## DHS SENIOR EXECUTIVE SERVICE CANDIDATE DEVELOPMENT PROGRAM

DHS invites qualified individuals to apply to its prestigious Senior Executive Service (SES) Candidate Development Program (CDP), expected to begin in July 2017. Qualified individuals are those who have demonstrated through their performance and experience the potential to assume executive positions within the Federal Government. The SES CDP is designed to develop the talents and skills of individuals with executive potential in order to create a cadre of candidates who can assume senior management positions at the SES level as vacancies occur. Candidates who successfully complete the program and receive certification of their executive qualifications by an Office of Personnel Management (OPM) Qualifications Review Board (QRB) under the criterion of 5 U.S.C. 3393(c)(2)(B), will be eligible for initial noncompetitive appointment to the SES. Participation in the program does not guarantee placement in an SES position.
