC-OPM-1) of the members' candidacy. In addition, candidates must apply by memorandum to Commander (CG PSC-OPM-1) via their immediate command. The selection board will use the candidates' memorandum as one of the selection criteria. No enclosures to the application are permitted with the exception of hull or machinery qualification letters. The application/resume shall be submitted in basic Coast Guard memorandum format (limited to a maximum of 2 pages, single-sided, single-spaced, 12 point text with 1 inch margins) and in the following sequence:

- (a) Paragraph 1. The occupational field, or fields (specify preference) for which the candidate is applying.
- (b) Paragraph 2. The historical summary of units assigned as a CWO with the primary and collateral duties assumed for each (listed in chronological order with the most recent first).
- (c) Paragraph 3. A summary of major professional accomplishments including medals, awards, and academic achievements. (List only personal medals and awards. Do not list all ribbons earned.)
- (d) Paragraph 4. A statement addressing the candidate's reasons for desiring appointment to the grade of lieutenant.

- (2) Endorsement. The e-interview portion of the e-Resume shall not be completed. Endorsements are to be completed as attachments to the letter application. The commanding officer's endorsement shall address the applicant's potential to perform successfully in the grade of temporary lieutenant and shall include a computation of the applicant's total service computed to 30 June following the board. The command endorsement is limited to one page.
- (3) Specialties. Chief warrant officers who meet the eligibility requirements of this Article may apply to the occupational field or fields that are related to their specialty as indicated below:

<b>Officer Specialty</b>	<b>Warrant Specialty</b>
Operations Afloat	Boatswain (BOSN) Weapons (WEPS)
Operations Ashore – Response	Boatswain (BOSN) Maritime Law Enforcement Specialist (MLES) Operations Systems Specialist (OSS)

**CHAPTER 4 (RESERVED)**

---

**The content of this chapter, under the previous title of Officer Qualifications, has been relocated to a new directive, Military Qualifications and Insignia, COMDTINST M1200.1 (series).**

## **Chapter 5      Officer Evaluation System (OES)**

A. Overview. This Chapter states policies and standards for conducting performance evaluations for Coast Guard officers.

1. Purpose. The Officer Evaluation System documents and drives officer performance and conduct in accordance with Service values and standards. This information is used to support personnel management; primarily selection boards and panels, retention, and assignments

2. Applicability.

a. All active duty officers in the grade of W-2 to O-6 must receive officer evaluation reports (OERs).

b. All IDPL officers in the grade of W-2 to O-6 must receive officer evaluation reports (OERs).

c. Retired officers recalled to active duty may receive OERs in accordance with Article 5.M. of this Manual.

d. Flag officers are managed under a separate system.

e. Public Health Service (PHS) officers are evaluated under a separate system.

B. Roles and Responsibilities.

1. Commandant (CG-133) must:

a. Establish and maintain policy governing OERs.

b. Provide policy guidance to Commander (CG PSC).

2. Commander (CG PSC) has overall responsibilities for the OES. Administrative servicing of OERs is accomplished by Commander (CG PSC-OPM-3) or Commander (CG PSC-RPM-1). Servicing of an officer's personnel record is accomplished by Commander (CG PSC-BOPS-C-MR).

3. Commander (CG PSC-OPM-3) or Commander (CG PSC-RPM-1) must:

a. Maintain all forms and issue procedural instructions to implement the policies and standards of this Chapter. Make policy recommendations to Commandant (CG-133).

b. Review and validate OERs for administrative and substantive errors with attention given to inconsistencies between the numerical evaluations and written comments (if applicable).

- (1) May return any OER requiring significant correction or redaction to the appropriate member of the rating chain.
  - (2) Correct OERs containing minor administrative errors or as directed by judicial or administrative adjudications without return to the rating chain.
  - (3) The review is not intended to question a rating official's judgment about a subordinate's performance, but to ensure OERs have been prepared in accordance with this Chapter's policies and standards.
  - (4) Provide final quality control review of OERs containing substantive errors, including "restricted" remarks as outlined in Article 5.I. of this Chapter. Certain corrective measures may be taken to expedite validation of OERs, reviewer comments, OER replies, and addenda.
- c. Serve as reviewer on an OER in unusual circumstances.
- d. Provide training and guidance:
- (1) on the OES, subject to resource availability.
  - (2) to rating chains as requested.
  - (3) for civilian employees assigned rating chain responsibilities.
- e. Determine which officers, if any, must use the Office Support Form (OSF), Form CG 5308.
- f. Grant or deny exceptions to policies and standards as permitted in this Chapter.
- g. Report annually on the health of the OES to Commander (CG PSC). Statistical trends and conclusions will be included in the report, plus recommended changes for the current year and identification of issues and/or changes under consideration.
- h. Publish Coast Guard Officer Evaluation System Procedures Manual, PSCINST M1611.1 (series) to discuss procedure and expanded guidance on OER completion and submission.
4. Commander (CG PSC-BOPS-C-MR) must:
- a. Maintain the validated OER as a part of the Electronically Imaged Personnel Data Record (EI-PDR) in accordance with Military Personnel Data Records (PDR) System, COMDTINST M1080.10 (series).
  - b. Respond to individual inquiries and requests related to those records, including missing copies of OERs and requests for copies of reported-on officer's EI-PDR.

5. For this Chapter, commanding officers include area and district commanders, commanders of logistics/service centers, commanding officers of Headquarters units and subordinate units or organizations, and cutters. Commanding officers must:

- a. Ensure accurate, fair, and objective evaluations are provided to all officers under their command. In using the OER, strict and conscientious adherence to specific wording of the standards is essential to realizing the purpose of the evaluation system.
- b. Ensure members of the rating chain carry out their OES responsibilities.
- c. Implement the OES for all Coast Guard officers within their commands.
- d. Designate and publish the command's rating chains.
- e. Establish procedures that ensure timely submission of OERs. Ensure OERs for officers eligible for promotion or panel action are not delayed.
- f. Provide local oversight and accountability for the proper preparation of OERs. Commanding officers are encouraged to monitor OERs submitted by the designated rating chain within their commands as a means of ensuring consistency.
- g. Require mid-period counseling.
- h. Encourage recurring training, for all officers within their commands, on OES policies, standards, procedures, and forms.
- i. Obtain training from Commander (CG PSC) for civilian employees and non-Coast Guard officers who perform the duties of either supervisor or reporting officer. Civilians must not be assigned to a rating chain before receiving OES training certification from Commander (CG PSC) and having incorporated the OES rating chain responsibilities in their Core Competencies.
- j. Ensure performance in meeting requirements of the Coast Guard occupational health and safety program are documented appropriately and consistently with the reported-on officer's assigned responsibilities and authority. (This Article complies with Article 1960.11 of 29 CFR XVII.)

C. OES Standards and Policies . The following standards and policies apply to the entire Chapter, unless explicitly amended by another article in this Chapter.

