Allen -

Greetings. I'm Mike Blank. I've been a resident of Detroit since 2004 and live within 2 miles of the bridge.

I urge you not to grant any permits for a twinning of the Ambassador Bridge.

It appears some people you spoke in favor of the twinning at last night's meeting were paid to do so.

Here's a link to a WXYZ report:

I hope you and your team keep this report in mind when discussing your next steps in the process.

Thank you for your time and consideration.

cordially,

Mike Blank
