I request that I be permitted to establish a family child care home in accordance with COMDTINST M1754.15 (series) in my Coast Guard-controlled quarters.

I am presently caring for, or plan to care for, _____ children, including my own children, and understand that I must maintain the number of children cared for within the age and other limitations prescribed in COMDTINST M1754.15 (series). I understand that my home is subject to inspection for initial and annual certification, or as needed, and agree to make immediate corrections of any discrepancies noted on these inspections.

I further understand that information in medical, criminal, or child abuse records will be released to the unit commanding officer or his/her authorized representative for the purpose of validating my application as a family child care provider.

I am also aware of my responsibility to purchase insurance with a minimum of \$500,000.00 liability.
