Bachelor of Arts in Criminal Justice

The Bachelor of Arts degree in Criminal Justice prepares students for a wide range of careers within the criminal justice field, and at the same time enhances the professional career paths of those already within the discipline. The degree program's interdisciplinary approach provides students with a sound knowledge base in the areas of U.S. law enforcement, criminology, investigations, law, and community relations. A wide range of course offerings further enable students to focus on juvenile issues, causes of crime and criminal behavior, corrections and incarceration, investigative procedures/techniques, and forensics. For those students interested, concentrations in Organizational Law Enforcement Leadership and Maritime Law Enforcement are available. The curriculum also provides the background and educational experience necessary for those who may wish to later pursue graduate study.
