

NO DRUG INCIDENT STATEMENTS

Please use this text as your 1st and 3rd lines of the No Drug Incident Memo. Units must use the 2nd line to indicate how the final determination was made.

Subj: FINDING OF NO DRUG INCIDENT

Ref: (a) Drug and Alcohol Abuse Program, COMDTINST M1000.10

1. On **(Date of Collection)**, **(Unit Name)** conducted a urinalysis which yielded a positive result for **(Name of Drug - ng/ml / Example - Codeine 8909 ng/ml)**. In accordance with chapter 3 of reference (a), the preliminary investigation was convened on **(DATE)** to determine the facts and circumstances surrounding the potential drug incident.
2. This paragraph is for units to indicate resources used in making the final determination.
(Example - According to the medical record review by XXXX, the member was prescribed XXXX prior to urinalysis testing and confirming this medication would produce a positive result.)
3. Therefore, it is my determination that a drug incident did not occur and this case is closed.
