## TEACHING FACILITY AND EQUIPMENT

### ADDRESS

Aberdeen High School  
410 North G Street  
Aberdeen, Washington 98520

Phone: (360) 538-2040

### DESCRIPTION / FEATURES

AHS Room 117 has 917 square feet of usable space.

$$(917 - 72) / 36 = 23 \text{ students}$$

Request permission for up to 23 students.

Two ADA-compatible restrooms accessible from inside the classroom itself.

Multiple entryways.

Excellent lighting

Ample paved and striped parking near the main entrance.

### FURNITURE

Standard tables, 29" in height, with 24" x 72" tops / work surfaces, well-suited for two students per table for this course. Course enrollment will drive how many tables are set up; ideally we will have a student-to-table ratio of 1:1.

Standard chairs suitable for table height and prolonged classroom sessions (see photos).

Instructor area well established in the front of the room, with audiovisual interface systems.

Note: the proposed classroom was setup for a high school class when these photographs were taken. The classroom will be professionally rearranged to a standard classroom layout.

### COURSE EQUIPMENT

White boards, with dry erase markers and erasers.

Ceiling-mounted projector with electric retractable projection screen.

## SAMPLE OF DATA NEED TO PROCESS REQUEST

Facility exterior.

Main entrance to the facility.

View from the left rear of the room toward the front.

View from the right rear of the room toward the front.

Restrooms, integral to the room.

Ceiling-mounted projection system.
