

## STCW Frequently Asked Questions: Safety and Security Evaluations

- 1. NDR convictions on applications. Do mariners have to reveal NDR-listed civil convictions older than 3 years if their MMCs are not currently suspended or revoked?**

At the time of application, each applicant must provide written disclosure of all prior convictions (excluding minor traffic offenses) not previously disclosed to the Coast Guard on an application (46 CFR 10.211). Applicants must also provide authorization for the Coast Guard to search the National Driver Register (46 CFR 10.213). When the Coast Guard receives information regarding NDR-related convictions, it will not normally consider NDR-listed civil convictions that are more than three years old from the date of request unless that information relates to a current suspension or revocation of the applicant's license to operate a motor vehicle.
