2. The Board shall convene at 0800, 09 April 2013, in suite 501, Coast Guard Personnel Service Center, or as soon thereafter as practicable, for the purpose of considering enlisted personnel for appointment to the grade of chief warrant officer, W-2, in their appropriate specialties. Members of the Board shall swear or affirm that they will, without prejudice or partiality, and having in view both the special fitness of personnel and the efficiency of the Coast Guard, perform the duties imposed upon them, and that they will not disclose their proceedings to any person not a member of the Board.

3. The Board will be provided an alphabetical list of candidates in each specialty. From among the candidates the Board finds fully-qualified for appointment, the Board shall prepare an eligibility list for each warrant officer specialty. 5. The Board shall refer to the provisions of Article 1.D.8 of reference (a) for specific guidance. Subject to the guidance contained in reference (a), this precept, and the Commandant's Guidance to PY13 Officer Selection Boards, enclosure (1), the Board is governed by its own judgment as to the criteria for rank ordering candidates on a best-qualified basis. Article 6.A.3 of reference (a) provides four factors to consider in developing your criteria: performance, professionalism, leadership, and education. Enclosure (2) contains the technical skills required for each CWO Specialty.

6. Appointment to chief warrant officer is a major change in the status of enlisted personnel. I recommend careful and thoughtful consideration of Article 1.D.1.a of reference (a) which contains the definition of a chief warrant officer. Chief warrant officers should possess strong ethical standards, stamina, integrity, dedication, loyalty, and the ability to meet the challenges that they will face in positions of increased trust and confidence.

7. You should emphasize to the members of the Board the importance of their obligation to confine themselves to facts of record and not predicate judgments on rumor or hearsay. At the end of your deliberations, all members must be able to say that the candidates recommended for appointment are, in the opinion of at least a majority of the members if the Board has five members, or in the opinion of at least two-thirds of the members if the Board has more than five members, fully-qualified and rank ordered on a best-qualified basis.

8. The Board shall submit a report in writing signed by all members of the Board. Except for the report of the Board, the proceedings of the Board shall not be disclosed to any person not a member of the Board. You will direct the members of the Board that their recommendations shall be kept confidential until the Secretary approves the report and effects the appointments on behalf of the President, and the names of the appointees are released to the Service at large.
