

Temporary Closure of REC Honolulu

Due to a renovation project taking place on Honolulu Harbor Pier 4, the Regional Exam Center (REC) Honolulu, Hawaii, will close on November 18, 2013, and re-open on December 9, 2013, in a new location. Applicants will be unable to schedule application or examination appointments during that time. Applications may still be submitted to one of the other 16 RECs. The address of the new REC Honolulu location will be published in a separate announcement.

If you have questions, please contact the National Maritime Center at 1-888-IASKNMC (427-5662) or IASKNMC@uscg.mil.
