New Search Feature on NMC's Website

Looking for a way to quickly search for information on the [National Maritime Center's Website](#)? To better serve our customers the NMC is proud to announce a new "Search Function" located on the NMC Website. Please try one of the two methods listed below:

- In the upper right corner of every page is there is a search box. Directly below that box is a field titled Search Current Unit with a check box next to it. If you click on that check box (checkmark will appear), it will limit your search items contained within to the [NMC Website](#).
- If you click on [Site Map](#) on the left menu (not the upper right), the search box contained on that page will automatically search only the NMC Website.

The NMC will continue to upgrade this service by increasing the number of keyword searches available. Please [contact our webmaster](#) with suggestions.

Sincerely,
David C. Stalfort
Captain, U. S. Coast Guard