1. The OES must document every day of an officer's commissioned service, unless they are:
  - a. a flag officer,
  - b. retired, or

- c. assigned to the Inactive Status List (ISL).
2. All Reported-On Officers must be counseled on their performance during the reported period. The Reported-on Officer is responsible to ensure this session takes place and is documented.
3. OERs may only be submitted in accordance with, and for occasions listed in, Articles 5.E. and 5.F of this Manual.
4. The period of report must not exceed:
  - a. 30 months for officers on a biennial schedule,
  - b. 18 months for officers on an annual schedule, and
  - c. 12 months on a semiannual schedule.
5. The only exceptions to Article 5.C.4. of this Manual are:
  - a. Duty under instruction (DUINS) OERs (see Article 5.E.8. of this Manual), or
  - b. Continuity OERs for the period an IDPL officer is in the Individual Ready Reserve (IRR) or Active Standby list (ASL) (see Article 5.E.9. of this Manual).
6. Periodically, officers may experience circumstances due to a temporary condition which result in a limited opportunity to perform. These circumstances may involve specific performance restrictions (e.g., those imposed by a medical authority), which require restructuring or reassignment of duties. While preferential treatment must not be given, the rating chain must ensure these individuals do not receive substandard evaluations strictly as a consequence of these circumstances.
7. The rating chain, in consultation with the health care providers, must establish a “reasonable expectation of performance” given the individual’s current circumstances. In particular, rating chain must determine whether or not an individual requires reassignment to a different work environment and/or restrictions on performing specific types of tasks. Additionally, reduced work hours may be necessary. When considering reassignment or restructuring of duties, the rating chain must identify service needs which complement the temporarily limited abilities of the officer.
8. Officers who have been frocked (excluding captains serving as flag officers) must follow the schedule for their actual pay grade, not for the grade to which they have been frocked.
9. Officers promoted during a reporting period must follow the submission schedule for the promoted pay grade to determine when their next OER is due. The reported-on officer’s grade on the occasion of the “promotion of officer” OER is the grade prior to promotion.

10. Officers with both a temporary and a permanent commission (such as CWO to LT) will follow the higher commission's schedule and standards.

D. OER Rating Chain. The rating chain is the succession of individuals who are responsible for preparing, completing, and reviewing an officer's OER. Commander (CG PSC) must promulgate designation and responsibilities for each member of the rating chain, taking into account the nature of the occasion the OER.

1. For reported-on officers receiving a DUINS OER, rating chains will be individuals within the appropriate program managing office. Program managers will designate the rating chain for reported-on officers, including captains, assigned to DUINS programs.
2. For captains receiving a DUINS OER, the reporting officer and reviewer must be a Coast Guard flag officer or Coast Guard Senior Executive Service member from the appropriate headquarters program managing office.
3. For captains attending Senior Strategic Groups (SSG), the reporting officer and reviewer must be a Coast Guard flag officer, Coast Guard Senior Executive Service member, or service equivalent (e.g., Chief of Naval Operations for the CNOS SSG) unless the reporting officer is at least equivalent to a Coast Guard flag officer or SES (e.g., White House, DHS, other services).
4. The Coast Guard Judge Advocate General shall be the reviewer for all reported-on officers in specialty who perform duties as a military judge during the period of report and for those reported-on officers in legal billets without a Judge Advocate in the rating chain as designated by the unit commanding officer (e.g., District Staff Judge Advocates). For reported-on officers out of specialty who perform collateral duties as a military judge during the period of report, the reported-on officer's unit commanding officer designates the rating chain. However, the Judge Advocate General shall provide comments on Comments, Form CG-5315 to document judiciary performance only. For reported-on officers out of specialty who do not perform any collateral duties as a military judge during the period of report, the Judge Advocate General will not provide comment on Comments, Form CG-5315.
5. In instances where a rating chain member is unavailable or disqualified to carry out their responsibilities and if not already determined by the commanding officer, it is incumbent on the reported-on officer to identify the next senior officer in the chain of command that an exception to the rating chain may exist and an appropriate substitute for evaluating the reported-on officer must be designated. This issue should be raised by the reported-on officer during the reporting period or within 60 days after the end of the reporting period.

E. Occasions for Regular OERs. A regular OER is a report that qualifies for continuous chronological coverage of the reported-on officer's commissioned service. All OERs listed are Regular OERs.

1. Amount of days. Multiple Articles within Article 5.E. of this Manual reference the following days.
  - a. All IDPL schedule officers and Annual ADPL schedule officers. 184 days
  - b. Semiannual ADPL schedule officers. 92 days
2. Biennial, annual, or semiannual. Officers must receive biennial, annual, or semiannual OERs unless exempted by a policy in Article 5.E. of this Manual.
  - a. Submission Schedule. Commander (CG PSC) must promulgate when biennial, annual, or semiannual OERs must be submitted, making allowances for differences in pay-grade, promotion lists, active duty orders, and any other concerns.
  - b. Required Submission. No officer above or in zone for consideration for promotion, as announced by Commander (CG PSC), may choose not to submit a biennial, annual, or semiannual OER waived in favor of a later regular OER.
  - c. Optional submissions.
    - (1) Any officer who received another regular OER, within the time frame specified in Article 5.E.1. of this Manual, prior to the required submission may choose not to submit a biennial, annual, or semiannual OER submission requirement. This includes officers above or in zone for consideration for promotion.
    - (2) Officers who are not above or in zone for consideration for promotion and who expect to receive another type of regular OER within the time frame specified in Article 5.E.1. of this Manual after the biennial, annual, or semiannual OER is due may choose not to submit a biennial, annual, or semiannual OER.
    - (3) Officers, regardless if the officer is above or in zone, with an approved retirement, separation, or resignation letter on file may choose to submit a Continuity OER in lieu of a biennial, annual, or semiannual OER in accordance with Article 5.E.9 of this Manual.
    - (4) Newly commissioned officers who have been at their first unit less than 120 days may choose to not submit a biennial, annual, or semiannual OER, provided the next regular OER does not exceed the period of report limit in Article 5.C.4. of this Manual.

3. Change of the Reporting Officer (RO).

a. Required Submission. Officers must receive this OER when their RO detaches or changes in the rating chain and more than the following number of days have elapsed since the ending date of the last regular OER:

(1) Biennial. 365 days or 366 days if it is a leap year

(2) ADPL and IDPL Annual. 184 days

(3) Semiannual. 92 days

b. Optional submission. Article 5.E.3.a. of this Manual does not apply when the reported on officer has an approved retirement, separation or discharge on file and is planning on submitting a continuity OER.

4. Detachment on Permanent Change of Station (PCS) Orders or Separation from the Service of the Reported-on Officer.

a. Officers must receive this OER when they execute a PCS and exceed the time limits specified in Article 5.E.1 of this Manual.

b. All ADPL schedule officers must receive this OER when they leave active duty, regardless of the length of period for the report. The period of the report must end on the final day of active service, including days on terminal leave. Separations include:

(1) retirement,

(2) release from active duty of Reserve commissioned officers,

(3) discharge of Regular commissioned officers regardless of accession into the Reserve.

(4) Change of component for ADPL submission schedule to/from IDPL submission schedule or any change of category within the Reserve component.

c. All IDPL schedule officers must receive this OER when they leave active status, regardless of the length of period for the report. The period of report must end on the final day of active status. Separations include:

(1) retirement,

(2) discharge,

(3) transfer to the Inactive Status List (ISL)

- d. For separating members, with the concurrence between the rating chain and the reported-on officer, a continuity OER is authorized instead of this OER in accordance with Article 5.E.9. of this Manual.
5. Promotion or Appointment of Officers. Certain officers must submit this OER for promotion or appointment to a higher grade, with the period of report ending on the last day at the previous grade.
- a. Required Submission.
    - (1) Captains promoted or frocked to flag grade must submit this OER. With the concurrence between the rating chain and the reported-on officer, a continuity OER is authorized instead of this OER in accordance with Article 5.E.8. of this Manual.
    - (2) Commanders promoted to captain and CWO appointed to LT must submit this OER, if more than the 184 days have occurred since the last regular OER:
    - (3) For all other promotions and appointments not explicitly listed in this Article, this OER must be submitted only if the next biennial, annual, or semiannual OER will result in a time period greater than the limits allowed in Article 5.C.4. of this Manual.
  - b. Optional Submission. This OER is never optional and must not be submitted unless explicitly required under Article 5.E.5.a. of this Manual.
6. For Consideration by Selection Panels or Boards.
- a. This OER must be submitted on a non-submission year for biennial schedule officers that are:
    - (1) in or above zone for promotion,
    - (2) subject to a retention board convened under 10 U.S.C. 741.
  - b. This OER may be submitted for officers being considered by Coast Guard sponsored or officially advertised selection panels (e.g., flight school, command screening, NASA astronaut) or selection boards for promotion, extension, or continuation. The period of report must be at least the amount of time specified in Article 5.E.1. of this Manual.

