Regional Exam Center Miami Operational Status

The Regional Exam Center (REC) in Miami recently sustained some minor damage due to flooding on Sunday, February 9th. A fire in the Claude Pepper Federal Building on a floor above the REC caused the fire sprinkler system to be set off. The REC was temporarily closed, however, it will be open on Tuesday, February 18th at 8am for testing only. The REC anticipates reopening for all customers and full services on Thursday, February 20th at 8am.

If you recently submitted an application or other paperwork via mail, nothing was lost during the flooding and everything was recoverable. We appreciate your patience and understanding during repairs.

Mariners and other providers should contact the Customer Service Center at IASKNMC@uscg.mil or 888-IASKNMC (427-5662) with any questions or feedback.

Sincerely,

/J. P. Novotny/
Captain, U. S. Coast Guard
