

STCW Limitation Removal

Those mariners qualifying under rules that existed prior to March 24, 2014, or those mariners who already hold certain STCW endorsements prior to March 24, 2014, must meet the additional training requirements as specified in the regulations for the specific endorsement sought by December 31, 2016. Any mariner who does not provide documents showing the completion of the following additional training requirements will receive a limitation, as appropriate, on their endorsement noting that it is not valid after December 31, 2016, or that it is not valid for certain vessels and/or equipment after December 31, 2016.

Management Level (Master, Chief Mate - II/2, II/3)

- Leadership and Managerial Skills
- ECDIS (To be valid on vessels equipped with ECDIS)

Management Level (Chief Engineer, Second Engineer Officer - III/2, III/3)

- Engine Resource Management (ERM)
- Leadership and Managerial Skills
- Management of Electrical and Electronic Control Equipment

Operational Level (OICNW - II/1, II/3)

- Leadership and Teamwork Skills (Course or Assessments)
- ECDIS (To be valid on vessels equipped with ECDIS)

Operational Level (OICEW - III/1)

- ERM
- Leadership and Teamwork Skills (Course or Assessments)

46 CFR 11.301(g)(3); NVIC 2-14

If you have questions, please contact the NMC at 1-888-IASKNMC (427-5662) or IASKNMC@uscg.mil.

Sincerely,

/J. P. Novotny/