7. Removal from Primary Duty (RPD).

- a. This OER must be submitted when permanently removing an officer from their primary duties as a result of conduct or performance which is substandard or as directed by the permanent relief authority's final action on a permanent relief for cause request in accordance with Reference (q), Military Assignments and Authorized Absences, COMDTINST M1000.8 (series).
- b. The OER will be defined as derogatory and must follow the policies and standards for derogatory OER stated in Article 5.H. of this Manual.
- c. Reassignment not constituting RPD as provided in Reference (q), Military Assignments and Authorized Absences, COMDTINST M1000.8 (series), is not derogatory and therefore does not require a RPD OER.

8. Duty Under Instruction (DUINS). A DUINS OER is not an occasion for report, and may only be submitted for a reason in Articles 5.E.2 to 5.E.7. of this Manual.

a. Commander (CG PSC) must:

- (1) determine which officers, based on their assignment, will follow this schedule in lieu of Article 5.E.2. of this Manual.
- (2) promulgate when DUINS OERs must be submitted, making allowances for differences in pay-grade, promotion lists, active duty orders, and any other concerns.

b. OER submission will be submitted once a year at a minimum. The period of report must not exceed 18 months; this includes ensign and lieutenant (junior grade) submissions. Officers in and above zone for promotion must follow the regular DUINS submission schedule.

c. When a reported-on officer is assigned PCS duty under instruction to industry training, DUINS OERs must be submitted upon detachment of the officer or completion of the program.

d. When a reported-on officer is assigned PCS duty under instruction to flight training, OERs must be submitted at the end of each training phase.

e. Senior Strategic Group (SSG) students must not receive DUINS OERs.

9. Continuity OER. This OER may be submitted in cases where full documentation is impractical, impossible to obtain, or does not meet OES goals. A continuity OER is not an occasion for report, and may only be submitted for a reason in Articles 5.E.2 to 5.E.7. of this Manual.

- a. Commander (CG PSC-OPM-3) or (CG PSC-RPM-1) may reject any continuity OER and require the rating chain to submit a regular or non-regular OER instead of the continuity OER.
- b. A continuity OER may be submitted in lieu of a biennial, annual, or semiannual under the following circumstances.
  - (1) IDPL schedule CWO4s who have at least one fully documented OER, validated and in the EI-PDR at the CWO4 grade, and continue to meet the expected high standard of performance may submit continuity OERs thereafter. Exception: CWO4s considering a direct commission or OCS candidacy may not apply this OER option. CWO4s who do not meet above criteria must submit fully documented OERs as occasion for report dictates.
  - (2) The officer was on leave or unobserved for the entire period of report.
- c. A continuity OER may be submitted in lieu of a Departure/Separation from the Service OER for any officer with approved separation within the time standards listed in Article 5.C.4 of this Manual of the last regular OER submission.
- d. Officers requesting reserve commissions, temporary separation, or being released from active duty (RELAD) may not apply these criteria.
- e. Commander (CG PSC) may issue a continuity OER to implement judicial and administrative adjudications.
- f. A continuity OER may be submitted for captains selected for promotion or frocked to flag grade.
- g. Commander (CG PSC-RPM-1) must complete a continuity OER for non-drilling officers assigned to either the Individual Ready Reserve (IRR) or the Active Status List (ASL) and who are being considered for selection for promotion.
  - (1) This OER may exceed the time standards listed in Article 5.C.4.
  - (2) This occasion for report of this OER is “For Consideration by Selection Panels or Boards.”
  - (3) This OER must end on the date required by Article 5.E.2. for other officers receiving a biennial or annual OER and who are also being considered for selection for promotion.

F. Occasions for Non-Regular OERs. The OERs listed in this Article do not count for continuity.

1. Concurrent. A concurrent OER is an OER submitted outside of the regular submission schedule in addition to a regular OER and thus does not count for continuity.
  - a. The unit to which the reported-on officer is permanently attached is always responsible for ensuring that OER continuity is maintained with regular OERs. The permanent unit's OER is never considered a concurrent report.
  - b. Concurrent reports may be submitted only when the officer is:
    - (1) On active duty and performing temporary duty (TDY) away from a permanent station while being observed by a senior officer other than the regular reporting officer, (e.g., senior aviator deployed aboard a Coast Guard icebreaker). In this case, the concurrent report normally will be written upon the detachment of the TDY officer and cover only the period of temporary duty. This is an optional OER and will be submitted at the discretion of the TDY command. A TDY concurrent OER must be for a period of at least 60 days.
    - (2) Performing an internship or training at a Coast Guard unit (e.g., Law student, legal staff intern) while in a DUINS status. In this case, the concurrent report normally will be written upon completion of the internship and cover only the period of the internship. A concurrent OER for an internship must be for a period of at least 14 days.
    - (3) Filling separate or distinct billets or command functions under different commanding officers.
    - (4) Filling a billet for which technical control and administrative control are separated, such as senior contracting officers.
    - (5) Commanding a unit for which operational control and administrative control are separated, (e.g., units assigned to International Ice Patrol, Deep Freeze Operations).
    - (6) Commanding a unit with divided operational control.
2. Subsequent to Substandard Performance or Conduct. This OER may be completed to document performance or conduct that is substandard but not necessitating a removal from primary duties if deferring the report until the next regular report would preclude documentation to support adequate personnel management decisions, such as selection, retention, or reassignment.

### 3. Subsequent to Disciplinary Action.

- a. This OER must be submitted when actions resulting in a civil court or criminal offense conviction bring discredit upon the Coast Guard and, except for minor traffic violations, must be reflected in the performance evaluation of officers. Therefore, this OER is required after an officer is found guilty of a civil or criminal offense with a detailed description of the conduct documented in the OER as required by Reference (r), Discipline and Conduct, COMDTINST M1600.2 (series).
- b. This OER must be submitted when an officer receives non-judicial punishment which is not subject to appeal or when the final reviewing authority's action on an investigation includes direction that an OER must be prepared. In courts martial cases, this OER must be initiated once the convening authority has taken action and the finding of guilty has not been disapproved.
- c. The reporting period for this report will be the day that the proceedings were completed. The report must clearly state:
  - (1) The nature of the proceeding prompting the report and the result of the proceeding, (e.g., criminal conviction, non-judicial punishment, or final reviewing authority's action directing a OER due to criminal culpability),
  - (2) Any punishment imposed as a result of criminal conviction or non-judicial punishment, and
- d. Other information as necessary to accurately reflect the performance being evaluated. Information about the proceeding may be included in the report even if the proceeding took place outside of the reporting period. The evaluation must be limited to those areas affected by such conduct, since all other dimensions will be evaluated in the regular OER. Any dimension which is not evaluated must be marked "not observed". A comparison or rating scale mark and comments on the officer's potential are required.
- e. If the conduct resulting in the court-martial, non-judicial punishment, or investigation occurs during the current reporting period, a Subsequent to Disciplinary Action OER is not required if the process is completed, i.e., not subject to further review, by the time that the regular report is due to be submitted for the current period (within 30 days from the end of period of report). The basis for the court-martial, non-judicial punishment, or investigation must be reported in the regular report.

### 4. To Document Significant Historical Performance. This OER may be submitted to document significant historical performance or behavior of substance and consequence which were unknown when a previous OER was prepared and submitted.

- a. This OER must not be used in lieu of a Subsequent to Disciplinary Action OER.

