

## All Hands Messages

### *Video and Transcript of the State of the Coast Guard Address*

To the Men and Women of the United States Coast Guard:

To follow-up on my previous email regarding the State of the Coast Guard Address, you can find the video and transcript on Commandant's Corner (<http://www.uscg.mil/comdt/>). You can also access the video at the Coast Guard Visual Image Gallery ([http://cgvi.uscg.mil/media/main.php?g2\\_itemId=46](http://cgvi.uscg.mil/media/main.php?g2_itemId=46)) or on You Tube ([www.youtube.com/uscgimagery](http://www.youtube.com/uscgimagery)) if you are working outside the Coast Guard Data Network.

As I mentioned earlier, I encourage you to watch or read the State of the Coast Guard speech and discuss it with your shipmates. As the future leaders of our Service, I want you to be aware of the challenges and opportunities we're facing in the coming years. Thank you for your commitment to our Coast Guard. We are America's Maritime Guardian. Semper Paratus.

Admiral Thad Allen  
Commandant, U.S. Coast Guard
