5. The Board shall refer to the provisions of Sections 3.A and 6.A of reference (b) and the enclosed Commandant's Guidance to PY15 Officer Selection Boards and Panels in your development of criteria for determining the officers recommended for continuation. 6. You should emphasize to the members of the Board the importance of their obligation to confine themselves to facts of record and not predicate judgments on rumor or hearsay. At the end of your deliberations, all members must be able to say that the officers recommended for continuation are, in the opinion of at least a majority of the Board, the best-qualified to be continued.

7. The Board shall submit a report in writing signed by all members of the Board. Except for the report of this Board, the proceedings of the Board shall not be disclosed to any person not a member of the Board. You will direct the members of the Board that their recommendations shall be kept confidential until the Secretary approves the report on behalf of the President, and the names of officers selected for continuation are released to the Service at large.