- b. The OER must address only the performance dimensions relevant to the OER since all other performance dimensions will have been addressed in the previously submitted OER.
- c. This OER must be initiated by the original rating chain unless they are unavailable or disqualified.
- d. The reviewer must be a flag officer. Commander (CG PSC) must promulgate additional rating chain standards in accordance with Article 5.D. of this Manual.

5. Miscellaneous. When specifically directed by another article in this Manual. This OER may count for continuity, depending upon the circumstances which prompt its submission.

G. Exceptions from submitting an OER. The welfare of the reported-on officer must be considered along with system goals when determining the appropriate time to submit an OER. Exceptions to the normal submission schedule will not be granted without indicating extraordinary circumstances. Commander (CG PSC-OPM-3) or (CG PSC-RPM-1) may not issue an exception to policy that would violate OER period of report limits in Article 5.C.4. of this Manual.

- 1. Occasion for Exceptions. The reported-on officer may request an exception to policy to Commander (CG PSC-OPM-3) or (CG PSC-RPM-1) to the submission schedule, including deadlines for derogatory OER addenda and OER replies.
- 2. Submitting a request for exception to policy. Commander (CG PSC-OPM-3) or (CG PSC-RPM-1) must promulgate procedures and contact for requesting an exception to policy.

H. Derogatory OERs. A derogatory OER is any regular or non-regular OER that indicate the Reported-on officer has failed in the accomplishment of assigned duties.

- 1. Derogatory reports are only those OERs which:
  - a. contain a numerical mark of one in any performance dimension, and/or
  - b. contain an “unsatisfactory” mark by the reporting officer in comparison scale or rating scale, and/or
  - c. documents conduct or performance which is adverse or below standard and results in the removal of a member from their primary duty or position.
- 2. The rating chain must provide an authenticated copy to the reported-on officer and counsel the reported-on officer of their option to prepare an addendum.
- 3. The reported-on officer has the option to prepare an addendum limited to two pages with no enclosures.

4. The supervisor and the reporting officer must be afforded the opportunity to address the reported-on officer's addendum via individual one page signed endorsements to the reported-on officer's addendum.
5. The reporting officer will then forward the OER and attachments to the reviewer.
6. The reported-on officer's addendum does not constitute an official request for correction of a record but provides the reported-on officer an opportunity to explain the failure or provide their views of the performance in question.
7. Commenting or declining comment does not preclude the reported-on officer from an official request for correction of the record in accordance with Correcting Military Records, COMDTINST 1070.1 (series) or submitting an OER Reply under Article 5.K. of this Manual.
8. If the reported-on officer declines to make an addendum, they must so indicate by attaching the following statement: "I am aware of the contents of the performance report and decline comment."
9. If the reported-on officer fails to provide either an addendum or statement declining an addendum within 14 days for ADPL schedule officers and 28 days for IDPL schedule officers, the reporting officer must forward the OER to the reviewer noting that an addendum was solicited and not received. In such cases, the reviewer must prepare a Reviewer addendum specifically stating that an addendum was solicited but not received.
10. The reviewer must ensure that the evaluation of the reported-on officer is consistent and that the derogatory information is substantiated. If the reviewer finds otherwise, they must return the report to the reporting officer for additional information and/or clarifying comments. Substantive changes to the OER require its return to the reported-on officer to provide another 14-day opportunity for the reported-on officer to revise the addendum.

I. Prohibited Comments. The rating chain must not:

1. Mention a judicial, administrative, or investigative proceeding, including criminal and non-judicial punishment proceedings under the Uniform Code of Military Justice, civilian criminal proceedings, Personnel Records Review Board (PRRB), Coast Guard Board for Correction of Military Records (BCMR), or any other investigation (including discrimination investigations) except as required by a non-regular OER. Referring to the fact conduct was the subject of a proceeding of a type described above is permissible when necessary to respond to issues regarding that proceeding first raised by an officer in a reply under Article 5.K. of this Manual. These restrictions do not preclude comments on the conduct that is the subject of the proceeding. They only prohibit reference to the proceeding itself.

2. Consider or evaluate the performance of any officer as a member of a court-martial, or give a less favorable evaluation to any defense counsel because of the zeal with which they represented an accused. Such evaluations are prohibited by Reference (d), Manual for Courts-Martial (MCM), 104 (b) (1). This is not intended to preclude the accurate evaluation of, and comment on, counsels' advocacy skills (e.g., trial preparation, organization, logical analysis, writing ability, oral advocacy, direct or cross examination, handling of evidence, or use of expert witnesses or demonstrative evidence, etc.) displayed in a court-martial setting. In commenting on such performance, however, whether favorable or unfavorable, no reference will be made to the name, case number, or final result (acquittal, conviction, or sentence).
3. Mention or allude to the fact that the reported-on officer was not selected by a board or panel (e.g., references to non-voluntary retirement or non-voluntary separation).
4. Mention any PRRB or BCMR application or decision.
5. Mention any medical or psychological conditions, whether factual or speculative. Restriction applies to reported-on officer and family members. The mention of not fit for fully duty (NFFD) status is prohibited.
6. Mention pregnancy. Restriction applies to reported-on officer and family members.
7. Expressly evaluate, compare, or emphasize gender, religion, color, race, sexual orientation, or ethnic background.
8. Place emphasis upon a third party by gender, religion, color, race, sexual orientation, or ethnic background (e.g., Catholic lay minister wrote award recommendation for African-American civilian). Although there is no restriction on naming third parties, rating chains should realize it is much easier to reconcile titles with positions of authority rather than correlating performance with proper names
9. Refer to the reported-on officer by first name in the comment blocks.
10. Refer to reported-on officer's marital or family status.
11. Discuss reported-on officer's performance or conduct which occurred outside the reporting period except as provided in Article 5.F.3. of this Manual.
12. Provide comments, attachments, or citations which include information subject to a security classification. Evaluations of officers in billets dealing with classified national security issues should characterize performance in a manner which captures the essence of actions and their impact as specifically as possible without raising the classification above the UNCLAS level.

13. OERs must not comment on non-military Coast Guard paid employment, including IDPL scheduled officers who are employed as civilians with the Coast Guard.

J. Required Comments.

1. The rating chain must support any mark of 1, 2, 3, and 7. Comments with 4, 5, or 6 do not require support.
2. Actions resulting in a drug or alcohol incident (DI/AI) must be documented in the OER. Commanding officers must also follow policy and standards with accordance with the Coast Guard Drug and Alcohol Abuse Program, COMDTINST M1000.10 (series).
3. Failure to comply with body fat standards must be documented in the OER. Commanding officers must also follow policy and standards in accordance with the Coast Guard Weight and Body Fat Standards Program Manual, COMDTINST M1020.8 (series).

K. Replies to OERs. The reported-on officer may reply to any OER. Replies provide an opportunity for the reported-on officer to express a view of performance which may differ from that of a rating official.

1. Content of Replies. Comments should be performance-oriented, either addressing performance not contained in the OER or amplifying the reported performance. Restrictions outlined in Article 5.I. of this Manual apply. Comments pertaining strictly to interpersonal relations or a personal opinion of the abilities or qualities of a rating chain member are not permitted.
2. Corrections. Reported-on officer replies do not constitute a request to correct a record. An officer who believes their OER contains a major administrative or substantive error should follow the procedures to correct military records as outlined in Article 5.N. of this Manual. This includes requests to have the OER, or a part thereof, removed from the record. Members of the rating chain who, in their review of a reported-on officer's reply, concur with the reported-on officer that an error may be present in the OER, must return the reply to the reported-on officer and assist that officer in following the procedures of Article 5.N. of this Manual.

