

# *Certificate of Special Congressional Recognition*

*Presented to*

*The Crews of the USCGC Boutwell (WHEC 719)*

---

*In recognition of almost 50 years of faithful and dedicated service as the crew of the USCGC Boutwell (WHEC 719). Your tremendous efforts in successfully conducting ocean weather station duty and mid-ocean search and rescue operations, living marine resource protection and enforcement operations, oceanographic research, Alaska Fisheries Patrols, counter drug missions and serving in Operation Iraqi Freedom has significantly and positively impacted the environment and the welfare of the United States.*

*March 16, 2016*
