Sir,

I have rosters from the CPR classes I provided. The only member I did not teach was EM2 [redacted] and he is looking for his card without success.

The only paperwork I have on board for [redacted] is his ACLS certification. Please let me know if you need the actual CPR cards or any other info.

Pending is [redacted] PA license/ CPR cert, and EM2 [redacted] CPR cert.
Thank you.

XO,

Good afternoon Sir. Another issue we are running to ground. We have copies of ET2 [redacted] CPR qualifications - but do not have them for CWO [redacted] DC1 [redacted], and EM2 [redacted]. Could you please send us something to verify their CPR qualifications and update courses. Also, copies of LTJG