L. IDPL schedule specific OERs. This Article determines when IDPL scheduled officers will follow the ADPL schedule.

1. IDPL scheduled officers on active duty, including multiple sets of active duty orders, for 181 consecutive days or greater must follow the ADPL submission schedule and be treated as an ADPL schedule officer for as long as they remain on active duty. If Article 5.L.1. applies, no other Article in 5.L may apply.
2. IDPL schedule officers performing active duty of any length at their permanent unit must have the performance documented in their regular OER and not a concurrent OER.

3. IDPL schedule officers performing active duty for 30 days or less at a unit other than their permanent unit may have the performance documented in a concurrent OER or in their regular OER.
4. IDPL schedule officers performing active duty for over 30 day but less than 180 days at a unit other than their permanent unit must have the performance documented in a concurrent OER.
5. Officers in the IRR and ASL who are authorized to drill for points must have the performance documented in a Regular OER according to the IDPL submission schedule. Officers in the IRR and ASL who do not have drill for points authorization must receive a Continuity OER according to the IDPL submission schedule.
6. Officers in the IRR and ASL performing active duty for 180 days or less must have the performance documented in a Concurrent OER according to the IDPL submission schedule.

M. Retired Officers Recalled to Active Duty.

1. Background. Because the personnel management goals (promotion, assignment, career development) of the OES don't apply to officers who are recalled to active duty from retired status, there is no mandatory requirement to submit an OER for these officers.
2. When Significant Information Exists. Where any member of the rating chain, including the reported-on officer, has information deemed significant enough to report for the retired recall period, any OER may be submitted, including a non-regular derogatory OER. Such information may be useful for future retired recall decisions regarding the officer.
3. Implications in the Event a Retired Recall Promotion Board is Convened. If service need requires that a retired recall promotion board be convened, eligible officers who declined to submit an optional OER for a previous retired recall period are not permitted to resurrect that exercised option to retroactively submit OERs for consideration by the board.

N. Correction of OERs and Military Records.

1. Quality of Comments. Comments in the OER must be sufficiently specific to present a complete picture of the reported-on officer's performance and qualities during the period. They should be both reasonably consistent with the numerical marks assigned. On those marks indicated by Commander (CG PSC-OPM-3) or (CG PSC-RPM-1) as not being supported, the rating chain must either provide additional narrative support reflecting specific performance observations or adjust the marks to the information already provided.

2. Comments.

- a. Marks and comments may be changed only by the original supervisor and reporting officer.
- b. All changes to the original OER must be initialed.
- c. The signature dates must be adjusted to reflect the date that the necessary changes and reviews were actually made. Reported-on officers must be afforded an opportunity to review and sign the updated OER.

3. Correction of Military Records. Coast Guard officers are encouraged to review their record periodically. While Commander (CG PSC) attempts to ensure that OERs accurately reflect officers' performance, the possibility of administrative or substantive error still exists. Accordingly, officers may seek correction of any OER, or any portion thereof, if in their opinion the report is in error.

- a. Those officers wishing to exercise this right should follow the procedures to correct military records contained in Correcting Military Records, COMDTINST 1070.1 (series) for forwarding the application to the Personnel Records Review Board (PRRB) or Board for Correction of Military Records (BCMR), as appropriate.
- b. The application may be forwarded through the original rating chain at the officer's option. If the whereabouts of the original members of the rating chain are unknown, officers should submit the application directly to the PRRB or BCMR. Additionally, an officer may forward their application via the officer's current chain of command but is not required to do so and may send the application directly to the PRRB or BCMR.

O. Definitions. The following definitions apply only to this Chapter.

- 1. ADPL schedule. All officers are considered Active Duty Promotion List (ADPL) schedule unless explicitly Inactive Duty Promotion List (IDPL) schedule. ADPL schedule includes all Regular officers, Reserve officers on extended active duty (EAD), and Reserve Program Administrators (RPA).
- 2. Officer Evaluation System (OES). The Coast Guard system that addresses performance appraisal of its officers.
- 3. Officer Evaluation Report (OER). A report for a specific Coast Guard officer used to document performance and potential.
- 4. Rating Chain. The succession of individuals who are responsible for preparing, completing, and reviewing an officer's OER as defined by the following roles:

- a. **Reported-on Officer.** The subject of the OES. All commissioned officers of the Coast Guard are evaluated periodically.
  - b. **Supervisor.** Normally, the individual to who the reported-on officer reports to on a daily or frequent basis and from who the reported-on officer receives the majority of direction and requirements.
  - c. **Reporting Officer.** Normally the supervisor's supervisor.
  - d. **Reviewer.** Normally the reporting officer's supervisor.
5. **Regular OER.** A regular OER is a report that qualifies for continuous chronological coverage of the reported-on officer's commissioned service.
  6. **IDPL schedule.** IDPL officers not on active duty to the extent required to follow the ADPL schedule. IDPL officers, per Reserve Policy Manual, COMDTINST M10001.28 (series) is made up of the Selected Reserve (SELRES), Individual Ready Reserve (IRR), and Active Status List (ASL).
  7. **Unavailable.** Includes illness, injury, death, prolonged absence, separation from the service, retirement, or any other situation which prevents or substantially hinders the supervisor, reporting officer, or reviewer from properly carrying out their rating chain responsibilities.
  8. **Disqualified.** Includes relief for cause due to misconduct or unsatisfactory performance, being an interested party to an investigation or court of inquiry, or any other situation in which a personal interest or conflict on the part of the supervisor, reporting officer, or reviewer raises a substantial question as to whether the reported-on officer will receive a fair, accurate evaluation.
  9. **Non-regular OER.** A non-regular OER is a report that does not qualify for continuous chronological coverage of the reported-on officer's commissioned service.

## **CHAPTER 6 PERSONNEL BOARDS**

---

### **6.A. Commissioned and Chief Warrant Officer Personnel Boards**

#### **6.A.1. General**

##### **6.A.1.a. Significance**

Personnel boards are so significant every officer in the service should know board procedure and the general criteria boards use, whether determining promotion, continuation, retention, or appointment.

##### **6.A.1.b. Guidelines**

The criteria published here are furnished to boards solely to guide and do not limit the scope of authority vested in them. Each board member must retain an impartial, unbiased, unprejudiced attitude about all officers being considered and all groups and Coast Guard specialized duties. Any limitation of choice arbitrarily imposed on personnel boards by an outside authority would be unlawful and highly improper.

##### **6.A.1.c. Type of Board**

Personnel boards, such as those that select officers on the active duty promotion list (ADPL) to grades above lieutenant (junior grade) and consider captains for continuation on active duty, select on a best-qualified basis, in which the board is limited to a specific number it may select. Other personnel boards, such as those selecting officers for promotion to lieutenant (junior grade), select on a fully-qualified basis. Under this selection process, system, or method, the board compares each officer to a standard and recommends all who meet or exceed it. Accordingly, in addition to the fully-qualified standard, a best-qualified board also must select by comparing each officer to all others considered. This procedure enables the board to select from the entire group the limited number whom it believes are the best-qualified.

---

#### **6.A.2. Board Purposes**

Personnel boards are convened for various purposes, including recommending officers for:

- (1) Promotion,
  - (2) Continuation on active duty,
  - (3) Retention in a particular occupational field, and
  - (4) Designation in a particular occupational field.
-

### **6.A.3. Selection Criteria**

#### **6.A.3.a. General**

- (1) Personnel boards recommend on either a best-qualified or fully-qualified basis as set forth in law and directed in the precept. All personnel boards consider fundamentally the same type of information. However, each board develops its own overall standards and selection criteria. The degree of significance a board assigns to each of the many factors it considers may vary according to the grade and type of selection the board is making. A board selecting officers for lieutenant may emphasize different factors than would a Captain Continuation Board.
- (2) Promotion is not a reward for satisfactory service. It confirms an officer's demonstrated potential to serve the Coast Guard in a higher grade.

