March 7, 2013

New NMC Website Now in Beta Testing Phase

The National Maritime Center is pleased to announce the beta release of our new website to the public. The testing cycle will begin on March 7, 2013, and will be available for your review through April 15, 2013. Your feedback on the content, layout, and ease of use of the new webpage is highly encouraged.

You can access the test site here: [Beta Test](#). Please take a few moments to review our beta website and provide your feedback. At the top right corner of every webpage, you will find a button labeled **Beta Feedback**. Use this button to capture your opinions and recommendations on the pages you will be reviewing. This site can also be accessed from our current webpage at www.uscg.mil/nmc.

Please note that changes will be taking place on the test site throughout this beta testing period as we process customer feedback.

Feel free to contact our Customer Service Center by e-mail at IASKNMC@uscg.mil with any questions or concerns.

Sincerely,

/A. S. Lloyd/

Anthony S. Lloyd
Captain, U. S. Coast Guard
Commanding Officer
