

Endorsement Label Protocol Reminder

Due to the high number of endorsements being generated as a result of security rules coming into force, this notice serves as a reminder of the protocol to follow upon receiving endorsement labels when updating Merchant Mariner Credentials.

Follow the directions you receive with your endorsement label carefully. For additional information, please click [here](#).

If you find any errors on your endorsement label(s), please notify the National Maritime Center immediately by e-mail at IASKNMC@uscg.mil.