#### **6.A.3.b. Basic Criteria**

- (1) Performance Evaluations. A significant selection criterion is performance in present and past assignments. Boards should adhere to the following interpretations and policies when evaluating performance.
  - (a) Officer evaluation report forms define performance dimensions considered most significant in assessing an officer's performance and readiness for greater degrees of responsibility.
  - (b) Though the same performance dimensions seem important at every grade, areas of emphasis at ensign level are quite different from that at the captain level, even though leadership at each level shares many common elements.
- (2) Professionalism.
  - (a) Professionalism is an essential element in selecting officers for promotion. Coast Guard officers must provide quality service to the public while promoting a positive image of the Coast Guard.
  - (b) The diversity of officer assignments in the Coast Guard makes it impossible for any officer to be qualified for all of them; the service expects each officer to have true professional competence in one occupational field and, from assignments outside it, experience in other fields. While technical specialization is essential in certain lower grades and for certain assignments, in the higher grades emphasis shifts to leadership skills.
  - (c) Each officer must be familiar with Coast Guard general administration and display interest in the immediate assignment, the rest of the service, the surrounding community, and the world by improving their knowledge of service-related subjects through study, activities, and associations. The capable

individual is highly adept at transferring talents from one task to another, which enables the service to fulfill its mission and objectives.

- (d) Until recently, most officers had frequent operational assignments throughout their careers and were competent mariners or aviators. However, Coast Guard missions have changed so much the present number of operational billets makes this impractical. In fact, to maintain professional competence, it is necessary to repeatedly assign certain officers to similar billets. This means the service may not assign many officers to operational duty, particularly lieutenant commanders and above. It thus follows that operational experience, by itself, cannot be a universal selection requirement.
- (3) Leadership. Officers selected demonstrate those leadership traits and values that allow them to serve in a series of assignments with increasing responsibility in the grade to which promoted. Officers must exemplify our core values of honor, respect, and devotion to duty in the highest degree.
- (a) A leader influences people to accomplish a purpose. Coast Guard leaders concentrate on “doing right things right,” integrating a leader’s focus on effectiveness with a manager’s focus on efficiency.
- (b) A successful leader inspires others by:
- [1] Convincing them they have the solution and acting decisively and confidently,
  - [2] Sharing a vision of service, excellence, and achievement,
  - [3] Demonstrating a commitment to innovation and quality team work, and,
  - [4] Modeling strength of character in word and action.
- (4) Education. Another consideration is education. To maintain a high level of expertise in areas such as science, engineering, operations, and administration, many officers are detailed to postgraduate education or specialized training. It would be desirable to afford every officer such an opportunity, but this is impossible. Thus, a board should not disproportionately emphasize an officer’s postgraduate training. Commissioned officers participate in education programs voluntarily. Each board should consider these factors in evaluating education:
- (a) Whether an officer pursues educational courses commensurate with their previous training and experience, and/or
- (b) An officer’s accomplishments in the program, including the grades attained where applicable.
-

**6.A.4. General Procedures for All Boards**

**6.A.4.a. Responsibilities**

Each personnel board member shall impartially and fairly evaluate the qualifications of each officer whose name is submitted to the board to determine whether they meet the overall criteria the board established considering the parameters outlined in Article 6.A.3. of this Manual.

**6.A.4.b. Compliance**

Personnel board actions shall comply with applicable laws, regulations, and their precept.

**6.A.4.c. Consistency**

So successive personnel boards' actions may be consistent, Commander (CG PSC-OPM) and selected staff members shall appear before each personnel board to brief the members on applicable laws, regulations, and service needs. Since the board is convened solely to obtain its members' opinion, it must act according to its own judgment and is bound only by existing law and the oath its members take.

**6.A.4.d. Material Furnished**

Commander (CG PSC-OPM) furnishes personnel boards the names and personnel records of all officers to be considered. The personnel record consists of general administrative paperwork including such items as statements of service and sea service; the record of emergency data; Administrative Remarks, Form CG-3307, entries; documentation of alcohol incidents, and reports of civil arrests; performance evaluations; education information; and awards and discipline documentation. A board must consider an officer's entire record; however, the following is considered the most significant portion of the record evaluated:

Grade Considered	Service Period
Rear Admiral (Lower Half), Captain, Commander	Seven years of immediate previous service or all service in present grade, whichever is greater.
Lieutenant Commander	Six years of immediate previous service or all service in present grade, whichever is greater.
Lieutenant, Lieutenant (Junior Grade)	All commissioned service.

**6.A.4.e. Additional Information**

If the board desires additional information or clarification, the board president shall request it in writing from Commander (CG PSC-OPM).

**6.A.4.f. Fitness for Duty**

Boards shall assume each officer it considers is fit for full duty unless otherwise advised.

**6.A.4.g. Administrative Letters of Censure**

Article 1.E. of reference (r), Discipline and Conduct, COMDTINST M1600.2 (series), prohibits filing administrative letters of censure in officers' personnel records. Since non-punitive censures were previously filed in an officer's official record, a board finding one shall ignore it when evaluating performance. A board, however, may consider and evaluate the facts on which an administrative letter is based if an officer evaluation report or other documents refer to them.

**6.A.4.h. Officer Education Reporting Program**

The Officer Education Reporting Program is voluntary. Officers may report educational achievement annually on a Record of Professional Development, Form CG-4082, for board consideration.

**6.A.4.i. Board Proceedings**

Except for its Report of the Board, the board members shall not disclose proceedings or deliberations to any person not a member of the board (14 U.S.C. § 261).

---

**6.A.5. Procedure for Boards Considering Officers on a Fully-Qualified Basis****6.A.5.a. Board Recommendation**

Boards convened to recommend officers for promotion on a fully-qualified basis should recommend those whose records indicate they are qualified to perform all duties to which they reasonably might be assigned in the grade for which they are being considered. Each board shall definitely recommend whether each officer it considers is or is not qualified, without any restrictions or qualifications.

**6.A.5.b. Comparison**

In recommending each officer it considers, the board should compare them to the present grade and those in the next higher grade to determine how well the individual measures up to such officers according to the overall criteria the board established. If the board believes the officer has demonstrated by past performance, fitness, and potential to perform creditably those duties to which they reasonably might be assigned, the board should recommend them. If past performance indicates potential for increased responsibilities and administrative assignments is doubtful or limited, the board should not recommend the officer.

**6.A.5.c. Not Recommended**

If the board does not recommend an officer or finds an officer's performance in their present grade is unsatisfactory, the board shall indicate its reasons.

**6.A.5.d. Board Report**

Each board's report shall contain:

- (1) A cover sheet,
  - (2) A membership roster,
  - (3) The convening, meeting, and adjourning dates,
  - (4) A list of officers recommended,
  - (5) A list of officers found not fully-qualified for promotion with the specific reason why each was not recommended for promotion,
  - (6) A list of officers whose performance of duty in present grade the board considered unsatisfactory with the specific reason why each was found as such,
  - (7) A certification that in the opinion of at least three members if the board has five, or two-thirds of the members if the board has six or more members, the officers recommended are fully-qualified for promotion, and
  - (8) Each member's signature.
- 

**6.A.6. Procedure for Boards Considering Officers on a Best-Qualified Basis**

**6.A.6.a. Number of Officers**

Boards convened to consider officers on a best-qualified basis for promotion, continuation on active duty, retention in a particular occupational field, or appointment in another status may recommend to promote, continue, retain, or appoint only the number specified in the precept.

- (1) In 1963, legislation amended Title 14, United States Code, to improve the quality and efficiency of the Coast Guard officer corps by replacing a system based on seniority with one which would select the best-qualified officers.
- (2) Fundamental to selecting for promotion on a best-qualified basis is the fact the number of officers to be selected is fewer than the number being considered.

**6.A.6.b. Comparison**

In recommending, a board shall compare all officers submitted for consideration and base its recommendations on the extent to which they compare among themselves in accomplishing past assignments and their potential for greater responsibility according to the overall criteria the board adopted; however, Article 6.B.1.f. of this Manual limits below zone promotion selections.

- (1) Selection on a best-qualified basis embodies three elements. The board:
  - (a) First, considers all officers impartially and equally.
  - (b) Second, applies the same criteria to all.
  - (c) Third, evaluates by comparison, with the most capable officers advancing to positions of higher responsibility.
- (2) Best-qualified boards consider officers' records, comparing past performance, their capacity to undertake successfully tasks of progressively greater difficulty involving broader responsibilities, their capability and inclination to study for further professional growth, and their potential to perform creditably those duties to which these officers might be assigned in the next higher grade.

**6.A.6.c. Board Report**

The report of the board shall contain:

- (1) A cover sheet,
  - (2) A membership roster,
  - (3) The convening, meeting, and adjourning dates,
  - (4) A list of the officers recommended for promotion, continuation, retention, or appointment in the order of relative precedence they held before the current consideration,
  - (5) A certification that, in the opinion of at least three members if the board has five or two-thirds of the members if the board has six or more, the officers recommended for promotion, continuation on active duty, retention in a particular occupational field, or appointment in another status are the best-qualified for promotion, continuation, retention, or appointment of those officers whose names were furnished to the board (14 U.S.C. § 260), and
  - (6) Each member's signature.
-

**6.A.7. Procedure for Boards Considering Officers on Both a Fully-Qualified and Best-Qualified Basis**

**6.A.7.a. Number of Officers**

Boards convened to consider officers on both a fully- and best-qualified basis for promotion, continuation on active duty, retention in a particular occupational field, or appointment in another status may recommend to promote, continue, retain, or appoint up to the number specified in the precept.

**6.A.7.b. Comparison**

In recommending each officer it considers, the board must make two determinations, fully-qualified and best-qualified.

- (1) The Fully-qualified Determination. First, the board should compare each officer to those in the present grade and those in the next higher grade to determine how well the individual measures up to such officers according to the overall criteria the board established. If the board believes the officer has demonstrated by past performance, fitness, and potential to perform creditably those duties to which they reasonably might be assigned, the board should go to the second determination step. If past performance indicates the potential for increased responsibilities and administrative assignments is doubtful or limited, the board should not recommend the officer.
- (2) The Best-qualified Determination.
  - (a) Those officers meeting the fully-qualified determination described above must then be selected on a best-qualified basis, which embodies three elements; the board:
    - [1] First, considers all those fully-qualified officers impartially and equally.
    - [2] Second, applies the same criteria to all.
    - [3] Third, evaluates by comparison, with the most capable officers advancing to positions of higher responsibility.
  - (b) In recommending, a board shall compare all officers submitted for consideration and base its recommendations on the extent to which they compare among themselves in accomplishing past assignments and potential for greater responsibility according to the overall criteria the board adopted. Best-qualified boards consider officers' records comparing past performance, their capacity to undertake successfully tasks of progressively greater difficulty involving broader responsibilities, their capability for further professional growth, and their potential to perform creditably those duties to which these officers might be assigned in the

next higher grade. Only officers who have been found fully-qualified may be selected.

[1] Normally, the number of officers found fully-qualified exceeds the number of officers found best-qualified. There is no requirement to identify reasons for those officers who were fully-qualified but not best-qualified. If an officer is found to be performing in an unsatisfactory manner, however, the board shall specify the reason for that finding.

[2] When the board is tasked with choosing up to a maximum number of best-qualified candidates, they may choose less than that number only if there are an insufficient number of fully-qualified officers. If the board selects less than the maximum number, it is indicating that the officers not chosen were either not fully-qualified or unsatisfactory in their performance and shall specify in writing the reasons for each of these non-selections.

#### **6.A.7.c. Board Report**

**6.B.1.f. Number of Officers Recommended for Promotion from Below the Zone**

- (1) The number of eligible officers the board may select from below the zone for rear admiral (lower half) is unlimited. For all lower grades, the selection board shall recommend those officers it considers best-qualified from among those eligible under consideration in, above, and below the promotion zone in the limited numbers prescribed below.
- (2) The number of officers the selection board may recommend for promotion to the grade of captain or below from among eligible officers junior in rank to the junior officer in the appropriate promotion zone may not exceed:
  - (a) Five percent of the total number of officers the board is authorized to recommend for promotion to the grade of lieutenant or lieutenant commander.
  - (b) Seven and one half percent of the total number of officers the board is authorized to recommend for promotion to commander, and
  - (c) Ten percent of the total number of officers the board is authorized to recommend for promotion to captain.

**6.B.1.g. Submitting Selection Board Reports**

- (1) The selection board submits a report, as outlined in Article 6.A.6.c. of this Manual, to the Secretary. If the board has acted contrary to law or regulation, the Secretary may return the report for revision and resubmission. After final review, the Secretary submits the board report to the President for approval, modification, or disapproval.
  - (2) If any officer recommended for promotion is not acceptable to the President, they may remove that officer from the board's report.
  - (3) When the President approves the report, Commander (CG PSC) promptly disseminates the names of officers the board selected for promotion to the service at large.
  - (4) Except as this Article requires, no one shall disclose selection board proceedings to any person not a member of the board (14 U.S.C. § 261).

**6.B.2. Selection Boards for Promotion from Ensign to Lieutenant (Junior Grade)**

**6.B.2.a. Convening a Board**

Approximately three months before the date an ensign completes 18 months of active service, computed from their date of rank as an ensign on the active duty promotion list (ADPL), Commander (CG PSC) shall convene a selection board to consider them for promotion to the grade of lieutenant (junior grade).

**6.B.2.b. Board Composition**

Article 6.B.2.b. of this Manual specifies the second board's members; no one who served on the first board may serve on the second. The board considers the officer's entire record, emphasizing particularly the period when the officer was out of the line of promotion. The board should compare performance evaluation reports for that period with previous reports to determine whether the officer's performance has improved to the extent they now warrant selection on a fully-qualified basis.

**6.B.2.g. Finding of Unsatisfactory in Grade**

In accordance with 10 U.S.C. § 12681, 14 U.S.C. § 214(c), or 14 U.S.C. § 281, as applicable, the Commandant will revoke the commissions or vacate the temporary appointments of ensigns in their first three years of commissioned service who fail selection for promotion to lieutenant (junior grade) and whom the selection board determines are performing unsatisfactorily in grade, irrespective of Article 1.A.8. and 1.A.10. of reference (c), Military Separations, COMDTINST M1000.4 (series).

- (2) Under fully-qualified criteria, a board recommends for promotion only those RPAs who have demonstrated:
  - (a) Competence in Reserve Program Administration and as an officer,

#### **6.B.4. Selection Boards for Promotion of Officers on the Permanent Commissioned Teaching Staff (PCTS) of the Coast Guard Academy**

##### **6.B.4.a. Convening of Boards**

When one or more members of the PCTS are in the promotion zone, Commander (CG PSC) shall convene a selection board to consider them for promotion to the next higher grade. Separate boards may be convened for each grade if Commander (CG PSC) deems it appropriate; otherwise a single board shall act for all grades.

##### **6.B.4.b. Composition of Boards**

A board convened to select members of the PCTS for promotion to the next higher grade shall consist of five officers of the regular Coast Guard who are serving in or above the highest grade to which the board may recommend members of the PCTS for promotion. An officer who has served as a member of a board that did not recommend an eligible PCTS officer for promotion may not serve on a later board that again considers the same officer for promotion to the failed grade. To the extent that qualified members of the PCTS are available, at least two members shall serve as members of the selection board. However, at least one member of the board must be appointed from the ADPL.

##### **6.B.4.c. Oath of Members of Boards**

All members of the selection board shall swear that they will, having in view both the special fitness of members of the PCTS and the efficiency of the Coast Guard Academy in the accomplishment of its mission, perform the duties imposed upon them without prejudice or partiality. Further, that they will make their recommendations as to selection for promotion in accordance with the standards prescribed in Articles 6.B.4.e. and 6.B.4.f. of this Manual to the best of their ability.

##### **6.B.4.d. Required Documentation**

For each PCTS officer being considered for promotion, the officers' official personnel file will serve as the documentation on which the promotion decision will be based. The PCTS officer shall ensure that their Record of Professional Development, Form CG-4082, is updated and accurate.

##### **6.B.4.e. Basis for Recommendation**

Each selection board shall recommend for promotion those eligible members of the PCTS whom it considers fully qualified.

**6.B.4.f. Performance Standards**

- (1) Typically, faculties at an institution of higher learning are evaluated based on their contributions to teaching, service, and intellectual activities. At the Academy, however, the faculty have the additional responsibility of contributing to the development of cadets as Coast Guard officers. This responsibility is especially important to the role of PCTS. In addition, members of the PCTS are commissioned officers and thus are required to conduct themselves as such. Each performance dimension is discussed in general below.
  - (a) Teaching and advising is the primary emphasis of all CGA faculty. Teaching encompasses course design, project design and supervision, daily class preparation, presentation of course material, assessment and evaluation of student performance, and techniques for motivating students to learn. Successful teachers have excellent skill in analysis and communication and are wholly committed to students and student learning.
  - (b) Service as in service to the Academy and the greater Coast Guard is expected; opportunities to contribute in this regard are many and varied. Examples of this performance standard include Academic Division leadership positions, major project officer responsibilities, major committee assignments, and Academy Coast Guard related work assignments.
  - (c) Intellectual activity is a vital and necessary ingredient for a faculty at an institution of higher learning. Expectations for scholarly activity and professional growth depend upon rank and may vary somewhat with individual circumstances, such as seniority at the time of initial appointment and the service commitment of the PCTS member. Intellectual activity is to be interpreted broadly encompassing basic research, applied scholarship, pedagogy, and professional development.
  - (d) Cadet development is one of the Academy's two primary missions. Thus it is expected that members of the PCTS contribute significantly to the development of cadets as young adults, students, and future leaders. Examples of areas where faculty may contribute include summer training programs, participation in cadet social and musical activities, acting as a coach to a sporting team, or advisor to a cadet club. Additionally, cadet development may manifest itself in the member's teaching, service, and/or intellectual activity. Members of the PCTS are also role models for cadets and junior military faculty. As role models and commissioned officers, they must maintain a high standard of bearing, conduct, integrity, and military professionalism.
- (2) These performance standards are meant to be flexible enough to capitalize on the strengths of individual members of the PCTS and meet the needs of the Academy as a whole while delineating the fully qualified standards for promotion. While each of the performance dimensions (teaching, service, intellectual activity, and cadet development and military professionalism) is important, it is neither expected nor

desired that every member of the PCTS would focus their efforts in a like manner. For example, a member of PCTS may serve in a variety of Academic Division leadership positions, thus focusing on "service." Another member of the PCTS may be conducting and publishing academic research and thus focusing on "intellectual activity." A third member of the PCTS may provide a more balanced picture of activity. As such, the three members will look very different to the promotion board. All three PCTS officers, however, may be fully qualified for promotion, if there is evidence of performance at or above the fully qualified level in each performance dimension.

- (3) A PCTS officer normally must be found to be performing at or above the fully qualified level in each performance dimension in order to be selected for promotion to the next grade. The fully qualified performance standards for promotion to each rank are defined more specifically as follows.

**6.B.4.g. Performance Standards for Lieutenant/Lieutenant Commander**

- (1) Teaching. Able to teach effectively any lower-level (i.e., introductory) course in the academic specialty.
- (2) Service. Has contributed to mission accomplishment at the Academy through service. Has demonstrated leadership potential.
- (3) Intellectual Activity (Lieutenant Commander only). Has demonstrated professional knowledge through participation in a terminal degree program and produced high quality work in that program. Has demonstrated that the quality of work in terminal degree program to date has been of high quality. Has made progress toward the doctoral degree as contemplated in initial course of study approved by Dean of Academics as discussed in Article 6.B.12.i. of this Manual.
- (4) Cadet Development and Military Professionalism. Has performed satisfactorily in cadet leadership development and /or summer training activities. Has demonstrated counseling and role modeling skills through academic advising or other mentoring opportunities. Has maintained a high standard of bearing, conduct, and military professionalism.

**6.B.4.h. Performance Standards for Commander**

- (1) Teaching. Able to teach effectively any course in the primary academic specialty. Has the ability to serve as course coordinator for multi-section courses. Has served as an effective mentor for junior faculty members.
- (2) Service. Has continued to contribute to the Academy through service. Has demonstrated leadership potential through development and rational presentation of original ideas for the improvement of the Academy.

- (3) Intellectual Activity. The PCTS officer has met the timetable for completion of the terminal degree as approved by the Dean of Academics as set forth in Article 6.B.12.i. of this Manual. In addition, the PCTS officer is active in the academic community. Examples of intellectual activity include but are not limited to presentations at seminars, academic conferences, an approved dissertation proposal, a completed dissertation, and publications in academic and/or practitioner journals.
- (4) Cadet Development and Military Professionalism. Has participated in cadet leadership development and/or summer training activities. Has demonstrated counseling and role modeling skills through academic advising or other mentoring opportunities. Has continued to maintain a high standard of bearing, conduct, and military professionalism.

**6.B.4.i. Performance Standards for Captain**

For selection to captain, the member must satisfy the following performance standards. In addition, the member should be recognized as outstanding in either teaching, service, or intellectual activities in accordance with the criteria specified below.

- (1) Teaching. Recognized as a teacher who promotes creative and active learning in students by cultivating critical thinking and improving the overall quality of teaching and learning at the Academy. Has a demonstrated record of success in guiding and evaluating junior faculty members. Outstanding: Has demonstrated professional knowledge through design of new courses and suggestions for curricula revision. Has made a significant impact on other faculty by fostering the art of teaching. Recognized by students as a superior teacher.
- (2) Service. Has served successfully in significant leadership positions, such as section chief, Assistant Dean, assistant department head, project officer for a major Academy event, or chairperson of a major faculty committee. Has demonstrated potential for future service as department head or equivalent position of academic leadership. Outstanding: Has demonstrated clear potential for positions of the highest leadership in the Academic Division through successful service in a significant service role. Examples include but are not limited to serving as Assistant Dean, Director of Academic Advising, and section chief.
- (3) Intellectual Activity. Has earned a terminal degree. Has shown evidence of continued and varied intellectual activity. Examples include but are not limited to conference proceedings, conference presentations, conference participation, book reviews, and intellectual service (e.g., journal editor/ reviewer). Outstanding: Has demonstrated exceptional competence in academic specialty through publication of original research. Examples include but are not limited to books, monographs, and peer-reviewed journal articles. To merit outstanding, the intellectual activity must be subject to external peer review.
- (4) Cadet Development and Military Professionalism. Has continued to demonstrate

support for cadet development programs through participation and/or supporting actions. Has continued to maintain a high standard of bearing, conduct, and military professionalism. It is expected, however, that as a member of the PCTS becomes more senior, their cadet development activities will be more concentrated in "teaching" and "service" versus specific cadet professional development programs. Thus no "outstanding" criteria is specified for this performance dimension.

**6.B.4.j. Submission of Reports of Boards**

- (1) The selection board shall submit a report as outlined in Article 6.A.5.d. of this Manual to Commandant via Commander (CG PSC) and the Assistant Commandant for Human Resources for approval, modification, or disapproval.
